TELL OF THEIR TRIP THROUGH NOVA SCOTIA

Dr. and Mrs. S. C. A. Lamb of Athens Enjoyed Visit to Maritimes.

Athens, Aug. 13.—Mr. and Mrs. S. C. A. Lamb returned Saturday evening from a trip to the maritime provinces. They were of a party consisting of thirty-two from Ontario who accepted an invitation from the Provincial Pharmacy Association of Nova Scotia to attend their annual convention at Halifax during the last week in July, and during the following week they attended the Dominion convention in Charlottetown, P.E.I.

"I'm glad that tooth stuck in the taffy an' come out. I've been scared I'd swallow it some night."

spending the past three weeks a guest of Mrs. Blount, Ottawa, and Mrs. Judson, Athens, at Camp Look-out. Richard Henderson, Moose Jaw, Sask., a former Athenian, who is spending the summer here, has returned from a trip to the Capital. STELLA POINT NOW IN THE LIMELIGHT

Samuel G. Sutherland Has Beautified It Greatly—Keeping Off Trespassers.

Stella, Aug. 12.—Quite a number from here attended the Old Boys' Reunion in Kingston, last week. A number of the farmers have finished cutting their grain and report a good crop, of excellent quality. The threshing machines will soon be starting on the road again.

Stella Point is rapidly coming into the limelight. S. G. Sutherland, owner of the Point, having refused to allow J. A. Tugwell, Hugh Glenn, and others from tying their boats up in the shelter of the Point, it being the only place that they can keep them in stormy weather.

William MacCormick, a milk drawer on the south shore, while returning with his cans of whey, from Stella cheese factory, on Saturday morning, had the misfortune to have one of the wheels come off the wagon, and throwing nearly all the cans in the ditch.

Changes and Rebuildings

Mrs. Heber Pierce has moved to the Foley house, Wellington street. John Mulvena, whose main street home was destroyed in the fire a month ago, has purchased Mrs. H. Pierce's Mill street property and will make extensive improvements.

PERSONAL NOTES.

Mrs. Avis Daniels has returned from Charlottetown where she has been.

Children Love Them Because They Are Sugar Coated and as Easy to Take as Candy.

It's your duty, Mother, to see that the frail, peaked, sickly youngster grows up to be strong in body, keen in mind and robust in health.

Extracted from the livers of the lowly codfish are the health, weight and strength producing vitamins that are found in McCoy's Cod Liver Extract Tablets.

Doctors know about them and so does Jan. B. McClellan, Mahood's Drug Store, and if your children need building up ask for these tablets, to-day if you want to give your loved ones a good appetite and put pounds of good, healthy flesh on their bones.

But be sure and get McCoy's. They are not expensive—60 tablets—60 cents and if you are not pleased with the improvement after 30 days—your money back.

A very sickly child, age 9, gained 12 pounds in seven months and is strong and healthy.

One skinny woman gained 9 pounds in 24 days.
