REGRET DEPARTURE OF PROF. LOTHROP

Who Has Been Children's Aid Secretary—Sorrow Expressed Over Miss Ronan's Passing.

The monthly meeting of the Kingston Frontenac Children's Aid Society was held yesterday at the Court House.

Letters of resignation were received with marked regret from Mrs. Abbott and Mr. A. W. Sirett, who found it impossible to attend the meetings. The secretary was instructed to write expressing the Society's appreciation of the services rendered.

It was also announced that owing to his leaving the city to become connected with O'Berli College, Prof. Lothrop had resigned from his position as secretary. This removal of Dr. Lothrop is a real loss to the society and to the city at large. He has always attended the meetings regularly and has been keenly interested in all phases of the work. The society's best wishes go with him to his new home.

Mr. Black gave a very interesting report covering the months of March and April, as he had been unfortunately ill and in hospital for some weeks.

General regret was expressed of all the members at the announcement of the death of Miss Ida Ronan, who had been one of the Roman Catholic members of the society and who had rendered valuable services in seeing after the needy children of her church.

LETTERS To The Editor

No Such By-law. Kingston, May 7.—(To the Editor): I note in the Standard of May 6th the following:

"Speaking of the city council it is scarcely possible that its members realized the significance of their action in passing the by-law relating to the first apparatus, prohibiting calls outside the municipality without a special arrangement being made with the municipality or institutions affected. This means, for example, that until some special arrangement is entered into the local fire department can not go to a call even to Mowat Sanatorium or Rockwood Hospital, to say nothing of the penitentiary. When one considers the great amount of money that these institutions leave in the city this seems to be a pretty drastic action quite apart from the apparent unneighborly and ungenerous spirit, which, of course, it may be taken for granted, the council never intended. No city can build a wall around itself and expect to prosper."

In reply I beg to say that no such a by-law has been passed by the council, but why should the Standard call this drastic action, and yet in its issue of March 13th, 1924, appears the following heading: "Again Wants Pen Moved. Warden Ponsford Repeats His Recommendation to the Department of Justice. Says Community Has Been Affected With Penitentiary Insanity."

"May I ask, why did it not call this drastic action on the part of Warden Ponsford in recommending this large-summing institution be taken away, which would also cause a large staff to leave the city? Why accuse the council of being drastic and not the man paid by the public, who recommends the taking away of such an institution?"

—W. A. TWIGG,
192 Barrie St., City.

STAG PARTY AT MOWAT.

A Presentation Made to Mr. Eaton Who Is Leaving.

A very enjoyable time was spent by Wednesday evening when a stag party was given by the patients. The men played cards, and refreshments were served and cigars and cigarettes passed around. A pleasant surprise was the presentation of a pair of cuff links to Mr. Eaton, who is leaving the hospital. The presentation was made by Mr. Swanson, who gave a little speech in which he expressed the regret of all concerned that Mr. Eaton was leaving. Mr. Eaton replied in a few words, thanking the patients very much for the little gift, which showed the high esteem in which they held him.

Used Same Tools and Implements.

At Belleville, on May 5th, Moira Chapter No. 7, R.A.M., celebrated its seventieth anniversary. Established in 1856, the chapter received in its ranks distinguished brethren from the ancient Frontenac Chapter, Kingston, who brought with them the tools and implements of labor with which to carry on. Those same tools were revived at the seventieth anniversary and birthday celebration, being used in the degree work. Other generations of Ancient Frontenac on Tuesday night saw degree work executed with the same tools and implements which their fathers had furnished seventy years before.

Served in the War.

Chief of Police Robinson has ascertained that Thomas Cominsky, arrested for being intoxicated and for smashing a plate glass window in Uglow's book store, was a member of the Second Battalion. He is making further inquiries about the man who created the disturbance on Princess street on Tuesday night.

COMPLETES DISTRIBUTION.

