WILTON AND SUNBURY VOTE AGAINST UNION

Presbyterians at These Places Opposed to Entering United Church of Canada.

It was announced on Tuesday morning that the Presbyterian congregations at Wilton and Sunbury had decided not to enter the United Church of Canada. Wilton vote, which was announced on Monday evening, showed that eighteen were against entering union and fourteen were for.

Rev. Mr. McKenzie, Presbyterian minister at Wilton, announced that he would inform the congregation on Sunday evening next his intentions for the future. The minister is in favor of union and is now without a charge.

Sunbury church voted twenty-five against union and three in favor. For some years the Methodists and Presbyterians have been worshipping together at Sunbury. The services have been held in the Presbyterian church, and the Methodist preacher stationed at Battersea has conducted the service. The Methodists closed their church building, which is located a short distance out of the village of Sunbury, and worshipped with the Presbyterians. It is understood that the Methodists form the larger part of the congregation.

O. B. A. Schedule Drawn.
The Junior O. B. A. schedule for the coming season has been drawn up and is as follows:

- First Half.**
May 20—Deseronto at Picton.
May 27—Picton at Belleville.
June 3—Belleville at Deseronto.
June 10—Picton at Deseronto.
June 17—Belleville at Picton.
July 1—Deseronto at Belleville a.m.
- Second Half.**
July 8—Deseronto at Picton.
July 15—Belleville at Picton.
July 22—Picton at Belleville.
July 29—Belleville at Deseronto.
Aug. 5—Deseronto at Belleville.
Aug. 12—Picton at Deseronto.

Turned Down Offer.
Frank Whitehouse was offered a contract in the M. O. League by the London Club on Saturday but he turned it down to get experience in the Central Ontario League this season against the hitting of Batstone, Mills, Somerville, Chery, Ross and Tyson. Manager Johnson of Peterboro plans to use Whitehouse here tomorrow night against the locals and back in Belleville again on Monday against Belleville.

Hear Peterboro Talk.
The committee was justified in wanting to know a little more about several recent additions to the Kingston squad. Last year's experience showed that it is best to sift all doubtful cases before the schedule opens, and the hope on several new Ponies is a little hazy, as it were.—Peterboro Examiner. Evidently Peterboro has forgotten all about the Serth incident.

C.O.B.L. EXECUTIVE MET.

Concessions at Fair Grounds Granted to L. Joyce Free of Charge.
A meeting of the executive of the Kingston Baseball Club was held on Monday night in the Board of Trade rooms and several important matters were dealt with. The question of concession at the grounds during the season was taken up and it was decided to give the concession to L. Joyce, on representation from the Amputation Association. Joyce is a returned veteran of charge.

A report on the grounds was submitted and it was stated that the ground would be in good shape for Wednesday. There will be adequate policing on the grounds during the game.

A letter from the Gentlemen's Matinee and Driving Club was received in which co-operation in preserving the track surface was requested. The Driving Club requested that the club see to it that cars were not brought inside the track during practices. The ball club will co-operate in every way and will urge the citizens to assist them.

It was decided that cars shall go on the main gate to the grounds and go up between the Crystal Palace and the wire fence. This will prevent any chance of cars striking people going into the grounds through the small gates.

JUNIOR CITY LEAGUE

The Kingston Junior Baseball League met on Monday evening in the Standard office for the purpose of drawing up the schedule for the season. Owing to the fact that dates would be unsettled if a full schedule were drawn up, it was decided to issue the first half only, which is as follows:
May 27—Victoria vs Victoria.
June 2—Victoria vs Circle Six.
June 9—Circle Six vs Victoria.
June 16—Victoria vs Circle Six.
June 23—Circle Six vs Victoria.
June 30—Victoria vs Circle Six.
A list of umpires to handle the junior games was handed out at a later date. Representatives were present from both clubs and indications are that the league will enjoy a successful season.

Nothing Doing.

The Brownville, N.Y., club has written to the C.O.B.L. club of Kingston requesting a game with the locals. Needless to say, the C.O.B.L. executive turned the very kind offer down.

All Mixed Up.

Information has come to light that the Oshawa club officers were mixed up with "Lefty" Curran, who used to pitch with the Huskies here, and Cairns, the Oshawa boy, who signed with the Kingston team this season. The Oshawa people thought Curran and Cairns were the same person, hence their question of Cairns' eligibility.

