WOMAN'S INSTITUTE.

Battersea. The annual meeting of the Battersea Women's Missionary Society was held in the Methodist church on Friday evening, April 17th. Owing to a great deal of illness in the community, a number of members were absent. The meeting was presided over by Rev. Mr. Carleton, and the election of officers took place. The officers for the ensuing year are as follows: President, Mrs. Karl Van Luven; vice-president, Mrs. J. K. Carleton; recording secretary, Miss Bernice Sutherland; corresponding secretary, Miss Alice Jamieson; treasurer, Miss E. Anglin; strangers' secretary, Mrs. T. Hogan; organist, Mrs. C. D. Lake. Favorable reports of the business of the past year were received, and the members are looking forward eagerly to the convention to be held in Kingston next month. They are glad to know that Mrs. H. Dercotte, who underwent a serious operation in Kingston General Hospital is recovering.

Sunbury. The Sunbury branch of the Women's Institute held their April meeting at the home of Mrs. Charles Stoness on Thursday evening last. There were twenty-five members and a large number of visitors present after the usual opening exercises the business was dispensed with, by a unanimous vote it was decided that no more flowers or fruit were to be sent to members during sickness unless they were required to go to the hospital or in case of death.

The president reported the purchase of towels, dishpan and boiler for the hall kitchen; China salad bowls were presented to three members who are moving away from Sunbury and letters of thanks were read from these members, a letter of thanks was also read from the secretary of the Sick Children's Hospital thanking the branch for their donation. Miss Maunder gave an excellent paper on Institute Work, which was much enjoyed by everyone. An interesting part of the evening was when Mr. and Mrs. Stoness had their twin baby girls christened at conclusion of the meeting. Their christening dresses were presented to them by the institute. Mrs. Stoness thanked the institute for the gifts. Dainty refreshments were served at the conclusion. The next meeting is to be held at Mrs. Wilfrid Cooper's, the third Thursday in May.

WAGARVILLE LADIES' AID.

Stage Performance and Realize Sum of \$49.20. The Ladies' Aid of Wagarville staged a very pleasing and interesting performance before a full house on Wednesday evening, April 29th. The fish pond proved the first attraction for the wee tots, and a brisk business was kept up with the hook and line. Promptly at 8 o'clock an hour's programme was given by ten little girls. The numbers which were all musical ones were put on by the following: Misses Myrtle Connell, Edith Hare, Pauline Smith, Hazel Hearn, Pearl Hearn, Doris Jackson, Edith Jackson, Isabella Cronk, Della Cronk and Reta Hare. Special mention might be made of the sifter drill given by eight smart little maids robed in white aprons and caps and handling their sifters in an efficient manner. Following this came a contest in reciting and singing from children of surrounding districts. Names were entered from McLean, Tichborne, Parham and Wagarville, and each one acquitted himself or herself in a very creditable manner. Mrs. W. D. Black, Parham, Mrs. T. H. Swerbrick, Tichborne; Mr. Wendell, Smith, Long Lake; and Rev. H. Moyes, Parham, acted as judges and after much discussion the following awards were made: Class 1—Reading, nine years and under: first prize, Clifford Smith; second, Della Cronk; third, Norman Cronk. Class 2—Reciting, nine years and over, first, Pearl Hearn; second, Pauline Smith; third, Kay Cousins. Class 3—Singing, nine years and under, first prize, Reta Hare; second, Edith Jackson; third, Junior Good-fellow. Class 4—Singing, nine years and over, first, Doris Jackson; second, George Bateman; third, Henrietta Hornes and Edith Simonet. At the close of the contest, a sale auctioned by L. B. Cronk, disposed of the many useful articles made by members of the Ladies' Aid, and the pleasant evening was terminated by refreshments of home made cooking, prepared by all the ladies of the community. The Ladies' Aid wish to take this opportunity of thanking, first, the judges who so willingly responded and gave freely of their time; secondly to Miss McDonnell, of Parham school, who so ably trained her pupils; thirdly, to all the children who gave of their talent and lastly to all the ladies who so willingly contributed their cooking. The proceeds, which amounted to

\$49.20, will go toward defraying the expenses of the church, and the Ladies' Aid is to be congratulated on the pleasant evening a success both socially and financially.
