Thomas W. Thompson, aged 28 years.

IN MEMORIAM. In fend and loving memory of my feer husband and father, William Thomas Jackson, who departed this life fifteen years ago to-day, July 23rd,

Oft, we wander to the graveyard, Flowers to plant with tender care, On the grave of my dear husband and Darkness finds us weeping there.

Looking at the sky above us. Watting for the heavenly dawn. That is where my dear husband and father is sleeping. In the cold and silent ground. Sadly missed by wife and daughter

IN MEMORIAM. In loving memory of Mrs. W. R. Allan, who died July 23rd, 1924.

One year has passed since that sad When the one we loved was called Jod took her home; it was His will, But in our hearts she liveth still. One of the best that God could send, raithful, now mourned by her friends, Forget her? No, as time goes on we miss her more, Her loving smile, her welcome voice; No one can fill her place. fer memory is as fresh to-day.

## At The Other End Of The Wire

Courtesy is the one stock that all businesses have to carry. You'll find that the Whig's Classified Department has plenty of it on hand.

The ad. taker who will answer your call has been trained to help you with the wording of your advertisement-for a cook, or a house for rent, or of some furniture for sale. She may suggest a change here and there-you may have put in a fact that is unnecessary or left out one that should be included. But you will never be allowed to lose sight of the

fact that she is there to make it easier for you to get the most satisfactory results from your ad. in the shortest possible time. That's the business of Whig ad takers! We know that pleasant service goes twice as far as just plain service. We know that you appreciate the value of a voice with a smile. We know that you like to

deal with agreeable people. Next time you have a job that a little ad. can docall 243 and ask for an ad. taker.
