BOWLERS MAY MAKE TRIP TO NEW ZEALAND

Secretaries Asked to Secure Names of All Anxious to Go.

London, Ont., April 28.—A. A. Langford, president of the Dominion Bowling Association, has received several communications from bowlers in Western Ontario who are interested in making the proposed visit to New Zealand. The Dominion president requests that the secretaries of the different associations secure the names of the bowlers in their districts who are interested in making the trip. These names will be forwarded to R. T. McLean, honorary secretary of the Dominion Lawn Bowling Association, Toronto.

A meeting will be called and the response will depend on whether or not the invitation is accepted. Already several bowlers have asked to be considered as members of the team.

If the invitation is accepted the team will probably leave in the middle of November, reaching Auckland early in December. If it is desired to visit Australia also the bowlers will return to Canada about the end of February.

Billy Evans Says

In Rebuttal.

Baseball is not only the national pastime of our country but the game of all nations.

A perusal of the box scores of the various professional leagues makes an interesting reading.

Once upon a time Irish and German names predominated. While still figuring prominently, they form only a small part of the professional personnel.

Recently I made comment on the fact that players of Hebrew birth were few and far between in the majors.

Since the Jewish boys shine in many other sports, their failure to go over big in baseball has always been more or less of a mystery.

In big league circles the opinion prevails that big business has handicapped players of Hebrew birth. There were few and far between in the majors.

Since the Jewish boys shine in many other sports, their failure to go over big in baseball has always been more or less of a mystery.

In big league circles the opinion prevails that big business has handicapped players of Hebrew birth. To be a success as a player, it must be taken up almost as soon as the youngster is able to walk and throw.

Recently I received a very interesting letter on this subject. Coming from one of Hebrew birth. I am willing to accept it in part as final. Here it is:

Likes Sports.

"I beg to disagree with you on your explanation of why there are so few ball players of Hebrew birth in the majors. It is not because as boys they are too busy learning the fundamentals of business, the art of making money.

"Instead he devotes an unusually large part of his time to his education, which is, perhaps, one of the ways of making money in the end.

"However, the average American-born Jewish youngster has the same attitude for sports as the other American boys. Baseball is the most popular of all. Basketball is a close second.

"Drop around to the playgrounds in any city and you will find the Jewish boy well represented in every game that is being played."

Now for the punch of the letter, the very best reason I have ever heard in explanation of the scarcity of the Hebrew in major league ball.

Parents Object.

"The big reason for the scarcity of Jewish big leaguers is the strong parental objection to an athletic career of the professional type.

"The parents of the present Jewish generation of youngsters are for the most part folks who were born in Europe. They have different interests and ideas of recreation and think more of intellectual pursuits than indulgence in sports.

"When the present generation of Jewish American-born youngsters becomes the adult generation, and being born in the country, has an interest in the national game, then there will be no parental objection to a sports career and Hebrew stars will make their names in the majors."

The writer of the letter said he expected this to happen in about 10 years and that John McGraw's wish for a Hebrew to star with the New York Giants would be fulfilled.

"Babe" Dye Suspended.

"Babe" Dye, Toronto St. Patrick hockey star, has drawn an indefinite suspension from the Buffalo Baseball Club for failure to report when requested to by the club management.

This goes to show that spring hockey and spring baseball do not kitch. With Jimmy Walsh added to the Bison outfield "Babe" seems to be fading into the background of events.

Some baseball managers regard a truck full of barrels as a good omen. Thirsty managers, especially.

FROM THE OUTSIDE LOOKING IN

The baseball fans will be glad to hear that "Mickey" Compeau and "Lex" Rice both played in Kitchener's first game against Niagara University, and both played a great game.

The Galt Reporter has the following: "Is Knotty Lee trying to break up the Terrier machine? He has secured one player and has been conducting negotiations with others. Local fans resent his tactics."

Galt is not the only one who has a right to kick. Knotty took two of the best ball players Kingston ever had.

Kingston will start their real practices next week and the fans will be able to see what kind of a team we are going to have this year.

It is hoped that there will be a good attendance at the meeting of the St. Lawrence League in the city council chamber to-night. This league is a good thing and Kingston will have some nice intermediate ball this year if the scheme is carried through and the league given some support.

"Billy" Benson communicated with President Anderson and stated as the teams in the C.O.B.L. were objectionable to him as an umpire, he would like to resign. Benson shows that he does not want to butt in where he is not wanted.

QUEBEC AMATEUR HOCKEY.

Nine Clubs Will Be Represented in the Senior Group.

Quebec, April 28.—It is expected that nine clubs will be represented at the meeting of the senior group of the Quebec Amateur Hockey Association that is to be held at the Chateau Frontenac May 2nd. The five clubs that composed the league last season and four other sextettes who shall apply for franchises will be present.

The new applications will come from the following: Voltigeurs of Quebec, Royals of Ottawa, who may, however, apply as a team from Quebec, and will therefore be eligible to play in the O.A.H.A., one from M.A.A.A., Montreal, and the fourth from a new club at Verdun, Que. Local hockey officials are endeavoring to have the association's gift to President Finch presented here at Quebec during this assembly. If this takes place the Young Sons of Ireland will also receive the Paquet trophy at the same time.

