At The Other End Of The Wire

Courtesy is the one stock that all businesses have to carry. You'll find that the Whig's Classified Department has plenty of it on hand.

The ad. taker who will answer your call has been trained to help you with the wording of your advertisement—for a cook, or a house for rent; or of some furniture for sale. She may suggest a change here and there—you may have put in a fact that is unnecessary or left out one that should be included.

But you will never be allowed to lose sight of the fact that she is there to make it easier for you to get the most satisfactory results from your ad. in the shortest possible time. That's the business of Whig ad takers!

We know that pleasant service goes twice as far as just plain service. We know that you appreciate the value of a voice with a smile. We know that you like to deal with agreeable people.

Next time you have a job that a little ad. can do—call 243 and ask for an ad. taker.
