BOWLING

At Frontenac Alleys, The first game in the final round of the City League, was played last night between the Earls and the Eagles. It was a hard game, keenly contested and in spots brilliant bowling was seen. The two teams are fairly evenly matched, and it is impossible at this early date to pick he winner. Amodeo, Milne and Hammond topped the six hundred match -very good bowling for a closely contested game where every player is keyed up to top pitch all the time. Eagles took two games and the Earls one. Every game the Eagles topped the 900 mark. The next match will take place or Monday night. May 11th.