Queen's New Athletic Building.

It has been decided that the new building at Queen's University, which will house the athletic board of control office and the technical supplies, will be erected on the piece of land just west of the Jock Hartly arena. The authorities are going to use a piece of the yard of the old Crumley property and a piece of the lawn back of the arena will be taken.
The old cafeteria building is being torn down and the material which is taken from that building will be used in the new structure which will be stucco finish. The fence surrounding the Crumley property, which is now owned by Queen's, was being torn down on Tuesday morning.

NOT TO DROP OUT

Belleville May 15—The C.N.R. senior baseball team in the C.O.B.L. will not drop out of the league this season, and will play their first game in the season's opener with Oshawa in the city on Wednesday afternoon of this week.
A number of people seemed to believe the team had dropped out of the league following the action of the committee which passes on certificates, in refusing a certificate to Jack Ouellet. The team will not drop out, and will carry on.

THE P.W.O.R. MUSTER PARADE ON FRIDAY

The First in Eleven Years—Church Parade Next Sunday Morning.

The first muster parade for the P.W.O.R. since 1914 will be held at the armories on Friday evening when the district paymaster will be on hand. It is very important that all ranks be present for this parade or they will lose their pay.

On Monday evening "A" Company was inspected by the G.O.C. Rifle practice was also held at the Barrfield ranges. The companies are taking a keen interest in the inter-company competition for the battalion shield which for the past few years had been held by "C" Company.

The sergeants will have their photographs taken on Sunday morning after church parade, which will take place at St. George's cathedral. This is the first time that the sergeants have had a picture in years. It is understood that the pipe band will also pose for a picture.

MISS CATHERINE WRIGHT

Won High Honors in Winnipeg Solo Singing Contest.
The Winnipeg Free Press of May 9th announced that Miss Catherine Wright, formerly of Kingston and daughter of the late Mr. and Mrs. George C. Wright, Gore street, and Mrs. B. G. Robertson, Lower Union street, had been awarded the Board of Trade trophy in the rose bowl competition which was open to winners in only "A" solo class.

There were two entrants for the grade "A" highest contralto solo contest. Miss Wright scored 194 marks.
Miss Wright obtained one hundred marks for one song, which broke a record for the Winnipeg festival.

R.M.C. Advisory Board Here.

The advisory board of the Royal Military College, of which Sir Arthur Currie, principal of McGill University is the chairman, arrived in the city on Tuesday afternoon and went direct to the college. After making an inspection of the buildings the members of the board will have dinner at seven o'clock.
The members of the board will complete their duties and be ready to leave the city on Wednesday.

Division Court Cases.

There was a sitting of the Division court before Judge Madden on Tuesday morning but no cases of special interest were heard. There were fifteen cases, mostly over unpaid bills and ten judgment summonses on the docket.

Suffered A Fall.

Miss Gladys Armstrong, daughter of Fire Chief and Mrs. James Armstrong, Barrie street, slipped yesterday while at work in McAuley's book store where she is employed and suffered strained ligaments. She is confined to her home for a couple of days as a result of her accident.

CANADA'S NAVY LEAGUE'S BIG WORK

(Continued from page 1)

ly that as the war memory fades from the public mind—so also (but only for a time we believe) the interest in the Navy League passes. To be a Navy League member was once considered a great honor and buttons were worn. Now buttons are forgotten—memberships have lapsed. It is our endeavor to restore again the balance and make all proud once more to be known as a member of the Navy League of Canada. It is the quality of durability rather than ideality which makes for the best success in public movements. The objects and policy of the Navy League must be now clearly laid down—and the foundations firmly established. It is imperative that this be done. For instance we must emphasize the far reaching influence upon the progress of civilization exerted by sea power. There must be no sacrifice of principle in this.

What League Stands For.

There should be no doubt in anyone's mind as to what the Navy League stands for viz:
1. The educational work—awakening of the sea-conscious spirit in our people for trade and security.
2. Training of our sea cadets for service in either branch.
3. Care of the sailor ashore in our institutes.
4. Care of sailor's dependents.
These are the four objective reasons for The Navy League of Canada. And there can be no doubt that each, and all of these objects will in time be achieved by the Navy League and its eager supporters from Halifax to Vancouver.

