Mrs. Wm. Bourque, Fox Creek, N. B., writes:—"I have been troubled with my liver for a long time, and was so bad I could not do any work. I had severe pains in my stomach that were so bad, at times, I could hardly stand them. My tongue became coated; I had a bad taste in my mouth, especially in the morning; the whites of my eyes were tinged with yellow and I had a muddy and yellow complexion. I had read a great deal about