Of Seeds, Potatoes And Eggs For County School Fairs.

A. W. Sirett, the local representative of the Ontario department of agriculture, has completed the work of distributing seeds, potatoes and eggs which will be used by the children who have entered the school fair competition.

Over three thousand children, who are attending the schools in Frontenac, have entered the competition. The children exhibit their goods at the fairs and the winners are then entitled to enter the champion school fair held in connection with the Kingston Industrial Exhibition.

SUTHERLAND CLAN COMING.

Will Attend The Old Boys' Reunion To Be Held In Kingston.

Dr. W. W. Sands, city clerk, has received a letter from Mr. Samuel G. Sutherland, of St. Louis, brother of John and James T. Sutherland, in which he returns thanks for the invitation extended to him to attend the old home week celebration in Kingston.

"The Sutherland clan, including the writer, will take great pleasure in accepting your kind invitation," said Mr. Sutherland.

Vocal Recital.

This evening in Sydenham Sunday school hall, three of the advanced vocal pupils of Mr. H. Hill will give a recital of oratorio and opera numbers. They will be assisted by Miss V. Posselwhite, elocutionist; Mr. E. Van de Walker, pianist, and Sydenham street church male quartette. The quartette have entered the competition at Ottawa next week. The admission is twenty-five cents.

Death of An R.M.C. Graduate.

William James Stewart, chief Dominion hydrographer, passed away in an Ottawa hospital on Tuesday night, following an operation. His work was outstanding on most of the international surveys of the Great Lakes. One of the most important commissions entrusted to him was that by the British government to assist in the demarcation of boundaries in Europe as agreed upon in the Treaty of Versailles. He graduated in 1883 at the Royal Military College carrying off the gold medal.

Many Cotton Tall Rabbits.

A large number of cotton tall rabbits have been seen about the city this spring. The city parks and lots around the city are well stocked with them and one has been seen on Princess street. They are very numerous around Macdonald Park and the city park and a number have been run over by cars on Princess street.

Death of Mrs. George Cole.

Word was received Friday, by Fred Duesberry, Belleville, of the death of his mother-in-law, the late Mrs. George Cole, Perth. The death occurred at the home of her daughter, Mrs. John A. Kerr, Perth, deceased being aged eighty years and one month.

PORCH OR PIAZZA CHAIR PAINT

Carmote Piazza Chair Paint will make the porch chairs and outdoor furniture new again. Dries very hard. STEVENSON & HUNTER sells it.

Salvation Army's Self Denial Drive.

Good reports are coming in from the canvassers and the objective, two thousand dollars, is gradually being reached. The band will play this evening in a section of the city, while the canvass is being made; also Friday evening.

ENCOURAGING REPORTS GIVEN AT THE Y.M.C.A.

A Phenomenal Growth Reported in the "Gym" Classes—Board of Directors Met.

From an attendance of 3,203 in the gymnasium classes during the winter of 1923-24, to a total attendance of 5,350 during the past winter, was the record of the local Y.M.C.A. physical department. This was one of the many interesting facts brought out in the reports submitted to the board of directors, at a meeting Tuesday night.

W. Musselman, chairman of the physical committee, had an excellent report, reviewing the work as a whole and intimating some of the plans for the summer months. The City Soft Ball League, which is being sponsored by the physical department, is creating widespread interest among young men and boys, and the present indications are that the young ladies of the city will have a league of their own.

The finance committee's report was submitted by Mr. "Sid" Smith, and showed a growth in revenue from the building as well as a substantial increase in fees from members and in subscriptions over the same month last year.

Dr. C. C. Nash's report on membership showed a total membership of 253 at present. He outlined plans for the summer membership campaign and the special summer rates were approved by the board.

Mr. Harry Wilder brought in a fine report on the work of the property committee.

Mr. R. Allan's report for the hospital committee showed that "movies" have been maintained at Mowat Hospital and concert parties have continued to "brighten the lives of the patients by weekly visits.

