Mrs. C. Martin, R.R. No. 1, Orillia, Ont., writes: "I have been troubled with my heart for a long time and very often had bad spells with it. News From District Places

ENCOURAGING REPORTS OF WORK OF THE YEAR

Were Presented at Convention of South Addington District of Women's Institute.

The first annual convention for South Addington district of the Women's Institute met at Tamworth on Wednesday morning, June 10th at 9.30 o'clock. The president, Mrs. Piper, of Tamworth, presided at both sessions.

The morning session opened with the Opening Ode, followed by community singing, "O, Canada" and "The Long, Long Trail." An address of welcome was given by Miss Hattie Reid, in which she emphasized the good qualities and the benefits derived from attending the Women's Institute meetings.

Mrs. Mellon, of Enterprise, very fittingly replied to this address and thanked the ladies of Tamworth for the invitation to hold the convention in their town. This was followed by a few appropriate remarks from the president, Mrs. Piper.

A few minutes were again spent in community singing, "The Maple Leaf" and "Carry Me Back to Old Virginia." The reading of the minutes of the last meeting and the reports from the different branch secretaries were very interesting and encouraging.

The president's report of the last year's work was so satisfactory that she was again elected president for another year.

The election of officers was the next order of business and resulted as follows:

President, Mrs. Piper, Tamworth; 1st vice-president, Mrs. W. Jackson, Colebrook; 2nd vice-president, Mrs. Teskey, Crocyden; secretary-treasurer, Mrs. C. W. Amey, Moscow; auditors, Mrs. Oliver and Mrs. Carscallen, Enterprise; press reporter, Mrs. A. E. Huffman, Moscow.

Following the election of officers, the ladies of Tamworth served a very sumptuous dinner, which received full justice. The meeting adjourned until 1.30 p.m.

At the afternoon session the following programme was rendered: Opening chorus, "A Song For All the Britons," by Enterprise Women's Institute; paper, Summary of Women's Institutes for the last twenty-five years, by Mrs. Lyall Milspaw, Moscow; dust, "A Promise," Mr. and Mrs. McCallum, Tamworth; dust, "Lullaby," Mrs. W. Shingraw and Miss Doris Asselstine, Moscow; demonstration of making an apron, Mrs. McCallum, Tamworth; paper, "Hygiene of Cheerfulness," Mrs. S. Bell, Enterprise; violin solo, Miss Helen York, Tamworth; demonstration, footie stockings, Mrs. S. Close, Crocyden; address by Mr. Geo. A. Putman, Toronto.

Mr. Putman arrived a little late, and attributed it to the fact that he was a very busy man, having 33,000 women to please. He gave a brief survey of the work of Women's Institutes and advised each branch to consider the work and needs of their own community. He referred to the Institute as a school for grown-ups, where women exchange ideas, passing to each other any valuable information for the benefit of home makers.

The Institutes should be an educational force, never getting above the discussion of home problems and social activities. Mr. Putman closed by saying it was a delight for him to attend this convention, it being the first held in this district.

Mr. Lawland, the local representative of Napanea, made a few remarks and offered advice on agricultural subjects at any time. A vote of thanks was tendered Mr. Putman and those who furnished papers and music also to the ladies of Tamworth for the excellent manner in which they entertained their guests.

The Women's Institute of Moscow is to hold a basket picnic on June 25th at Camp Killarney, Varty Lake, for the purpose of entertaining Miss E. M. Collins, their summer lecturer. Several neighboring branches have been invited to bring their baskets and enjoy a fine outing. The lecture is at 2 p.m. Follow the finger boards, "Camp Killarney," Varty Lake.
