OBITUARY

Late Mrs. Leo Beaupre.
The funeral of the late Mrs. Leo Beaupre, formerly of Kingston, who died suddenly in Montreal, on April 11th, took place Saturday morning from the funeral chapel of Wray and Co., to St. Augustine's Church, Notre Dame de Grace, where a solemn requiem mass was sung by Rev. Father P. F. Hefferman. Interment was made in Cote-de-Neiges cemetery. The late Mrs. Beaupre is survived by her husband and three small children, the youngest being a baby five days old. Captain Leo Beaupre, husband of the deceased, has his boat quartered in the Kingston harbor and was making arrangements to come to Kingston when his wife died.

BISHOP OF ONTARIO IS THE CHAIRMAN
Of Church of England Canadian Delegation Regarding Overseas Settlement.

The official delegation of the Church of England in Canada appointed by the Council for Social Service under instructions, given by the General Synod at its last session, to confer with the recently established Council for Overseas Settlement of the Church of England, of which the Bishop of London is chairman and Sir Wyndham Deedes, secretary, sails for England by the Montroyal on April 22nd. The delegation consists of the Bishop of Ontario, (chairman), Canon Vernon, Messrs. W. G. Styles and G. B. Woods. It is interesting to note that all the members of the delegation were born in England and have made wood in Canada. The Bishop of Ontario has been working in Canada for twenty-two years, and the other three all from early manhood. The delegation carries commendations to leaders of both church and state in the Mother Country; from His Excellency the governor-general to the secretary of state for the colonies, from the prime minister of Canada to the high commissioner for Canada, from the Department of Immigration and Colonization and the Land Settlement Branch to their London representatives; from the Archbishop of Rupert's Land, as primate of the Church of England in Canada and president of the General Synod, to the Archbishop of Canterbury, and from the Bishop of Toronto, as chairman of the executive committee of the Council for Social Service of the Church of England to the Bishop of London, chairman of the Council for Overseas Settlement, and to the various organizations of the Church of England which have been interested in emigration to Canada.

ADDRESS ON "JOURNALISM"

Before the Y's Men's Club by F. B. Pense.
The Y's Men's Club at the regular meeting on Monday evening, listened to an interesting address on "Journalism" by Mr. F. B. Pense. Few people know what marvels lie behind the daily sheet which the news boy drops on their doorstep. Mr. Pense gave a brief review of the history of printing and of its latest developments. He went on to describe the rotary presses on which the modern newspaper is produced and told of the work it is possible to do with them. Then he described the processes through which the account of an event passes from the time a reporter hears it until it is being run out of the press at the rate of seven thousand copies an hour.

During the evening selections of music were furnished by a very clever orchestra composed of Messrs. Madrand, Simpson and Wade.

Orphans' Guild Euchre.

The Orphans' Guild of the House of Providence held a very successful euchre party Monday evening. There were twenty tables in play at euchre. Mrs. J. McCormick was the winner of the ladies' prize and Mr. J. Fowler, the gentlemen's. After the euchre, refreshments were served by the committee. The conveners were Mrs. P. Bellville and Mrs. M. Murphy.

No Definite Action Taken.
At a meeting of the Board of Governors of the Kingston General Hospital held on Monday afternoon the proposed plans for the overhauling of Watkins, Nickle and Doran wings at the hospital were considered but no definite action was taken.

G. W. Dawson, Ex-M.P., a former warden of Frontenac, was in an auto accident in Ottawa on Sunday. The car jumped an embankment and turned over. The occupants miraculously escaped death as the car did not collapse.
