**GARDEN PARTY HELD  
 CHURCH GOOD THIEF**

Event on Wednesday Was One of the Most Successful of the Season.

The dark clouds of Wednesday morning indeed turned their silver lining on the beautiful grounds which surround the Church of the Good Thief, Portsmouth, which, with its decorations of flags and bunting, presented a most attractive and inviting appearance to the many visitors who attended on Wednesday afternoon and evening what is considered one of the most successful garden parties held this season. Rev. Dr. Kingsley and his staff of earnest and efficient workers are deserving of the highest praise for their efforts and it is a source of pleasure to everyone that they were so well rewarded for the time and energy spent in the cause of providing food and fuel for the poor.

Shortly after 2 o'clock in the afternoon, the garden party was thrown open to visitors and from then until midnight there was much to attract those in attendance. Races of all kinds, the different booths, the pleasant grounds, the meeting of friends, etc., all helped to while away pleasant hours as the guests of the good Portsmouth people, and at the same time enabled the visitors to assist in the very worthy cause for which the affair was held. There was much for the visitor to see, and there is little doubt that those in attendance enjoyed the afternoon and evening thoroughly.

Tea was served to a great many people on the grounds and it is expected that a good sum will be realized from this source alone. The ice-cream, soft drink and all other booths did big business and it is thought that when the amount made is announced, that it will surprise a great many.

In the evening a dance was held in the new parish hall and a very large number from Portsmouth and Kingston were in attendance. Dances of the old school and the new were indulged in and a fine programme of music was rendered by Shea's orchestra. The new parish hall is ideal for an affair of this kind, a new wing having been added to the school house a short time ago. An excellent floor has been put down and the parishioners of the Church of the Good Thief have every reason to be proud of their fine parish hall.

**Those in Charge.**  
 The following is a list of those in charge of the different departments of the lawn social, who worked so hard to make the affair the success that it was, the first mentioned being the chairman of the committee:
