## THE FUN SHOP

NEWSPAPER FUN  
 By  
 Maxson Foxhall Judell

**You Tell 'Em!**  
 When we read of a shortage in gas  
 or in glue,  
 We're still in the dark as to  
 whether it's true,  
 But we know there's a shortage in  
 figures of speech  
 To fitly describe those we see on  
 the beach!

**Not At Flood Stage.**  
 Bert: "What is a sinking fund?"  
 Tom: "My bank account."

**Poor Crop.**  
 Lucas: "Was your flower garden a  
 success?"  
 Youngs: "Hardly. You see, I fed  
 the flower seed to the canary by mis-  
 take and planted the bird seed."  
 —Victor Jephson.

**Meows From The—**  
 My sister was entertaining her  
 "beau" the other night in the  
 "mush" room.  
 My little sister wanted to take a  
 peek—and mother remonstrated.  
 Just then the family cat walked  
 into the parlor, looked at the loving  
 pair, and came out again.  
 "See," said mother by way of ex-  
 ample. "See—the cat knows when  
 it's not wanted."  
 "Yes," said sister, "but it got a  
 look anyway."  
 —H. Dixon.

### HINTS FOR THE JUNE BRIDE.

How To Cook a Wonderful Dinner.

**The Soup:** Take a spacious alum-  
 inum pot. Pour four cups of water  
 into it, and light the gas under it.  
 Take three soft tomatoes and, as the  
 water boils, gently squeeze their  
 juice into the pot. Empty one bot-  
 tle of thick cream into the water,  
 stirring slowly all the time. Then  
 go to the grocer, buy one can of to-  
 mato soup, open the can and serve  
 for two.

**The Roast:** Take some beef from  
 the joint. Any joint will do, pro-  
 vided it sells meats. Light the oven-  
 gas. Sprinkle one can of salt spar-  
 ingly on the beef. Follow with two  
 cans of paprika. Place in the oven  
 and allow it to bake for one hour.  
 Meanwhile, go to the delicatessen,  
 buy four slices of roast beef and  
 some potato salad, and serve for two.

**The Dessert:** Most men like stewed  
 fruits; especially stewed peaches  
 at night. Take one dozen peaches.  
 Pare the skin and the superfluous  
 flesh to within one-half inch of the  
 center. Then take a pot and into it  
 pour one quart of your husband's  
 best Three Star, together with one  
 pint of his Black and White. In this  
 solution place the peaches; in such  
 mixed drink, they should be stewed  
 in 15 minutes. Meanwhile you  
 should go to the grocer, buy a can  
 of peaches, open the can and serve  
 for two.

**Not In The Air.**  
 Pullman Foreman: "Mose, in the  
 march of progress we have come to  
 the time where we will be needing  
 porters for the Flying Express. Can  
 I put your name down for one of the  
 new jobs?"  
 Porter: "No, sah, Boss. Ah don't  
 mind runnin' over de railroad at 60  
 miles an hour but in de air! No  
 sah, Boss. Jus' imagine 5,000 feet  
 in de air an' wrecked, with every-  
 body on board calling for de pot'er  
 to get their parachute."  
 —J. S. Hetrick.

## Y.M.C.A. BOYS' CAMP NAMED KOOCHPURWANI

Opened Monday on Eagle Lake  
 —Boys Are Divided into  
 Indian Tribes.

At the meeting of Camp Kooch-  
 purwani leaders held at the Y.M.C.A.  
 last week the finishing touches were  
 given to the arrangements for the  
 camp which commences on Eagle  
 Lake to-day. An advance party left  
 Saturday for the camp site which  
 will get up tents and make other ar-  
 rangements for the campers before  
 they arrive. Supplies are being shipped  
 in advance and it takes a goodly  
 quantity to feed a lot of hungry boys.  
 The boys will be divided into In-  
 dian "tribes" each with its own In-  
 dian chief and totem pole in front  
 of tent. An "honor system" will be  
 in vogue and points will be awarded  
 to boys daily for participation in  
 the camp programme. Tribes will  
 compete against each other for the  
 "honor token," a large leather ban-  
 ner. Each of the leaders will have  
 Indian names and an Indian name  
 will be conferred on any boy who  
 distinguishes himself during the  
 camp. A camp pow-wow will be held  
 nightly around the camp fire and  
 the council ring will meet every  
 morning for conference.  
 At last night's meeting the follow-  
 ing appointments were made: Camp  
 "chief," M. W. Harlow, general sec-  
 retary Y.M.C.A.; department of  
 moral and religious instruction, Rev.  
 J. K. Curtis, pastor Princess street  
 church; department of health and in-  
 struction, C. O. Chamberlain, phys-  
 ical director Y.M.C.A.; commissariat  
 and entertainment departments, Mr.  
 M. W. Harlow; camp cook, George  
 Muller.

Instruction in woodcraft, scouting  
 and Tuxis work will be given in the  
 mornings while the afternoons will  
 be largely occupied with competitive  
 games, swimming, boating, etc.  
 Three boats have been purchased  
 and shipped to the camp and will be  
 available when the boys arrive. The  
 evening programme will be held  
 around the camp-fire with plenty of  
 singing as well as stories and stunts.  
 A camp field day and an aquatic day  
 are two events which are attracting a  
 lot of attention. The field day will  
 probably be held on Saturday, July  
 11th, which is visitors' day when  
 parents and friends of the boys will  
 be welcomed.

The camp is open to any boy in  
 the city over ten years of age. Ap-  
 plication should be made at once to  
 the Y.M.C.A. office. Parents are in-  
 vited to phone or call at the Y.M.C.A.  
 for any information regarding the  
 camp. The boys will gather at the  
 Y.M.C.A. building on Monday morn-  
 ing at 11 o'clock and leave on the  
 noon train for Parham. A special  
 return fare will be given those leav-  
 ing on Monday.

## The Work of the Eyes

The human eye is a miracle  
 of efficiency if normal. But it  
 is the cause of numberless un-  
 desirable conditions if abnor-  
 mal. And the sad truth is that  
 most eyes are abnormal to some  
 extent. Abnormal eyes mean  
 strained eyes, and strained  
 eyes mean headaches and a  
 dozen other troubles. Nothing  
 but Glasses can make abnormal  
 eyes function normally. Give  
 your eyes proper attention by  
 having them looked after here.
