SHRUBBERY AT R.M.C. DESTROYED BY CATTLE

About \$100 Damage Done at the Arch Entrance on Tuesday Night.

During Tuesday night damage to the extent of about one hundred dollars was done to the shrubs at the entrance to the Royal Military College grounds, near the causeway. As is well known, the Memorial Arch at the College entrance has been surrounded with beautiful shrubbery which has drawn the admiration of passers-by but when officials of the college went by the arch on Wednesday morning, they discovered that the shrubs had been destroyed by cattle wandering from the Barrfield commons. Naturally, the R.M.C. authorities are very much vexed over the matter and the time and energy spent in making the R.M.C. entrance a beauty spot has gone for naught.

Considerable trouble has been caused in the past by cattle roaming from the common onto the road and on property in the vicinity of the common, and it has been quite dangerous for motorists passing along this way. It is felt that steps should be taken to have this stopped and it has been suggested that the government fence in this property and not only derive a rental by doing so, but also prevent a repetition of such an occurrence as Tuesday night and do away with the danger to which passing motorists are subjected by cattle going out off the common to the road.

OBITUARY

Late Bessie P. Laird.
 On Monday evening of this week at the home of her brother, No. 20 Anworth Road, Westmount, death came with unexpected suddenness to Miss Bessie P. Laird of New York. Miss Laird was the eldest daughter of the late Rev. Robert Laird of Kingston and at one time lived with her family in this city and had in recent years practised the profession of nursing in New York. "She was a sister of the late Rev. Professor Alexander Laird of the Royal Military College, and is survived by five brothers and two sisters: Rev. Dr. Robert Laird of Toronto; G. C. Laird, National Cash Register Company, Montreal; D. H. Laird, K. C., Winnipeg; Mrs. Frank Yeigh, Toronto; W. L. Laird, Chicago; Miss Frances Laird, Toronto, and Rev. J. M. Laird, Melita, Man.

A funeral service will be conducted in Westmount on Thursday morning and interment will take place that afternoon at Cataract cemetery after the arrival of the Canadian National train from Montreal at 1.44 p.m. Rev. Dr. Macgillivray will conduct the funeral service here and the funeral will be under the direction of S. S. Corbett, undertaker.

Attracted Attention.
 Referring to the Orange celebration at the Watertown, N.Y., Times, says: A charming young woman named Miss Canada headed the Kingston delegation. She was dressed in red, white and blue and had a hat bearing the words, Miss Canada, across the front. The Kingston Boys' Fire and Drum corps marched ahead of the lodge members. The Prince of Wales band proceeded the Kingston Lodge No. 6. They proved to be the most popular band of the parade.

The band which caused the most comment was the Princess of Wales bag pipe band of Kingston. The drummer with the outfit attracted considerable attention by the manner in which he swung his drum sticks.

Calgary Herald's Special Edition.
 The Calgary Daily Herald has issued a special edition of twenty-eight pages which commemorates the coming of the North West Mounted Police to Calgary, this intrepid body of men having established a fort there in 1875. The Herald has also issued a special souvenir edition, in miniature size. The first page is a replica of the first issue of The Daily Herald, first published on July 2nd, 1885. The second page shows a picture of the first Herald building, a modest little shack. The next page has a picture of the modern Herald building, and on the back page there is a special reproduction of a front page of The Herald as it looks today.

Too Many Teachers.
 The London Advertiser expresses the opinion that there are too many teachers in the province. It is stated that there are 250 applications from qualified teachers, for positions on the London staff, and no vacancies. The Advertiser criticises the system which is continuing to turn out new teachers, when there are so many at present looking for jobs. It is only a few years ago when fear was being expressed that the teaching profession would disappear altogether, owing to the scarcity of teachers and the low salaries being paid. Salaries are better now, but not sufficiently large for the surplus of teachers.

Look Out For Thunderstorms.
 Light winds on a summer day, Wafting breezes, soft and gay. But when this perfect day is done Thunderstorms, they say, will come.

