It's Your Opportunity
We're meeting conditions squarely. Our stock of men's and boys' suits is much in excess of this time last year. That's good for you; it gives you greatest selection. It's bad for us. It means greater clearance effort, putting on our semi-annual 25 p.c. discount sale much earlier than former years. Hence you not only get better choice, but by the same token deeper reductions than normal conditions would justify. Mothers, take advantage of this to buy your boy's suit and save one-fifth of purchase price. See Livingston's ad. on last page.

The Worthy Matron, Mrs. Myrtle Spafford, then presented Mrs. Rothwell with a lovely sandwich server on behalf of the officers and members. Dainty refreshments were served, and several speeches delivered. About forty were present from Frontenac Chapter, Kingston.
