CHURCHES UNITING FOR SUMMER SERVICES

Cooke's and Queen Street to Combine—Sydenham Street to Join With Chalmers.

The true spirit of union is going to prevail in connection with a number of the city churches during July and August. The boards of Cooke's Presbyterian and Queen Street Methodist have decided to hold union services during the two months. Rev. W. H. Raney, pastor of Queen street, will preach during July, and Rev. T. J. S. Ferguson will be the August preacher. It has been arranged that during July the morning service will be held in Cooke's church and the evening in Queen street. In August, the morning service will be in Queen and the evening in Cooke's. A committee composed of Rev. W. H. Raney and Judge H. A. Lavell, of Queen street and H. W. Newman, D. A. Shaw and Elwood Thompson of Cooke's has been appointed to work out the details of the services. Queen street choir will furnish the music during July and Cooke's choir in August.

Arrangements have been completed for Cooke's Presbyterian and Princess street Methodist Sunday schools to hold a joint picnic at Brophy's Point on June 29th. The steamer "Auric" has been chartered to make a special trip. It has been decided that Sydenham street Methodist and Chalmers Presbyterian churches will hold union services during July and August. The services during July will be held in Chalmers church and in Sydenham in August. Rev. George A. Brown, pastor of Chalmers will preach in Sydenham street church in August. Rev. Dr. W. T. G. Brown, Ottawa, who has been called to the pastorate of Sydenham street church, has been offered by the boards of the church two months vacation and for that reason it will be necessary to obtain a preacher, to occupy the pulpit of Chalmers church in July. The Sydenham street board is making arrangements for a preacher who will do the pastoral work of the church during the two months.

It is expected that Dr. W. T. G. Brown will be in his new charge the last Sunday in June.

MIDNIGHT DISTURBERS IN THE POLICE COURT

Two Young Tipplers Were Singing and Using Strong Language in a Laneway.

It was close on to midnight Saturday Constable William Fitzgerald was patrolling his beat on Queen street when he heard some singing, mingled with strong language, a rather queer mixture. He investigated and found that several men who had been indulging in something a good deal stronger than 4.4 beer were responsible for the disturbance.

Just as the constable reached the laneway, two young men staggered out in an intoxicated condition, and one was very abusive to the representative of the law. Constable Fitzgerald nabbed the two offenders and had them locked up for the night.

The two young men denied being intoxicated when arraigned before Magistrate Farrell in the police court on Monday morning, but the evidence of Constables Fitzgerald, Leslie Clark and Sergeant Armstrong convinced the magistrate that the two men had been intoxicated, and a fine of \$10 and costs was imposed on each.

City Council To-night.
At the meeting of the city council to-night, Mayor Thomas Angrove will bring up the matter of whether or not the city will celebrate May 24th or June 3rd.

The question of the repairs at the city buildings, the erection of lavatories in the three parks and the fair grounds, will also come up for consideration.

Rentwater rates are to be increased on July 1st. The old tariff dates back to 1897. The increased tariff will add \$4,000 a year to the revenues.

The Rentrow council has decided not to handle Alberta coal, but to leave the sale to the dealers in the town.

What the Press Agents Say About Coming Attractions

"THE SNOB."

John Gilbert and Norma Shearer Co-Star at the Capitol.
Admirers of the writings of Helen R. Martin, who has become famous through her ability to depict life and habits of that group of people known as the "Pennsylvania Dutch," will be pleased to note that one of her best-liked novels, "The Snob," has been made into a motion picture, and will be seen Monday, Tuesday and Wednesday at the Capitol Theatre.

This delightful story was adapted and directed by Monta Bell, the young director who rose to sudden fame after his productions of "Broadway After Dark" and "How to Educate a Wife."
The title role is played by John Gilbert, the same who appeared as the romantic Russian prince in Bill nor Glyn's "His Hour." "The Snob," of course, is an entirely different sort of part, and Gilbert is said to have enjoyed himself immensely doing something that was "different."
Norma Shearer appears as the heroine, and is reported to approximate very closely the girl as imagined by the author herself. Conrad Nagel is the hero, while others in the cast include Phyllis Haver, Hedda Hopper, Margaret Seddon, and Aileen Manning.

It is a story of the Dutch settlement around Chicago a generation ago, with Colleen as a flapper of 1890.

HELD BY THE POLICE FOR THEFT OF AUTO

Alexander Stonehouse Alleged to Have Stolen Car From Joseph Childhouse.

On Monday morning, Detective Thomas Mullinger placed Alexander Stonehouse, a member of the R. C. H. A. under arrest, charged with stealing an automobile, the property of Joseph Childhouse, Rideau street, on Saturday night.

On Sunday morning Mr. Childhouse found that his garage had been entered during the night and his Chevrolet Sedan taken. The police department were notified.

