

An Ad-Message Is Well Told When It Tells All The Facts Of A Proposition

Don't Say "Lost"—Say 243
Nothing is lost until after it's been advertised for in the Whig's Lost and Found column.

Canada's Story Day by Day
On July 18th, 1820, Captain John Franklin, the celebrated explorer, set out from Fort Chipewyan, at the western extremity of Lake Athabasca, to investigate the Arctic coast, east of the Coppermine, and to take scientific and meteorological observations, observe the dip and variations of the needle; and study the curious phenomenon of the aurora borealis.
