GANANOQUE

May 2.—Michael O'Connor received the congratulations of many friends on Thursday last when he celebrated his ninety-second anniversary. Though in the centenarian fold, Mr. O'Connor is the envy of many younger men. He is enjoying good health, retains excellent use of all his faculties and on Sunday last was out to mass as usual, and he would be spared many more years. Mr. O'Connor has lived his whole life in Gananoque and vicinity and enjoys the highest respect and esteem of the community.

Ed Shiels and his minstrels were in Lyndhurst last night where they repeated their performance, given here a couple of months ago, to capacity attendance.

It was a joyful sound to hear the old steamer Britannia's whistle yesterday and all signs to the contrary notwithstanding it would seem that spring was due at any rate.

The death occurred on Thursday evening of George Toner, at his residence on Tanner street. Mr. Toner has been a resident of Gananoque for forty-eight years, and was very well liked and held in highest esteem by everyone. He was a member of several lodges, but probably more actively associated with the Oddfellows and Masonic orders. Surviving him are his wife, two daughters, Mrs. E. B. Ross and Mrs. A. M. Campbell, Toronto, and one son, William, of Gananoque. The funeral will take place Sunday afternoon from the family residence on Tanner street.

There is some likelihood of the Clayton-Gananoque ferry starting earlier than the 15th in order to accommodate the demand for transportation by motorists between these points.

The remains of the late John Crowley, which have been in the vault at Gananoque cemetery for the past several weeks, were laid at rest in St. Mary's cemetery, Kingston, yesterday. Mrs. P. Conlin, Miss Kathleen Conlin, Mrs. R. J. Deir, Joseph Crowley, Jr., Rev. Father Hanley and T. D. O'Connor motored up to pay their last respects.

The Old Fence

is tumbling down and has become an eyesore. It needs to be rebuilt.

In fact a nice, green painted lattice would make the place just like a picture.

Critical Times in Woman's Life

Mrs. James Mair, Antea Mills, C., writes:

"I suffered from nervousness and dependency, and at 65 lost all control of my limbs, so that for two years I was unable to walk. The doctors thought I would never get better at my age, but I read of Dr. Chase's Nerve Food, and bought and used a dozen boxes. In a short time I was able to walk again. I am now 72 years old and have enjoyed good health for the past fourteen years, thanks to Dr. Chase's Nerve Food."

Woman's life there are periods of excessive nervousness. If she can safely pass these times the chances are good for happiness and long life.

Dr. Chase's Nerve Food is woman's best friend from childhood to old age because it comes to her aid during these critical times.

It cures sleeplessness, indigestion, irritability, nervousness, and all the symptoms which tell of a failing nervous system.

The persistent use of Dr. Chase's Nerve Food is the most rational and most effective way thousands of women are regaining control of their nervous system. They are willingly verifying this statement.
