BEBE WAR ENTERTAINER

IN "THE CROWDED HOUR."

Newspaper Fun Reaches the Screen at the Capitol.

In "The Crowded Hour," her latest picture as a Paramount star, Bebe Daniels has the role of a telephone operator in a New York hotel, who through an amateur performance on the Bowery, is brought to the attention of a prominent Broadway theatrical producer, becomes the hit of the "Follies" and then, upon America's entry into the World War, goes overseas with the boys as a "crowded hour" entertainer.

"The Crowded Hour" was adapted to the screen by John Russell from the Jane Cowl stage success by Channing Pollock and Edgar Selwyn. It's a romantic thriller with Kenneth Harlan, T. Roy Barnes, Helen Lee Worthing and others playing in support of the star.

The picture is not all war stuff, though that part of the production is said to far surpass anything of the kind ever before attempted for the screen and carries with it war after war for audiences. There is plenty of New York atmosphere—the Bowery, the flaming forties of Broadway, Park avenue wealth and Seventh avenue delicatessen stores. There's comedy, too. Everyone who has seen "Miss Bluebeard" knows what to expect of Bebe and Barnes at an amateur performance on the Bowery in "get-ups" more eccentric than Fanny Brice's ever dreamed of.

"The Daily British Whig Newspaper Fun," is to appear at the Capitol Theatre, Wednesday and Thursday of each week. This will be good news to the followers of this column of fun, which has been one of the daily features in the Whig for some time, and which has attracted a great deal of attention.

Everybody likes to read the funny column in a newspaper, and the funny bits put on the screen in the theatres are always gladly welcomed. The latest feature at this popular theatre will be awaited with keen interest.

Is Auto Victim

Ross Jackson?

Son of Mr. And Mrs. John Jackson, Kingston--Killed In New Westminster.

A despatch from Westminster, B. C., says that papers found on the body of Ross Swayne, an auto stunt victim killed there on Monday in attempting his feat, included two time sheets made out to Ross Jackson, Sturgeon Falls, Ont., as well as an address, 441 Alfred street, Kingston, and an unfinished letter to his mother.

Enquiries made by the Whig show that Mr. and Mrs. John Jackson, who live at 441 Alfred street, near the fair grounds gate, had received no word of any accident, though their eldest son, Ross, was engaged in auto stunts, according to a letter received last week, which stated that he was to receive \$300 for a stunt to be performed at New Westminster last Friday forenoon. The act described in his letter answers that in the press despatch, being a long jump of 44 feet from an inclined platform 6 1/2 feet high. According to the despatch the car lurched, struck on its nose and crumpled up a total wreck.

Ross left Kingston eighteen months ago on a boat, and spent last summer in the taxi business in North Bay, going to Westminster last March. He was formerly engaged in the Blue Garages, and was fond of stunt work, one being a wire balancing act given here and at Collin's Bay. His brother, George, was killed in May, 1924, when struck by a car on Alfred street near his home. There were fifteen children in his family, six of whom are deceased.

Only clean humor, without any offence to any race or religion are contained in Newspaper Fun. The editors who have charge of it king up this short subject, insist that every joke must be a laugh getting piece of humor and they also taboo any joke that has the slightest double meaning or that might offend some person because of a slam at religion or race. Received Reports From the Delegates to Conventions.

The programme for Chalmers W. M. S. meeting on Wednesday afternoon, included the reports from the delegates to the Provincial and Presbyterian.

Mrs. Geo. A. Brown, who attended the meeting of the Provincial held in London, Ont., in May, gave a most comprehensive report of the proceedings, dwelling particularly on the fact that progress had been made in all departments.

Mrs. T. H. Stewart, who was the delegate to the Presbyterian W. M. S. held in Belleville, May 21st and 22nd gave an excellent account of the meetings there. The reports from the various secretaries showed the same optimistic spirit which had been so noticeable at the Provincial held two weeks previously. Success had marked their efforts and progress had been made in every line.

The devotional exercises were taken by Mrs. Snelling and during the meeting, Mrs. S. E. Revell sang "The New Kingdom," Miss Marion McFadden acting as accompanist.

This will be the last meeting of the Society until after the summer vacation.

Mrs. J. M. Macalister tendered her resignation as vice-president, as she is leaving the city for Winnipeg in the near future. Much regret was expressed by the members as Mrs. Macalister has been long a most faithful and valued member of the Society.