Traffic Officer Percy Dowseley, who was doing patrol duty on the Kingston-Gananoque road on Sunday morning, noticed a Chevrolet sedan parked near the Finger Board, which is about eleven miles from Kingston. Upon making enquiries, it was found that a soldier had left the auto there about 5 o'clock Sunday morning. He was talking to the owner of the farm near the scene where the car was found. When Mr. Dowseley found the car he immediately notified the Kingston police department. The auto gave the appearance of having had hard usage. The front of the car was badly damaged.

Later in the day when Mr. Dowseley was in that locality he noticed a man dressed in uniform coming along the roadway. He stopped and spoke to the man in question, and suggested that he get into his automobile if he wanted to go to Kingston. On the way Mr. Dowseley learned from Stonehouse that he had been absent from the R.C.H.A. since Saturday afternoon at 3 o'clock, when his pass expired. Upon arrival in the city, Stonehouse was taken to the R.C.H.A. barracks where on Monday morning, he appeared before his commanding officer on the charge of being absent without leave.

The police department were notified that Mr. Dowseley had brought a soldier to the city and it was believed that he knew something about the stolen automobile. Detective Mullinger went to the barracks and asked that Stonehouse be detained as the police had a warrant for his arrest on the charge of theft.

SPORT

BELLEVILLE CLUB TO FIGHT FOR OULETT

Will Request That O.B.A.A. Representatives Attend Meeting on His Case.

The Belleville C.O.B.L. team held a meeting in Belleville on Saturday night for the purpose of taking up the case of Jack Oullett, who was recently denied a certificate to play with the Belleville C.O.B.L. team this season, owing to the fact that he was alleged to have failed to qualify under the residence rule. It was decided at the meeting that the Belleville club would request that another meeting be held as soon as possible, of the C.O.B.L. sub-committee on certificates at which representatives from the O.B.A.A. will be requested to attend. Belleville are determined to put up a hard fight to have Oullett with them this summer and they will put forth every argument that they can to try to convince the sub-committee of the C.O.B.L. that Oullett is eligible to play.

LOOK FOR ALL LOCAL PLAYERS TO BE PASSED

Oshawa Seeing Things If They Saw Cairns in That Town.

In connection with the holding up of the certificates of the three Kingston players, Walker, Cairns and Scott, it was learned on reliable authority on Monday morning that there was every likelihood of all three being passed by President Anderson in time for Wednesday night's game here between Peterboro and Kingston. In the case of Walker, it is well known that he is a student at Queen's and has been here since long before January 1st, and there should be no difficulty about his case. Scott's case is solid also, and contrary to the ideas of even some local fans, Cairns is quite eligible to play here.

The Oshawa delegation at the meeting held to pass on certificates were sure that Cairns was in Oshawa since January 1st, working in the bank. Official word from Toronto brings the information that Cairns has not been employed at the bank in over a year and Cairns declares and has taken an affidavit to the effect that he has been in Oshawa, his home, since last fall and has never been in Oshawa in his life. President C. M. Anderson of Belleville is to pass on any certificates that have been held up, and the Kingston management do not see any obstacles in the way of passing the three local players through.

Arranging the Details.

SALVATION ARMY SERVICES

Commandant Brace Was In Kingston For the Week-End.
Commandant Brace, who is in charge of the emigration work with the boys at Smith's Falls, visited Kingston for the first time on Sunday, and conducted the services in the Citadel. The meetings were well attended, and resulted in several conversions.

Saturday evening, at the welcome meeting, Ensign Boshier extended a welcome to the commandant on behalf of the Kingston-Corps. Sunday morning the hoiness address was very instructive. At the afternoon service, the young people brought their self denial gifts to the altar and the commandant gave another helpful address. At the corps brought their gifts, which amounted to \$100. Lieut. Ritchie, who has been stationed in Kingston, assisting Ensign and Mrs. Boshier, well known Songster Leader, A. McBride, Treasurer Pickering and C. S. M. Woodcock all spoke about the Lieutenant's influence for good during her stay here. Ensign Boshier regretted the absence of Mrs. Boshier through sickness, but stated that Mrs. Boshier had appreciated to the full the help rendered by the lieutenant. After the songsters and band had rendered special selections, the Lieutenant replied, and stated she had enjoyed her stay at Kingston, and was sorry to leave so soon, but as she is the daughter of Salvation Army officers she understood the orders of the Salvation Army and was willing to be ready to obey. Commandant Brace gave a very good salvation address, which brought a very profitable day to a close.

A wedding of interest took place recently in Kamloops, B.C., when Rev. Robert Lee united in marriage Joseph Beddingfield, Vancouver, B.C., and Miss Margaret Webster, formerly of Gananoque.
