What the Press Agents Say About Coming Attractions

AT THE CAPITOL.

Colleen Moore Enacts Role of "Sally" in Latest Picture.

Those who enjoyed the stage version of Ziegfeld's noted musical success "Sally" which Marillyn Miller made permanent success, will find equal joy in First National's screen version of the same piece, starring Colleen Moore, which comes to the Capitol Theatre to-day.

Colleen Moore brings to the role of "Sally" a genius for sympathetic interpretation that unquestionably will make this role an outstanding hit of her long list of successes. "Sally" calls for much human interest, pathos, fire of temperament and delightful sentiment.

Miss Moore possesses all of those qualifications as she ably demonstrated in "Flaming Youth," "The Perfect Flapper" and "So Big."

The major incidents of "Sally's" obscure origin, her struggle up the ladder of life and love and fame are all there. But Miss Mathis has gone further. She has looked behind the scenes, so to speak, taken the playwright's story and, utilizing the plot thread, embroidered it in a manner that undoubtedly will win her the praise of the staunchest of the admirers of the stage version.

In addition to this excellent feature, we are again presenting Sid Fox and his serendipity and by popular request Phyllis Devlin Jerome will sing one of her popular numbers. In addition Paddy Burke who has more than made a name for himself with the patrons of the Capitol, will play one or two piano solos.

METAGAMA TOUCHES BOTTOM OF RIVER

Montreal, Aug. 10.—The liner Metagama touched bottom in the St. Lawrence river below Quebec while in bound Saturday, sustaining damage to her tanks on the port side, it was learned here to-day. No one was injured.

There is considerable discussion here of the probability that the level of the river is being affected by the diversion of water from the Great Lakes by the Chicago drainage canal. Few hours before the liner Montrose also touched bottom, and had to return to Montreal for repairs.

KINGSTON LOST THE FIRST GAME

Circle-Six Were Defeated by 9-3 at Ottawa on Saturday.

(Special to the Whig.)

Ottawa, Aug. 10.—Ottawa East Juniors advanced one step towards the O.B.A.A. junior championship on Saturday evening at Lansdowne Park when they defeated the Circle-Six team from Kingston by a score of 9 to 3 in the first of the play-downs. It was a ninth inning rally that pulled the game out of the fire for the local lads after they had battled along under bad breaks.

The umpiring at the plate by Twigg of Kingston earned the displeasure of the Ottawa East team management and the vast majority of the crowd. Two promising rallies were cut off by what appeared to be bad decisions and the two runs that came over in the ninth were the result of straight baseball.

The locals outthrew the visitors fourteen to twelve, and in this collection they had no fewer than five two-baggers. Roy Terrade rapped out two of these and turned in a splendid game behind the bat. It was Terrade who scored the tying run just ahead of Harris, who raced across with the winning counter on Schroeder's safe blow to right field.

Harris started in the box for Ottawa East, but in the seventh inning he switched over to third and Len Grovener went from the hot corner to the mound. Both pitched good ball, Grovener being particularly effective.

Reid started on the hill for "Circle-Six" but gave way to Smith in the seventh inning. Smith showed plenty of ability and struck out four batters in the two innings he worked. Both teams fielded well and Terrade and McCabe combined for a neat double play. The hitting of Buck, the visitors' right fielder, was one of the features, the gardener collecting three hits in as many attempts.

Six of the locals, connected for two safe hits each.

PLAY WEDNESDAY

The second game of the series between Ottawa East and Circle-Six will be played on Wednesday evening at six o'clock at the fair grounds. The visitors will come here with a victory tucked away and will try their hardest to end the series in two games. They have every confidence of taking the second game and have high hopes of going on to the final.

As for the Circle-Six, they see no reason why they should not defeat the Ottawa East team here Wednesday night. Hewitt Smith was not in the best of form at Ottawa, being slightly sick on the way down to the Capital, while the long trip by motor did not help the locals any. There will no doubt be a big crowd on hand Wednesday for this game.

OSHAWA ELIMINATED.

Peterboro, Aug. 10.—Oshawa was eliminated from the contestants in the Central Ontario League for this season when Peterboro won Saturday's game here, 2 to 0. The game was a battle between Lennox, the visitors' young southpaw, and Hardill, the big, young right-hander of the Pates.

Both teams played good ball in the field. Morrison made the only error of the game when he dropped a throw from right field, when Harrison was caught cold trying to stretch a single, but no runs resulted from the blip. Legon and Harrison, with two hits each in two official times at bat, were the leading batsmen.

The teams:

TENNIS TOURNAMENT.

Queen's Summer School Students Defeat Kingston Teams.

