

Let Tanlac restore your health

If your body is all fagged-out and run-down, if you are losing weight steadily, lack appetite, have no strength or energy—why not let Tanlac help you back to health and strength!

So many millions have been benefited by the Tanlac treatment, so many thousands have written to testify to that effect that it's sheer folly not to make the test.

Tanlac, you know, is a great natural tonic and builder, a compound, after the famous Tanlac formula, of roots, barks and herbs. It purges the blood stream, revitalizes the digestive organs and enables the sickly body to regain its vanished weight.

You don't need to wait long to get results. Tanlac goes right to the seat of trouble. In a day or so you note a vast difference in your condition. You have more appetite, sleep better at night and the color begins to creep back into your washed-out cheeks.

Don't put-off taking Tanlac another precious day. Step into

TANLAC FOR YOUR HEALTH

Tanlac Restored Her Health

"Typhoid fever reduced me to 95 lbs. and left me weak as a rag. Failing to get relief from other sources I tried Tanlac and after 6 bottles had gained 20 lbs. Now I enjoy a fine appetite and feel like a new woman. As a nurse I give Tanlac to all my patients."

Barrett Roofs— and "Life Insurance"

Over the necessary number of plies of felt and pitch in a Barrett Roof comes the heavy top-coat of pitch. Then comes the wearing-surface of firmly imbedded slag or gravel. Burning brands fall harmlessly on this wearing surface.

As for the "life insurance" of Barrett Pitch and Felt Roofs—

Records show that many roofs of this type, built 40 or more years ago, are still in good condition.

When we lay a Barrett Pitch and Felt Roof every detail of construction is directed by our experienced foremen. When the job is done you can forget that roof—it's off your mind for good and all.

Come in and talk over your roof problem.

NO SOUND LOST OR DIFFUSED

"The most efficient loud speaker." is the claim made for this new appliance designed by Chester W. Rice and Edward W. Kellogg at the General Electric Laboratories in Schenectady, N.Y. The unit contains an amplifier, besides a new type of loud speaker, all of which works from house current. Kellogg, at left, and Rice are shown adjusting the loud speaker with the rest of the unit behind them.

PICTON'S CELEBRATION.

Horse Races And Other Live Features on Monday.

Picton, May 27.—Over thirty horses were entered for the races on the Picton track on Monday, the largest field that this town has ever had. They came from Penetanguishene, Belleville, Kingston, Odessa, Napanee, Trenton, Peterboro, Harlock and Toronto. The largest purse was \$400. The race committee, Dr. E. M. Herrington, S. A. Welbanks, Arthur Wright and Mordon Gilbert were very busy men. Mr. Jess Johnson of Adolphustown was the official starter and gave entire satisfaction all round. There was a very fine exhibition of pony riders in front of the grand stand and the Collegiate Cadets gave an exhibition drill which certainly reflected great credit on their instructor and the Collegiate Institute. Hastings and Prince Edward Regimental Band was in attendance and gave some stirring music through the afternoon. The dance in the armouries at night was very largely attended and proved to be one of the most brilliant of the season, coming as it did after a between season lull.