Kingston is on her good behavior this week. There was no session of the police court on Tuesday, and again on Wednesday there was a blank sheet.

At Camp Koochpurwani

The boys put on a real blackface minstrel show, much to the delight of the cottagers in the neighborhood. The first part of the programme consisted of "stunts" by the different tribes, the largest number of points going to the tribe receiving the most applause from the audience. The Omahas, under Chief Pocohontas (Rev. J. K. Curtis), won this competition, with the three comic songs which they had rendered. The Mohawks came second with a swimming stunt, in which their chief, Lone Wolf (Mr. C. O. Chamberlain),

came in for a real ducking. For the second part of the programme, the boys blackened up and the four and- men, "Bones," "Jeb," "Sambo" and "Rastus," uncorked some jokes, both old and new, which caused much amusement.

The aquatic meet, which was held Saturday afternoon, brought out quite a few visitors to the camp. Some splendid swimming races, boat races and other aquatic events were carried out. The long distance swim, which consisted of a swim to an island over 100 yards from the camp wharf and back, was won by Edgar Dennison. Earl Allan secured second and H. Putnam third. The back stroke race was won by Earl Allan; 2nd, E. Dennison; 3rd, H. Anglin. Winners of the other events were as follows: Tiltling, 1st, Allan and Timmerman; 2nd, Anglin and Putnam. Swimming under water, 1st, E. Dennison; 2nd, Allan; 3rd, Putnam. Rowing race, 1st, Allan; 2nd, Timmerman; 3rd, Singleton. Boat tug-o-war, 1st, Newman and Putnam; 2nd, Allan and Timmerman. Ob-stable race, 1st, Dennison; 2nd, Anglin; 3rd, Putnam. Juniors' race, 1st, Budros; 2nd, Turner; 3rd, Chandler. In the meet, the Omahas won first place, the Mohawks second and the Troquois third.

On Sunday morning a song service and Bible study period was held. In the evening the camp joined with the cottagers in a service, conducted by Rev. M. Moyses, of the United Church. Afterwards, around the camp fire, hymns were sung and a story of India was told by the camp chief.

Continued fine weather has made ideal conditions for the camp. The boys are all getting well tanned and have appetites that cause no little worry in the commissariat department. Two new arrivals, Roscoe Arnel and Benny Armack, were welcomed into camp on Monday. Several Kingston friends motored out on Sunday and Saturday and it is expected that a goodly number will be able to come out to see the camp and witness the sports on Wednesday afternoon. If motoring, visitors should come to Farham and turn off to the left at the sign marked "Eagle Lake Summer Resort and Y.M.C.A. Camp." Boats will be available to take all visitors across the bay to the camp site. Members of the Rotary and Kiwanis Clubs, both of which organizations have helped in sending boys out to the Y.M.C.A. camp this year, will be specially welcome on Wednesday, Visitors' Day.

The weekly luncheon of the Kingston Rotary Club will be held in the British-American hotel on Friday at 12.30 o'clock. Mayor Angrove and T. M. Asselstine will be the speakers.

Burial at Peterboro Of Late Dr. Torrance

The funeral of the late Rev. Dr. Edward Fraser Torrance took place at Peterboro on Wednesday, and was very largely attended. The service was held in St. Paul's church, of which the deceased was pastor for thirty-one years. Rev. D. A. Thompson, Hastings, officiated. Interment was made at Little Lake cemetery. The remains of the late Rev. Dr. Torrance arrived in Peterboro, from Kingston at 5.30 p.m. Tuesday, and were conveyed to St. Paul's church where they remained until the time for the service.

Charge Was Dismissed.
 The man who was arrested at Harrowsmith on the twelfth of July, with four bottles of home-made liquor, was dismissed by Magistrate J. W. Bradshaw on Tuesday afternoon. The charge laid against him was of having liquor for sale, not for having liquor in other than a private dwelling place, and the magistrate did not think there was enough proof to convict him for selling intoxicants. Witnesses for the defence said the bottles were for a fishing excursion. The charge of selling was not laid. W. H. Herring-ton acted for the accused.
