THE GATES HERE FOR OLD BOYS' REUNION

The Five Men Motored All the Way From Los Angeles, California.

The Gates have arrived for the Old Boys' Reunion. George A. Gates, accompanied by his brother, Joseph W. Gates, and H. V. Clegg, nephew of George Vanhorn, arrived here on the evening of June 28th, after having driven the entire distance from Los Angeles, Cal. They left there on June 15th and made from 200 to 300 miles per day. They spent two days in Cleveland. Joseph W. Gates was owner and driver of the automobile. They are sons of Mr. and Mrs. W. J. Gates, Alfred street, and are well and favorably known by many Kingstonians.

J. W. Gates has been away from Kingston for thirty years, and George has been away twenty-five years. The latter was at one time an employee of the Whig office, and manager of the job department for several years. Both the visitors are anticipating a delightful reunion with the old boys during the first week in August. They are enthusiastic over their native city and are meeting many old friends, who are greeting them very warmly, as they were beloved in their boyhood days by many residents.

J. W. Gates lived for a number of years in Winnipeg, carrying on a decorating business, but later moved to Los Angeles, where he was joined by his brother, George. Mrs. J. W. Gates and Mrs. Clegg are coming on by train and will arrive here in the course of a few weeks. The men are brothers of Mrs. Neil McCaig, Johnson street. Mrs. McCaig is entertaining her sister-in-law, Mrs. W. G. Gates, Oswego, N. Y., who is here with several of her grandchildren to meet her brothers, and are leaving tomorrow for Niagara Falls on their way home.

Mr. George Gates says the roads are excellent all across the continent, save in Missouri, where he had to make a number of detours. He has only one objection to the Canadian regulations, and that is the speed limit is cut to twenty-five miles an hour. All through the States, the speed allowed is from thirty-five to forty miles, which means that he can travel fifty miles an hour. He points out that the responsibility for accidents rests with the owners and he thinks that Ontario could fairly well comply with the system in the States. He was greatly pleased with the progress Kingston has made, and is looking forward to a most delightful time during his stay in the city. He has a good word to say of the Whig. He found it the best of all Canadian papers he subscribed for. It gave the world's news in a comprehensive way and he got more information from the Whig's front page than he did from any other source. Its editorials, too, he said, were admirable and informative.

Presentation to Pastor.

Gananoque, June 29.—On Friday evening, the 28th inst., the congregation of St. Lawrence United church gathered at the home of Mr. and Mrs. Robert Barclay to bid farewell to the pastor, Rev. Dr. Cooper and his family, before they left for their new field. A pleasant evening was spent by all present towards the close of which a very appreciative address was read by Mrs. Robert Barclay. A presentation of a beautiful electric lamp was made by Mrs. Harvey Scott. Miss Mabel Spence, charmingly gowned in white satin, also presented a beautiful bouquet of flowers. Dr. Cooper replied in a very fitting manner, expressing his gratitude, not only for the gift but for the many kindnesses shown him and his family during his pastorate of two years, in which many warm friendships were made. He and Mrs. Cooper and Maude leave with the best wishes of the whole community for success in their new charge at Cataract.

A dainty lunch was served at the close of the evening.

Stick To Union Jack.

Perth Road, June 29.—At a largely attended meeting of the L.O.L. No. 1042 of Perth Road, on Thursday night last, it was unanimously resolved by a standing vote:

"That we place ourselves on record as being absolutely opposed to any change being made in the Union Jack which already is the officially recognized national flag of Canada. We would most decidedly recommend all those who do not care to live under Britain's flag of freedom to get out and go where they like, but to leave our empire's emblem of Britain's sacrifices alone."

A Gift To Athens School.

The Athens high school has been presented by the Hon. W. F. Nickle, K.C., attorney-general for Ontario, with the engraved silver trowel, beautifully mounted on an ebony slab, used by him when laying the corner-stone of the new high school building on the 13th of June, 1924. Needless to say the gift is much appreciated and a highly prized addition to the school's memento collection.

Not Connected With It.

A rumor about town connected Mr. James A. Richardson with a proposed new hotel in Kingston. Mr. Richardson said he did not know anything about it when interviewed by the Whig on Monday.

Come to the Oddfellows' picnic, July 1st, at Brophy's Point. Movement for a new Protestant church was launched by modernists at Columbus, Ohio, convention.

OUTLINES THE PLAN FOR NEW HOTEL HERE

Several Pieces of Property Are Under Consideration by Aurora, N.Y., Company.

Mr. P. L. English, of the Hotels English, Inc., Aurora, N.Y., who was in the city on Monday, outlined his plans for a half-million dollar hotel in Kingston to a Whig representative.

He explained that his company does not operate hotels. It undertakes to choose the site, finance and build, and then leases the furnished building to a company of operators. It is really a financing company for the real estate and the construction, and its interests in the completed building are carried no further than the rentals on the hotel, and the holding of fifty-one per cent of the common stock for control purposes. The company attempts as much financing by local subscription as possible, but if there is too much opposition it can call on the Niagara Bond and Mortgage Company, of Buffalo, N.Y., which will loan up to eighty per cent of the value for the financing of the hotel.

Regarding the Kingston project, Mr. English said his company had several pieces of property here under consideration, and purchase seemed likely in the course of a week or so, the cost probably being about \$20,000. Local subscriptions amounted at present to \$62,000. He showed the Whig the architect's plans for the hotel. It is to be a six-storey structure. The basement will have bowling alleys, billiard parlors and barber shop. The main floor will have four stores, one a first-class restaurant operated by the hotel, also a lobby, large dining room, service passage way and kitchen. The second floor will have lobby and apartments. The last four storeys will be given over to rooms, each with bath and an outside exposure. The cost is estimated at \$40 per cubic foot.

Mr. English said the Syracuse hotel, Syracuse, represented the work of his company, and he showed newspaper accounts of a four-storey hotel which they have planned for East Aurora, N.Y.

Mayor Angrove and City Clerk Sands state that no communication has been received by the city in regard to the above hotel proposition.

THE LATE RICHARD SEATON.

Funeral Took Place To St. Mary's Cathedral Tuesday Morning.

The funeral of the late Richard Seaton took place Tuesday morning from his late residence, 14 Rideau street, to St. Mary's cathedral, where a solemn requiem mass was sung at nine o'clock for the happy repose of his soul. The funeral mass was attended by friends of the deceased. The pall-bearers were J. Sowards, S. Murray, P. Corrigan, E. Murray, P. Kane, J. O. Lawrence.