The report of the general secretary reviewed the work as a whole, and mentioned particularly the work among boys. The educational trips to factories and other places of interest during Easter week were mentioned as well as the formation of a "Hi-Y" Club and the large increase in boys in Bible study over the previous year.

Mr. F. R. Anglin's report on the Sunday afternoon meetings for men showed that strong speakers had been secured for a series of addresses but that the attendance had not been quite what might have been expected. It was the feeling of the board that such meetings should be encouraged and the committee will plan another series next autumn.

With the appointment of Mr. "Sid" Smith, as chairman of the camp committee, a move in the right direction towards the establishment of a boys' camp for Kingston boys was made. Mr. Smith is to be assisted with a strong committee.

A constitutional committee was also appointed, which will go into the alternative basis of membership, which is now being proposed for Canadian associations and will also prepare a constitution which will later be submitted to all members for their consideration. The work of the editor of "The Tatler," Mr. Lawrence Harper, and his plans for an annual number of the paper were commended by the board. It is expected that a special souvenir number giving the story of

the early days around the "Y" will be ready for Old Boys' week.

SCHEDULE REVISED BY C.O.B.L. HEADS

Only Four Changes Made—George Sullivan Popular Selection for "Umps."

A meeting of the executive of the Central Ontario Baseball League was in Cobourg on Wednesday afternoon for the purpose of clearing up the schedule and umpire questions for final ratification by the league and take up other matters which required attention. Those present at the meeting included the following: President C. M. Anderson, F. G. Bales and C. P. Davis of Oshawa, H. T. McFadden, P. A. Johnston, Peterboro, Newton Thompson and Vern Weir, Belleville and W. L. Kennedy and A. C. Givens of Kingston.

The schedule was the most important question taken up and the following changes were made:

Game of Wednesday, May 27, Oshawa at Peterboro, changed to Wednesday, July 22.

Game of Saturday, May 30, Belleville at Kingston, changed to Friday, May 29.

Game of Wednesday, July 1, Oshawa at Peterboro, changed to morning game.

The list of umpires previously announced was cancelled and George Sullivan of Kingston was the unanimous first choice of all the teams in the league. All clubs demanded that he be given a share of their games, even to Oshawa where the jump is a long one. Oshawa, Peterboro and Belleville were heartily in favor of Sullivan. This is a splendid tribute to the worth of the local man, whose fairness and judgment has made him a respected umpire in the Central Ontario League. The following four umpires were chosen to act in all games of the C.O.B.L. wherever it is possible for them to act: George Sullivan of Kingston, Ken Colling of Belleville, Alex. Kay of Peterboro and Si Dell of Oshawa.

The spares are Woodley of Belleville, Allen of Port Hope, Morphy of Oshawa and Jackson of Peterboro. The revised list of umpiring is to be compiled by President Anderson and forwarded to the clubs as soon as it is ready. Applications were received for umpiring from fourteen men including three from Toronto, three from Peterboro and three from Lindsay.

The sub-committee on certificates will meet at Oshawa on May 15, when all certificates, which must be in by that time, will be passed upon. The president and three past-presidents compose this sub-committee.

Secretary Thompson announced that all the documents that had been received from former secretary Jack Nott were reports of the meeting held in January and a short current financial statement. Mr. Nott will be asked to turn over the typewriter and other equipment of the league immediately.

Here For Vacation.

The many friends of Mr. Hugo Doyle, of the Grand Seminary at Edmonton, Alberta, will be interested to learn that he is returning home to spend an extended vacation with his parents, Mr. and Mrs. J. F. Doyle, 102 Clergy street east. It is understood that he will return to the west in September to begin his studies in theology.

Two Chimney Fires.

Two chimney fires were handled this morning by the firemen. The first call was to 517 Albert street at 7.42 and the second to 289 Division street at 10.53. No damage was done in either case.
