## CIRCLE-SIX ARE AT BROCKVILLE

### Expected to Have Hard Tussle With Ottawa East Team at Island Town To-day.

The Kingston Circle-Six baseball team left to-day for Brockville where they were slated to meet the Ottawa East team in the third and deciding game of the series for the right to enter the next round in the Ontario playoffs. The team left the Walsh & Derry corner shortly before one o'clock to-day amid the best wishes of the local fans and the hope was expressed more than once that the boys would bring home the third game.

The team was in the best of shape and expected to give the Ottawas another defeat although they realized that they would be up against a harder-fighting team than the one they met here on Wednesday. They did not overlook the fact that the Ottawa East team was playing under great difficulties owing to the fact that they had had a long drive in a motor bus and they expected to have to go the limit to beat the Ottawa team to-day. It was expected that Manager Derry would start Howard Reid in the box. It was also expected that Twigg of Kingston and Wylie of Ottawa would handle the game.

## FAILS TO SWIM

Miss Lillian Harrison, Argentine swimmer, whose fourth attempt to swim the English Channel almost ended in her death in the icy water.

## FROM THE OUTSIDE LOOKING IN

Many Kingston baseball fans were expected to go to Brockville for the Circle-Six-Ottawa East playoff game to-day.

The local seniors left this morning for Oshawa, where they were to play their last scheduled game of the season. The players will have a rest until next Saturday, when they step into Peterboro to open up the final series with Peterboro.

The game here on Wednesday, August 26th, will very likely attract the largest crowd of the season of any game here. The fans are already asking about tickets for this big attraction and the early birds will be the ones to get the seats in the bleachers. There is some talk of starting the game at 5.30 in case of extra innings, but this point has not yet been definitely decided upon.

Teams have to go some to play nine innings of ball starting at six o'clock these evenings. In the event of Wednesday, the 26th, not being a perfectly clear evening, the teams might find that extra half-hour mighty useful.

Far be it from us to tell the officials what they should or should not do, but it does seem as though a little earlier start would make things better for having nine full innings at least, with a chance for overtime if necessary.

There's a tang of fall in the morning breeze,  
There's a trace of haze on the sky line wall,  
There's a flight of ducks to the summer seas,  
And a tint of brown where the first leaves fall,  
Signs of autumn everywhere.

The tang of the sea, and the north-wind's rage,  
But more conclusive than all of these  
Is the name of Queen's on the sporting page.

—Ottawa Journal.

During the season there were some pretty curt remarks passed about ball players, officials, scorers and even the sport writers, but it is evidently all forgotten. In the junior league in particular, where the interest was high, there were some things said that were anything but complimentary, but all hands have showed their good sportsmanship by forgetting it all and backing up the winner to go into the playoffs. That's the way of sport all over, that is, real sport.

The Toronto Globe says that Karl Quinn will be the "Pep" Leadley on the Tiger backfield this fall, but Dr. Quinn, who is in the city at the present time, does not deny that he will be in Ottawa this fall.

The Queen's Athletic Board of Control is in receipt of a request from Balm Beach of Toronto for a game this fall, but it is very unlikely that the Beaches will be accommodated. There are no more open dates for Queen's outside of the one they have arranged with M.A.A.A., as they will be busy for four straight weeks. It is doubtful if the Balm Beach Club would be an attraction here.

Argonauts are getting ambitious. They are anxious to arrange an exhibition game for Sept. 26th, and will issue a challenge to Queen's University, which will likely be accepted, as Coach Bill Hughes plans to start the Tricolor away on the training grind earlier than ever this season. The game would help both squads, and put them in good condition for the opening games.—Toronto Globe. Queen's will be in Montreal on the 26th of September, playing M.A.A.A. an exhibition game.

## SARNIA PREPARES.

Strong Rugby Team Expected There Again This Fall.