Opinions rule the world, and we all know that the value of all opinion is determined by the accuracy and amount of information upon which it is founded. The Navy League may keep the sea-conscious spirit alive in our people, it may obtain ships for Canada—mercantile and defensive; it may care for the sailor ashore and train our boys in seamanship—but it must in addition direct the opinions of our people along the lines of national and Empire thought, knowledge, duty and obligation.

Educational Work.

The League's educational work is two-fold—informative and educative—the first is the outward and visible form—the second is the inward national and Empire consciousness which alone makes the first possible or necessary. This brings us to membership. Ontario's position has improved and is sustained and earnest efforts is shown by all the divisions in the enrollment of members for the League—the membership to-day should be many more thousands, and with membership would have come a greater opportunity to educate as well as inform. The Sailor committee now meets every other week and supervises the coming issues, and this arrangement will afford increased opportunity for the co-ordination of educational activities. All divisions are earnestly requested to co-operate and have all material in for the consideration of this committee by the first of each month, for the next month's issue.

Loyalty, honor, justice and freedom are threatened everywhere every day. The term "A Navy League Man" or "Navy League Woman" could in a very short time become synonymous with a "right thinking man" or a "right thinking woman" in every department of Canadian and Empire life.

Our Sea Cadet Corps—a sea life—with all its means of adventure, romance, physical and intellectual development is a great experience for Canadian boys, and the moral advantage of training our youth in British traditions of the sea is beyond all calculation. The Navy League of Canada in no way departs from its original position as to Empire naval defence and requirements—but this does not mean that the League proposes to preach navalism or what some term militarism in any improper sense.

But it does mean that we stand four-square for adequate defense of our trade routes—opposition on a financial or economic basis is not sound—in Government or people. A nation which would not spend an amount of money, yearly, equal to what it spends weekly on motion pictures, is not likely nor worthy to endure—if this is done with knowledge of the situation and its needs; but education is salvation—therefore, the Navy League must preach and teach the gospel of Empire security through preparedness from coast to coast, with tact and courtesy and if this is done—as it will be done—by all the division the people will respond. For the Navy League believes that Canada when aware of all the facts will not fail to do her duty as a unit of the British Empire.

Man and woman we believe never more ready for such a story brings—than they are now.—It is because I believe this as President I say "Education and Publicity are vital if the Navy League is to succeed in its objects." The lessons of sea power are unmistakable. The story cannot be told too often nor too well, for the subject in material and application is inexhaustible and its power of appeal irresistible. See to it that your representative in Ottawa knows that you are behind him on any sane policy of preparedness through sea power, even to being fully prepared.

PLANS UNDER WAY FOR G.W.V.A. CAMP

For the Under-Privileged Boys—Members Pleased With Promises of Help.

A general meeting of the Kingston Branch, G.W.V.A. was held on Monday evening in the club rooms, Princess street. A fairly large attendance of members were present and much business of an interesting nature was disposed of. The treasurer, Comrade Connor, presented the auditor's statement for last year which showed the books of the association to be in a satisfactory condition.
Very interesting letters were read from two past presidents of the Association, Comrades Dr. Volume and D. N. McDonell. These two comrades although now located in distant parts of the globe, still retain their interest in the association and write at length on their activities in their new spheres.
There was considerable discussion regarding a proposal to make some alteration to the by-laws of the local branch but it was finally decided that the by-laws should be left untouched.
Plans are well under way for the camp for under-privileged boys which is to be held this summer. Within a week or so the boys will be gathered together so that they may receive preliminary instruction in camp discipline. The members are very pleased at the many promises of help which have been received in connection with the carrying out of this camp and they are hoping that at least twenty under-privileged boys may be given a real good outing.
Two new members were received and the membership continues to show steady increase.

Has Sent Some Antiques To the Kingston Y.M.C.A.

Mr. A. Deltor, Elm Tree, is the proud possessor of a collection of antiques. He has in his collection many old swords, guns, daggers, and many other things of historic interest. He also has a bracelet made of ivory which he claims he obtained from a harem woman from Turkey, who was visiting in England. Mr. Deltor has sent some of the collection to the local Y.M.C.A. where they will be exhibited shortly.
