At the Fair Grounds on Monday—The Sparks Circus is a Splendid Show.

Enjoyed Its Meeting in Picton And the Luncheon at Castle Inn.

The Sparks circus played to two appreciative audiences at the fair grounds on Monday. At the afternoon performance practically every seat in the large tent was filled, and in the evening although there was rain, the attendance was very large. Every person who was privileged to see the performance went home satisfied that it was one of the best exhibitions they had witnessed in a long time.

Picton, June 16.—The Bay of Quinte Press Association was well represented at their meeting in Picton on Friday afternoon. After the meeting the members were treated to a drive to some of the beauty spots of the county, after which a luncheon was given in their honor at Castle Inn, when a large number of the business and professional men of the town played the part of hosts. Community singing and speeches were indulged in and a very jolly time spent. The press men expressed themselves as being delighted with the beauty of the town and county.

The parade in the morning was spick and span. There was a fine display of horses and all those taking part presented a very fine appearance.

Dr. D. M. and Mrs. Campbell of Toronto came to town for the funeral of Mrs. Campbell's grandmother, Mrs. Jackson.

As a feature act the circus opened with L'Ora The Jungle Queen, featuring Vera Earle, prima donna and a cast of three hundred human and animal actors, including premier dancers. There were a number of weird musicians gaily bedecked in gorgeous blankets and trappings.

The local regimental band played on Friday evening on the court house lawn to a large and appreciative audience.

Steve Batty and his lions gave a very fine exhibition. One of the lions was rather cross on Monday evening and succeeded in breaking the spear which Steve Batty carried in his hand, as well as a chair, which was broken up into kindling wood. A large group of polar bears, trained by Franz Woskes, gave a wonderful exhibition. The trained elephants, which were handled by a number of ladies, gave an exhibition which was much appreciated.

Mrs. S. McBurrey of Toronto is visiting friends in town. Miss Norma Crawford is in attendance at the summer art school at Port Hope.

Prof. Kloske, with a troupe of sixteen trained horses, gave one of the greatest acts which has been seen in Kingston in years. The horses, which carried numbers on their sides, were all mixed up, and one word from the trainer resulted in the horses getting back in the proper order. The dancing horses were also very fine, and clearly showed what can be done by the trainers.

J. P. Williams has returned from a business trip to Toronto. Inspector F. P. Smith has presented a twelve-foot Union Jack to the Wellington Consolidated school.

Micahus, the Brazilian lady wire artist, did stunts that have not been seen in Kingston before. Without the assistance of a parasol or balancing pole, she did stunts which seemed almost impossible.

Mrs. Michael Tierney has come from Toronto for a visit of several weeks with Capt. and Mrs. P. McManus, Church street, and other friends.

A number of Japanese artists did some stunts in the air that were marvellous. The act in which one of the Japs walked up-stairs on his head was loudly applauded.

Mr. and Mrs. R. Pake came from Toronto for the funeral of Mrs. Pake's father, the late William Batton.

The English fox hunting act, which was the closing number, was exceptionally fine. The horses did some great dancing. One horse without a rider took a jump which looked almost impossible.

Harry Gorman of Rome, N.Y., has returned home after a pleasant visit with his parents here. His father, W. H. Gorman, accompanied him home for a short stay.

The circus left Kingston at midnight for Smith's Falls where it will show on Tuesday and will then move to North Bay where a performance will be given on June 18th. The circus will be at Cobalt on June 19th and Timmins on June 20th.

Mrs. W. S. Blakely entertained most delightfully at Castle Inn one day recently.

Very surprisingly did the news spread on Monday evening of the death of Mrs. T. C. Maguire, Carleton Place. Mrs. Maguire had not for some time been in the best of health. She suffered from an affection of the heart.

Mr. and Mrs. Seidemann left yesterday for their home in Springfield, Ohio, after spending a fortnight with Mrs. Seidemann's parents, Mr. and Mrs. (Capt.) Heffernan, Bridge street.

Picton friends are interested in the announcement of the coming marriage of Miss Thelma Clark, only daughter of Mr. and Mrs. Perry Clark to Dr. Harry James McLellan, of Mount Bridges.

Mrs. J. Kearney and children of Oshawa are guests of Mrs. M. Jamieson, Mary street.

Mrs. Paul Clark has arrived from St. Louis to spend the summer with friends in town and county. She is at present the guest of Mrs. Albert Collier.

Mr. and Mrs. Gerald Martin, Toronto, are guests of the former's father and sister, Mr. F. W. Martin, and Miss Nellie Martin, Main street east.

The corner stone of the new Holy Trinity church, Pembroke, will be laid on June 30th. Bishop Roper, Ottawa, will officiate.

EACH TOOTH A \$5,000 PEARL.
Five thousand dollars each. That's what Ruth Gillette, Broadway star, collects from an insurance company for every broken or damaged pearly tooth. And just to show the insurance company how foolish it was to write such a policy, the fair Ruth is going to present it with a bill for \$5,000 for one pearl broken on a piece of ice in a glass of lemonade. At least that's what Ruth says she's going to do, and after looking at Ruth, who could doubt her? The arrow points to the broken tooth.
