10th YEAR OF GREAT SUCCESS

TEN YEARS OF SERVICE

The service that has been rendered by Reo Speed Wagons to their owners far outclasses that of any competition. As an example of this see the stages that are now operating out of Kingston to Sydenham, Perth Road, Battersea, Odessa and Gananoque. They have piled up hundreds of thousands of miles of good service in their steady runs every week day of the year.

"REO SPEED WAGON FOR SATISFACTION"

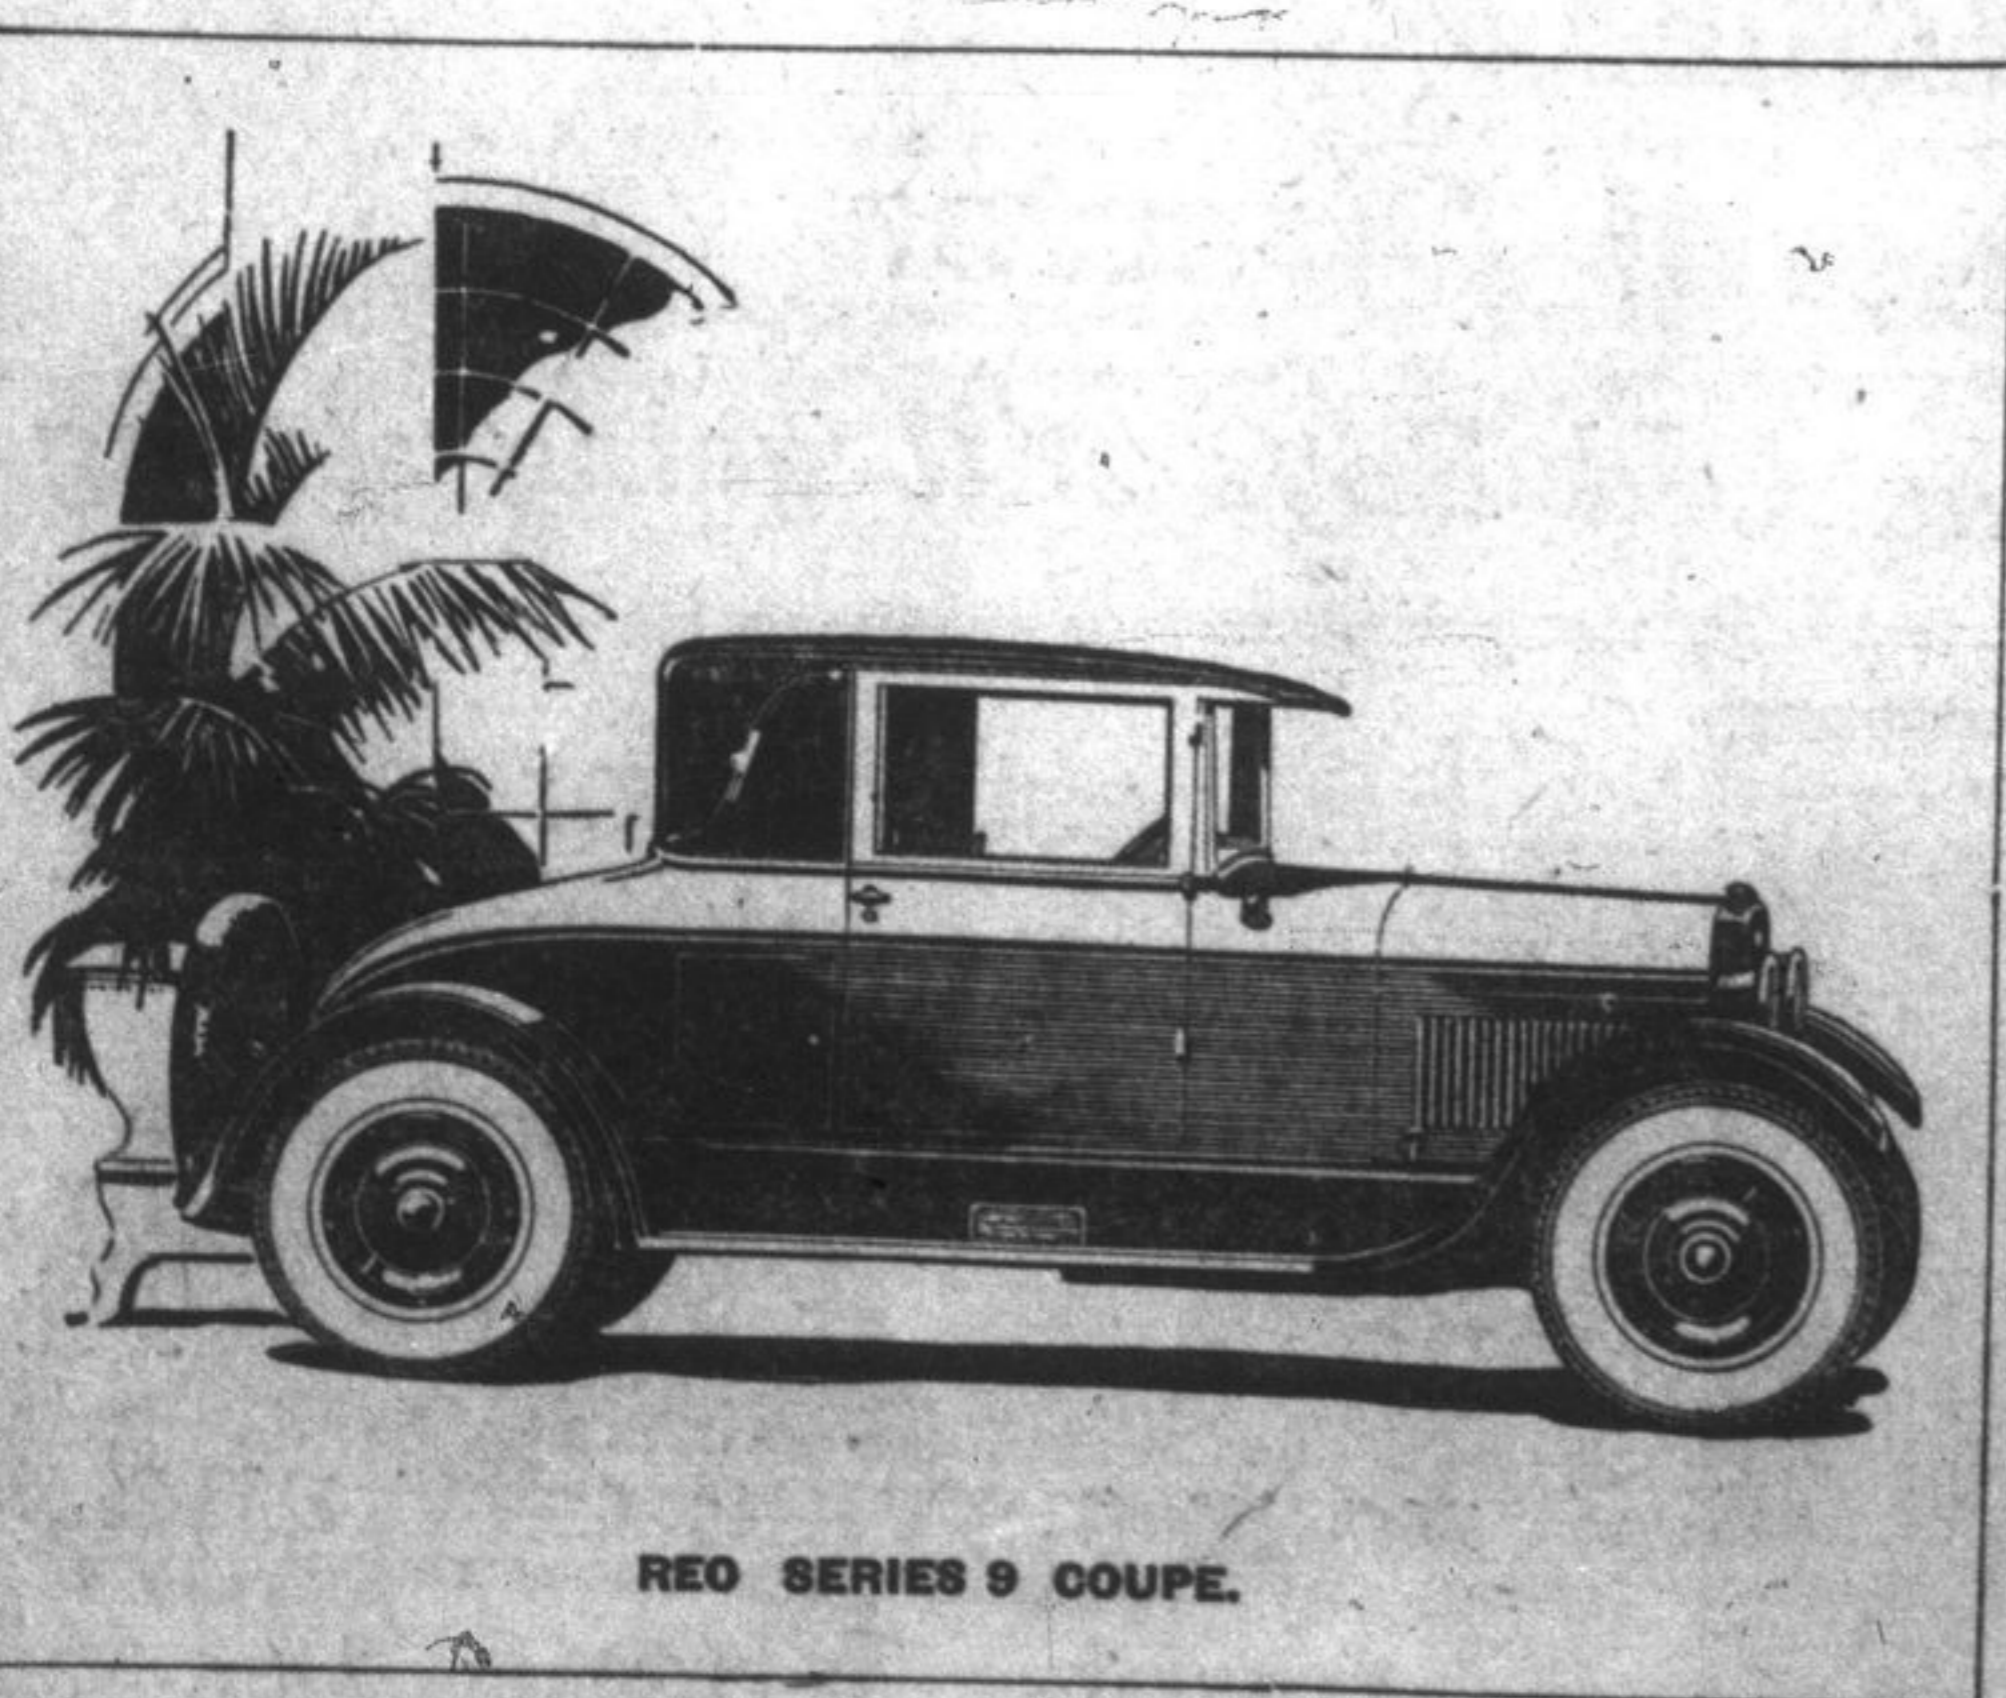

The first Reo sold in Kingston. Owned and operated by M. Amodeo, Wholesale and Retail Fruit Merchant. This truck is ten years old, and is still giving good service every day.

TEN YEARS OF SERVICE

Just ten years ago to-day George W. Boyd was appointed distributor for the Reo Motor Cars. His first sale was a truck to M. Amodeo, the same truck that appears in the picture on this page, or can be seen on the streets to-day, giving service to its owner just as on the day it was purchased. With this fact in mind little need be said about the value of owning a

REO SERIES 9 COUPE.

EXCLUSIVELY REO

Hand-in-hand with the many mechanical features that are "exclusively Reo" go Reo's institutional permanence and sound business policies.

To Reo owners these stable qualities pay dividends in the way of low initial costs for cars of Reo quality, low depreciation rates and high re-sale value.

Reo owners know that buying Reo is "good business."