Four Toronto Boxers Chosen.

Toronto, April 28.—Four local boxers have been selected by the Ontario Branch of the Amateur Athletic Union of Canada to represent Ontario at the Canadian amateur championships at Winnipeg on April 27th-29th.

They are Agnew Burdie, of Claxton, in the 126 lb. division; Bobby Booth, of St. Helens, in the 118 lb. class; Willie McGrath of St. Helens, in the 135 lb., and Ray Smillie, of St. Helens, in the 147. Jack Henning, the 160 lb. champion, will not go to Winnipeg, but he has been selected to go to Boston on May 6th for the Pan-American tourney.

Mrs. Ruth Breaks Down.

New York, April 28.—Mrs. Herman "Babe" Ruth suffered a complete nervous breakdown in the entrance to St. Vincent's hospital while on her way to pay her daily visit to her husband, who is a patient there.

An examination showed she had suffered a nervous breakdown and was in need of a week's complete rest.

Oshawa Seniors Win.

Oshawa, April 28.—The Oshawa Central League team held a snappy workout when they played against the G.M.C. intermediates, and with the senior battery, Dainty and Broad, doing duty for the Motors the latter held the C.O.B.L. team to a score of 6 to 3.

NEW SWIMMING RECORDS HAVE BEEN ESTABLISHED.

San Francisco, April 28.—The world's records were smashed at the National Amateur Athletic Union swimming meet in the Municipal outdoor tank here.

Johnny Weismuller, aquatic flash of the Illinois A. C., broke his own world's record for the 100 yards free style swim, winning the event in 52 1-5 seconds, faster than it ever has been crawled in a pool.

Walter Spence of the Brooklyn Central Y.M.C.A., won the 220 yard breast stroke in 2 minutes 51 4-5 seconds, a new world's record.

Nurmi Breaks Record.

Coliseum, Los Angeles, April 28.—Paavo Nurmi, Finland's fast middle distance runner, won a three-mile race from eight Sherman Indians here yesterday. The first quarter-mile was passed in 63 1-2 seconds. Nurmi dropped a few paces behind from the gun, but after the first quarter he timed himself and increased his pace to lead the field in the second lap.

Nurmi's time was 15.15.9, a new United States record for a three-mile run.

Reading Gets Koehler.

New York, April 28.—The New York Giants announced that "Pip" Koehler, recruit outfielder, had been farmed out to the Reading Club, of the International League.

Alonso is Injured.

New York, April 28.—Word was received here that Manuel Alonso, Spanish Davis Cup player, may be selected to participate in the national tennis championships this summer because of an injury to his shoulder.

NEW WORLD'S RECORD.

Los Angeles, April 28.—Clarence "Bud" Houser, Olympic shotput and discus champion, set a new world's record in a track meet here in the discus event by tossing the platter 156 feet 3 1-2 inches.

Another world's record was broken in the 440 yard women's relay, which was won by the Pasadena Athletic Club team in 52.7 seconds. The old record was 53.3 seconds, held by the same organization.

O.H.A. CHAMPIONS HONORED.

Medals and Shields for the Team at Niagara Falls.

Niagara Falls, April 28.—Attended by notables of the city and sporting fraternities throughout Canada, the Niagara Falls senior O.H.A. champions were presented with cup and individual medals and shields. The function was largely attended, and continued until after midnight.

Mayor H. P. Stevens presided, and addresses were made by the chairman, William Fry, Dunnville; P. J. Mulqueen, President William Eason and Secretary W. A. Hewitt, of the O.H.A.; W. G. Wilson, M.P.P.; ex-Mayor C. R. Newman and Fred Cairns. The sporting spirit shown by "Gene" Fraser, player-manager, was enjoyed by all the speakers. It was a double celebration, yesterday also being "Gene" Fraser's birthday.

HAS JOINED THE PROS.

Hamilton, April 28.—Herbie Rheume, Ottawa hockey player, who guarded the nets for Hamilton Tigers when they won the Allan Cup in 1920, has finally consented to desert the amateurs, and next winter will be found with the New York team in the National Hockey League. Official announcement has come through the N.H.L. headquarters of his signing, and rumor has it that he will receive a large salary for his first year.

INSIDE GOLF

By Chester Horton

Maker of 51 Golf Champions. "Golf's most successful teacher," says "Chick" Evans.

Golfers often hear the expression that it is necessary to get in back of the clubhead with the body in the hitting swing. Most players, I venture, do not know what that means and have to guess at it. The reason the body weight is transferred to the right, in the back swing, is so that the weight will be in position, back of the ball, to be thrown forward, into the ball, at the moment the ball is hit. It was seen long ago that the player could slap his weight against the ball, together with the flying clubhead, and get 26 yards more of distance, and that's why we do it, though what I mean to convey is that this is no new discovery at all. In subsequent articles I will try to describe how the player gets in behind his club.

One of Cleveland's pitchers worked in a bank seven years.... This means Speaker at least has one pitcher he can bank on.

Kid McCoy broke a newspaper camera on his way to prison.... With a face like the Kid's that should not be hard to do.

In the old days the colorful ball player was the ball player who emerged from knuckle tournaments beaten black and blue.

In other words, the French officials seem to think Mr. Coolidge's comments on the franc were entirely too frank.
