The Work of the Eyes

The human eye is a miracle of efficiency if normal. But it is the cause of numberless undesirable conditions if abnormal. And the sad truth is that most eyes are abnormal to some extent. Abnormal eyes mean strained eyes, and strained eyes mean headaches and a dozen other troubles. Nothing but Glasses can make abnormal eyes function normally. Give your eyes proper attention by having them looked after here.

NEWSPAPER FUN

By Maxson Foxhall Judell

Recognize 'Em, Folks? Three types we've found on all vacations. The lady with the operations, The chocolate-eating child—the guy Who "laid in" a "pre-war supply!"

Help! Help! Rose: "When he kissed her she yelled for help." Marie: "What did he do, beat it?" Rose: "No, he helped himself."

THE POLICEMAN. By Stanley M. Calles. A cop enjoys happy days Where'er he pounds the beat; He always chucks beneath the chin The nursemaids trim and neat. Swell ladies smile as he goes by And all the cooks contest To see which one can feed the man The food he likes the best.

The hardest thing he has to do Is learn to twirl his stick; If I were starting life again, His job I'd surely pick When crowds are round it must be fun To say "Keep moving, youse!" And when folks have been robbed, To hunt For funny things called "clews."

What sport it is for him to jump Right into any fight And legally to wallop men, To whack them left and right! And if his horns begin to ache, With ease he can assail Some hapless skate, arrest the chap And ride with him to jail!

Poor Flesh. Mrs. Hilder: "My new 'flesh' hose are full of holes. I wonder what's the matter with them?" Hilder: "Probably a skin disease."

A Suggestion. The woman to whom you criticize your husband is apt to tell him that she understands him.

Frank, Anyway. Mrs. Grant, 67, owned a beautiful home, and with her lived her daughter, her son-in-law, and her grandchild, Helen.

One day Helen, looking up with loving eyes to her grandma, said: "Grandma, I hope you never die." Grandma was very pleased, and thought how much little Helen loved her. So she asked: "And why, darling, do you hope Grandma will never die?"

"Cause if you do, we will have to move," came the quick answer." —Mrs. J. S.

Common Type. Jackson: "Didn't Brown marry a rather large woman?" Ellis: "Well, so-so. She's one of those women that make a three passenger out of a five passenger touring car."

—Paul S. Powers.

Dressing the Part. "I've been figuring for quite a while," said Uncle Ike, "on tryin' to revive the good old sport of pitchin' horse-shoes. As far as I can see, the only reason it ain't a popular past-time is because nobody has ever designed a sassy costume to play it in."

Comparatively. Elliott: "Did you enjoy the show?" Burton: "Yes; the jokes made me feel so young." —B. D. Otts.

Very Old. Prospect: "Are you sure this furniture is antique?" Owner: "Antique! I'll say it is!"

CROWD FROM LENNOX COMING TO KINGSTON

For the Old Boys' Reunion—Civic Holiday in Napanee on August 10.

Napanee, July 29.—Napanee extends to Kingston the best of good wishes for the success of the Old Boys' reunion in the ancient capital, which will be held there from Aug. 1st to 6th. Surely all roads will lead to Kingston on those great days and certainly the road from Napanee will lead thither. We have a lively recollection of the kindly interest and co-operation of the Kingston people in our Old Boys' celebration last year and Kingston can depend upon a big crowd every day, not only from Napanee, but from the whole county of Lennox and Addington. We will begin to arrive on Saturday the first. Watch for our daily arrival. We will enjoy all the good things provided, especially the "something doing all the time."

Napanee Chautauqua opens on Saturday, Aug. 1st. An honorary committee of ninety-five representative men from the country districts should assure a good attendance. Owing to the Kingston-Belleville baseball game being played at Kingston yesterday, the St. Lawrence League game between Napanee and Kingston, scheduled to take place at the latter city on the same date, will be postponed. When the game will be played has not been announced. Brockville plays at Napanee on Friday the 31st.

A joint meeting of the Liberals of Lennox and Addington and Pelee Edward couples will be held at Picton on Wednesday, Aug. 12, at 2 o'clock p.m. for the purpose of electing officers, organization and general business.

Miss Nellie Herring, who has been visiting friends in Chicago, has returned home.

E. T. Anderson, Roblin, was a visitor in town yesterday.

Mrs. Percy Vine is visiting in Detroit at present. Lachlin Campbell, of Croydon, was a visitor to town this week. Much sympathy is extended to Miss Jessie McBain, Dundas street, one of Napanee's old residents who has had the misfortune to fall and break her hip. Proclamation is issued that Napanee Civic holiday will be Monday, August 10th.

Passing of Mrs. Joseph Redmond. There is regret at the passing of Mrs. Joseph Redmond, one of Picton's most highly respected ladies. Mrs. Redmond's health had caused her friends anxiety for some time. Mrs. Redmond was, before her marriage to the late Joseph Redmond, Alberta Mary McKibbin, only daughter of Robert H. McKibbin and the late Mrs. McKibbin. Most of her life had been spent in Picton. For a time the Redmond family lived in Winnipeg, but they always kept close connection with Picton, maintaining a summer residence there. Two sons, Lou and Joseph survive. Lou is in business in Winnipeg, and Joseph resided with his mother. Her father and an only brother, Mr. Herman McKibbin, reside in Picton.

Woman Killed At Picton. Picton, July 29.—A severe electrical storm passed over Picton early on Sunday morning. A second one on Monday about noon was accompanied by hail, the hail stones being the size of marbles. A deplorable accident resulted from Sunday morning's storm. Mrs. Clark, living on Spring street, essayed to remove a live wire from her path, picking it up with the naked hand and was killed instantly. She leaves two small children.

Purchased Residence. C. A. Campbell, general manager of Messrs. H. K. Wampole & Co., Ltd., has purchased the residence on Drummond street west, Perth, of the estate of the late Judge W. S. Senkler.

Has Sold His Farm. M. Grant Thompson has sold his fine farm on the Wellington Road, about one mile west of Bloomfield, to Holmes Matthe, Hallowell.

HE STILL REFUSES TO SIGN WAIVER PAPERS

Charles Graham Not Taken From Ottawa to the Penitentiary Yet.

The Ottawa Journal says: With nearly half his month of grace before forcible removal to Kingston is certain, Charles Graham, erstwhile taxi driver, and sergeant of city police, now a condemned thief at the county jail, remains firm in his refusal to sign waiver papers. Until Graham signs these papers he cannot be taken to the Ontario penitentiary at Portsmouth, Ont., but by the middle of August the month since the date of his sentence will have elapsed, and he may be taken there forcibly.

Graham is stated to be giving the authorities at the jail no trouble beyond his persistency with regard to the necessary documents. He is not being pressed in the matter, the authorities being willing to allow him to undergo the entire month of voluntary imprisonment which precedes his long term of imprisonment for theft.

Vigier Found Guilty. At Alexandria Bay N.Y. Capt. Walter Vigier, originator of boat tours of the Thousand Islands, was fined \$10 by Justice of the Peace Erastus after he had been found guilty by jury of violating the village soliciting law.

Improved in Health. Dr. and Mrs. Shorey, together with an old friend, Horatio Spaford, were the guests of Mr. and Mrs. Smart at tea at the parsonage, Cherry Valley. Doctor Shorey's many friends are gratified at seeing him so much better in health.

Visited at Wellington. Rev. Robt. McCulloch and his daughter, Miss McCulloch, Toronto, and Mrs. Deroche, wife of Judge Deroche, Belleville, made a visit with Dr. and Mrs. McCulloch. Rev. McCulloch enjoyed his eighty-second birthday at Wellington.
