NEW PICTURE, THREE-STAR CAST, IS A THRILL HIT

"A Thief in Paradise" at the Capitol Theatre Goes Over Big.

George Fitzmaurice has produced in "A Thief in Paradise," which opens a three days engagement at the Capitol Theatre, Monday, a thrilling, colorful romance that equals the high market set by "On With the Dance," "To Have and to Hold," "Sytherca," and other lavish screen plays which he has given to the world.

There are no dull moments in "A Thief in Paradise." It is full of action from the opening title to the final fade-out. It is the story of a man who masquerades as another man, falls in love with one girl and is loved by another—an unscrupulous Eurasian girl who is his accomplice in the impersonation.

One of the unique features of the picture is a polo game played by the girls in bathing suits. The game marks the beginning of a thrilling chase and a rescue that equals in thrills the exciting climax of an old-fashioned serial.

But "A Thief in Paradise" is more than a thriller. It has romance and drama of the most intense kind. There is a love story of a man who knows he has no right to claim the girl he loves, and who fights out his supreme battle with himself.

All three of the featured players Ronald Colman, Doris Kenyon and Aileen Pringle, give splendid performances. Claude Gillingwater, Alec Francis, John Patrick and Charles Youree head the cast of supporting players.

"A Thief in Paradise" was written for the screen by Frances Marion from Leonard Merrick's novel "The Worldlings." Samuel Goldwyn presents it via First National.

"CONTRABAND" AT STRAND.

"Contraband," the new Paramount picture which closes at the Strand Theatre to-day, is as exciting and thrilling as its title would lead one to believe. Rum-runners, bootleggers, crooked politicians, a villainous deputy sheriff, a beautiful girl editor and a scholarly young professor—these are some of the ingredients in the latest Paramount comedy-melodrama.

Lois Wilson, Noah Beery, Raymond Hatton and Raymond McKee are featured in the principal roles of the picture.

SPORT

Local Boxers at Gananoque.

The local boxers who fought in Gananoque on Friday evening did exceptionally well and held all their opponents to no decision and put up splendid fights. Young People of Kingston met Battling Logan of Montreal in three fast rounds and Charlie Amodeo fought C. Potter of Gananoque. In Amodeo met a Gananoque boy in one of the best fights of the card and Dixie King of Gananoque fought J. Barbara of Kingston. All the fighters made a big hit in Gananoque and will likely appear there again at a later date.

Two Young Men Pleaded Guilty and Were Remanded for Sentence.

The steamer Phelan, which is laid up in port here, was robbed of brass fittings valued at about \$1,000, a few days ago. The case was reported to the police, and given over into the hands of Detective Thomas Mullinger. The latter, after making an investigation, placed two young men under arrest on a charge of going on the vessel and taking the brass, and at the same time succeeded in locating the stolen brass in a local second-hand store.

The young men were arraigned before Magistrate Farrell on Saturday morning. They pleaded guilty and were remanded until Monday for sentence.

A week ago a young man was before the court for failing to support his wife and child. The magistrate gave him a week to "make good," but when the case was called again on Saturday morning, the accused stated that he had made no arrangements for the support of his wife and child, and the case was further enlarged till Wednesday next.

"I will then make my final order in the case," said the magistrate.

A tippler who was gathered in on Friday night, was asked the usual question regarding where he had secured his liquor. He said he got his supply from a local drug store, but when questioned as to who had given him the order he said:

"I did not need an order. I got sixteen ounces of rubbing alcohol."

"I guess I will have to look in this case further," remarked the magistrate as he enlarged the case until Monday.

BISHOP BIDWELL TELLS OF CANADA'S NEEDS

Speaks Before the Missionary Council of the Church Assembly in London.

London, May 9.—The Canadian delegation which is visiting this country to promote overseas settlement was introduced by the Lord Bishop of London (The Rt. Rev. and Rt. Hon. A. F. Winnington-Ingram) yesterday at a meeting of the Missionary Council of the Church Assembly. The Lord Bishop of Ontario (The Rt. Rev. E. J. Bidwell), who is at the head of the delegation, said they were anxious to get in touch with the missionary council.

The western diocese of Canada had a tremendous future, and there was a pressing demand for clergy who could minister to a growing number of settlers. It was desirable that clergy be sent out with emigrants to provide for their spiritual needs, and he hoped the council would bear these needs in view. The Canadian churchmen on Monday began their conferences with the new council of overseas settlement of the Church of England. Besides the Bishop of Ontario, the delegates include Canon Vernon, the Rev. W. G. Styles and the Rev. G. B. Woods.

The Bishop of Ontario will preach the annual commemoration sermon in the university church of St. Mary the Virgin, Oxford, next month.

WHERE TO BUY DUCO

Supplied by Ohlke and Bradey—Ask For Information.