Queen's Summer School students Tennis Club out-played the teams from the Kingston Tennis Club in the return tournament played on the Queen's courts Saturday afternoon. Out of the fifteen events played, Queen's won eleven. On the round Queen's led by two points. There was a very large crowd of spectators and the keenest rivalry shown in all the events. It was hard to choose the most interesting contest, but the game in men's doubles between Everett Townsend and F. W. Torrance of the K.T.C., against W. F. Reid and J. M. Ewing of Queen's, was probably the most spectacular. The score, 6-3, 8-6 for Townsend and Torrance, hardly indicates the strenuous battle put up by Reid and Ewing. All of the events gave the spectators some real high-class tennis, which was a treat to watch. The tournament was stopped from 5 to 5.30 for tea. The ladies of the Queen's Alumnae had charge of this part of the programme. The results of the various events follow:

Ladies' singles—Miss M. Taylor, K.T.C., won from Miss M. Truax, Queen's 6-3, 6-0; Miss A. Rogers, K.T.C., won from Miss Cattanach, 6-4, 4-6, 6-3; Miss Todd, Queen's, won from Miss K. Macphail, K.T.C., 6-2, 6-3.

COAL MINERS' CHIEF SENDS ULTIMATUM TO OPERATORS

Atlantic City, N.J., Aug. 10.—The anthracite wage dispute moved one step nearer a strike yesterday when John L. Lewis made public a letter to Samuel D. Warriner, fixing as the price of renewed negotiations abandonment of the operators' position of no wage increases and no check-off, and intimating that until this is done no further correspondence is desired.

"Your Atlantic City conference," he wrote the operators' leader, "imprisoned the mine workers' representatives that they would reject any demand that would disturb mine costs. In addition, they rejected the request for recognition of the union. Your letter confirms the position of your committee. Be it so. We do not care to argue further when judgment has been given. I will be glad to hear from you when you abandon this position."

This ultimatum leaves nothing between a strike September 1 but a complete breakdown on the part of the Anthracite Operators' Association of their refusal to concede increases and the check-off in advance of the completion of the miners' case and the presentation of their own, or possible official intervention.

No one, and those close to him say, least of all Lewis, expect a backdown. The only hope of intervention is Pinchot, the Federal Administration having decided on a lands-off policy.

Pinchot has not formally stated his position, but has strongly intimated there will be no undue haste on his part of doing anything.

Monday morning and increased in its velocity till at noon it was blowing very hard and the majority of the boats had to reef their sails.

The feature of the races was the R Class in which the Chiriya of the K.Y.C. was an easy first. This boat has not made a very good showing in the races of last season but in Monday's races she showed she was at her best in a high wind and out-classed the Vivian and Lillian, which are two fine R Class boats.

In the P Class, the Cara Mia had to withdraw from the race on the second round as the front stays gave way and with the high wind blowing, the mast was liable to give way.

The races were all very fine and the boats were handled in a very capable way. The following is the list of boats that sailed in the races:

P Class—Cara Mia, K.Y.C., skipper, H. Hill; Stranger, R.C.Y.C., Y.C., Col. Moss.

R Class—Chiriya, K.Y.C., J. A. Dalton, skipper; Lillian E., R.G.Y.C., R. Wright, skipper; Vivian, R.C.Y.C., M. O'Reilly, skipper.

20 Footers—Dolphin, K.Y.C., M. B. Mills, skipper; Nooya, R. St. Lawrence, Y.C., T. H. Molson, skipper.

Schooner—Yolanda, R.C.Y.C., N. Gooderham, skipper; Blue Moon, K.Y.C., W. Casey, skipper.

The finish was:

P Class—Bernice, Stranger, Cara Mia.

R Class—Chiriya, Vivian, Lillian E.

20 Footers—Dolphin, Nooya.

Schooners—Yolanda, Blue Moon.

"Your Atlantic City conference," he wrote the operators' leader, "imprisoned the mine workers' representatives that they would reject any demand that would disturb mine costs. In addition, they rejected the request for recognition of the union. Your letter confirms the position of your committee. Be it so. We do not care to argue further when judgment has been given. I will be glad to hear from you when you abandon this position."

This ultimatum leaves nothing between a strike September 1 but a complete breakdown on the part of the Anthracite Operators' Association of their refusal to concede increases and the check-off in advance of the completion of the miners' case and the presentation of their own, or possible official intervention.

No one, and those close to him say, least of all Lewis, expect a backdown. The only hope of intervention is Pinchot, the Federal Administration having decided on a lands-off policy.

Pinchot has not formally stated his position, but has strongly intimated there will be no undue haste on his part of doing anything.