It is not so many years ago since the automobile owner jacked up his car and covered it with canvas as soon as winter came. Improved engines, the luxury of closed cars, and greater riding comfort made the automobile a year-round proposition. There was only one feature, one part of the automobile, which was not soon perfected into an all-season proposition. That was the finish. While self-starters, ignition systems, four-wheel brakes and ball joints were being developed, the finish remained unchanged. It still became faded, dull, lifeless after a few months' use. Rain, sun, snow, heat and cold ruined it in a short time.

It is only recently that this condition was improved. The change came with the discovery by chemists of the du Pont Company of a new finish called Duco. This product is of a pyroxilin nature, whose chief basic material is dissolved cotton. The new finish is absolutely water-proof, is unaffected by either boiling water or ice, hot sun or snow. Instead of being scratched and marred by dust it can readily be wiped clean with a dry cloth. It is so hard that a blow which would mark an ordinary finish does not mark Duco. It is claimed for the new finish that it will actually "improve with age."

In addition to being adopted as the standard finish by some of the largest car manufacturers, it is also being successfully applied in hundreds of refinishing shops throughout the country.

Locally, it will be applied by Ohlke & Bradey authorized Duco agents who are installing a plant equipment at the corner of King and Queen's streets and hope to have the plant in operation about June 1st. In the meantime information regarding Duco can be obtained at the Universal Tire and Battery Service corner Ontario and Queen streets.

PREPARE FOR INSPECTION.

P.W.O.R. Will Hold Tactical Drill at Barrfield Ranges.

Friday night the P.W.O.R. had a good parade at the cricket field. The battalion rehearsed the work which will be put on for inspection by the G.O.C., which will start next week. Blank ammunition was used in the exercises.

On return to the armouries a lecture to the officers was delivered by Lieut. Col. Reg. Brooke, G.S.O., of this district, who spoke on "Infantry in Attack," dealing with present day methods. His address was very interesting.

On Monday the battalion will fall in at 7.15 and be ready to go to Barrfield at 7.30 sharp where a tactical scheme will be carried out at the Barrfield ranges. The C.O. has arranged for transportation leaving the Armouries to convey the men to Barrfield so that every advantage may be taken of the daylight which is quite necessary for the operation. All ranks are asked to be sharp on time, as the buses are to be ready to move off at 7.30 sharp. On the return to the armouries, refreshments will be served to all ranks.

Patients at Mowat Entertained.

The St. James' Church Dramatic Club gave a very delightful play in 3 acts at the Mowat on Thursday evening. The play was entitled: "Getting a Husband," and the cast deserve a great deal of praise for their work. The committee was as follows: Mrs. T. W. Savary, director; Mrs. J. Shaw, Miss Taft, piano accompanist; Mr. G. W. Bateman, stage manager. The different characters were very cleverly executed and were: Deacon Dobbs, Mr. W. Dalby; Amos Coleman, Mr. A. M. Stroud; Rawdon Crawley, Mr. W. Keely; Major McNutt, Mr. S. C. Smith; Deuteronomy Jones, Mr. T. H. Parker; Rose Raleigh, Miss H. Holland; Philippa Popover, Miss I. G. The Family Market Basket

The sun shone on a market filled with spring greens on Saturday morning. Piles of home grown rhubarb, lettuce and spinach, green onions and radishes were selling quickly; the rhubarb going at three bunches for a quarter. Eggs, "fresh special," were selling at 28 cents, and there were dozens of baskets of them. Butter was still 38 cents a pound. Veal was plentiful and sold at from 12 to 14 cents for the hind quarters; pork brought 20 and 22 cents a pound. Potatoes were from 65c. to 75c. a bag. Fowl were offered at \$1.50 and \$1.75 a piece, and on the island market chickens were sold at 65 and 75 cents each. The florists and gardeners had a splendid display of flowers, geraniums, pansies and other plants for bedding and seedlings in boxes all ready to set out. Many of the wagons were gay with bunches of trilliums and marsh marigolds gathered in the field and woods, which found a ready sale.

LATE DR. CORNELL

Was One of Prominent Surgeons in Eastern Ontario.

Brockville, May 9.—Dr. Charles M. B. Cornell, celebrated diagnostician and surgeon, who died at his home here yesterday, was born at Toledo, Ont., in 1854, a son of Dr. Seth S. Cornell. He was educated at the Athens high school, and at Queen's University, where he entered in his fourteenth year, and from which he graduated before he was qualified in point of age to practise. After having taken a post-graduate course in Philadelphia, he assisted his father in his practise and then established himself at Duncanville, Ont., whence he moved to Athens.

After fifteen years in practise there he came to Brockville, where he developed a reputation as a surgeon which made him one of the best known in Central Canada. He was a fellow of the American College of Surgeons and a member of medical staffs of local hospitals. Predeceased by his wife, he is survived by one daughter, Mrs. Clark, wife of Dr. H. A. Clark, M.P.P., Brockville. The funeral will be held on Monday afternoon at three o'clock.