Sarnia, Aug. 15.—Rugby prospects for the coming season are picking up every day. The latest addition to the ranks of the stars for the Blue and White Intermediates, champions of the O.R.F.U., ranks for the past two years, is "Tex" Boyette, for the past two years with the Hamilton Tigers in the Big Four. He was in London for some time past but is now located in Sarnia. George McBride and Ivan Raynor, also Hamilton stars, are also expected to line up with the locals. Raynor taking the place of Art Wilson who is going to O.A.C. this fall. Practice will likely start in about three weeks, according to a rumor reported to come from Jack Newton, who will likely handle the team again this season.

## JOE WILLIAMS SAYS

News From Tennis Front.

At the crack of dawn the Tilden forces leaped from the trenches and stormed the enemy posts. It was too pretty for words. Private O'Goofy of the Tilden volunteers was tossed in the guard house for an indefinite period and a handsome semi-colon. Private O'Goofy was caught in the act of splitting infinitives with the top sergeant's cut-throat knife. Mr. Ford of the Detroit Fords has promised to get the boys out of white flannels by Christmas if he has to use up every press agent he owns. Field Marshall Tilden has ordered his regulars not to fire until they see the pink and lavender of the

enemy's new sport belts. Advancing to the stirring strains of "Hotsy Totsy," the national tennis anthem the Tilden crusaders gained their objective at noon to-day. The chicken a la king was perfectly lovely.

## U.S. DAVIS TEAM.

Tilden Again to Lead American Tennis Stars.

New York, Aug. 15.—Although the test matches of the past fortnight haven't entirely settled the problems of selecting the United States Davis Cup team, it was learned that the line-up virtually has been decided upon the challenge round at Philadelphia next month. The team, it was said, will be composed of William T. Tilden, William M. Johnston, Vincent Richards and R. Norris Williams, the latter to serve as playing captain. Tilden and Johnston will carry the burden in the singles under this line-up, while Williams and Richards are slated to take the doubles assignment.

## INSIDE GOLF

By Chester Horton

Maker of 51 Golf Champions. "Golf's most successful teacher," says "Chick" Evans.

HIT OUT AFTER THE BALL AND FINISH HERE.

The niblick will serve the player in many useful ways, and is not simply a weapon for removing the ball from traps. Often the ball lies just off the green with a considerable rise between it and the pin. Or perhaps a rather wide trap must be carried, and yet the ball be made to stop. Obviously if a mashie is used the distance may be carried but the run will be too great. Pull the niblick for this shot. It will lift the ball high and cause it to fall without roll of consequence. You can make the ball go almost straight up in the air with the niblick by learning how to lay the blade back to different degrees. Only experimenting can give you the range of this. When using the niblick for such shots be sure to keep the blade low to the ground as its starts back from the ball, then hit straight through the ball and out after it.

## TREAT 'EM ALL AS SUCKERS, OLD BASEBALL RULE

FREEZING BASE BALLS IN AN ICE BOX, AND

THEY'VE BEEN IN FOR FOUR HOURS BILL!

GREAT! IF THOSE SUCKERS HIT ONE OUT OF THE INFIELD IT'LL BE A MIRACLE!

BAKING 'EM IN THE OVEN TO FOOL THE VISITING CLUB NEXT DAY

By AL DEMAREE

The oldtime gambler's slogan, "Never let the sucker get an even break" used to apply and does yet when possible, to the visiting club in baseball. Years ago, a club was lucky if it ever won a game on the road. Bulling against many umpires who were notorious "homers," giving the home club the close decisions, was taken as a matter of course. The home club always had a bunch of baseballs that had been on ice over night or baked in the oven all morning, and if a player hit one right on the nose he was lucky if it rolled as far as the infielders. These dead balls were thrown out when the home club was ahead, and as they were regulation balls it was almost impossible to detect them. If the visitors were leading, the home team had a supply of "rabbits," or extra lively balls that they made themselves, to throw in when they (the home club) were hitting. Even to-day, the slogan in every park is "new balls when the home club is behind, old or discolored balls when the visitors are trailing."

## Americans Adopted The Canadian Code

New York, Aug. 15.—Playing rules of the National Hockey League, recognized major professional organization of Canada, were adopted at a meeting of the States Amateur Hockey Association in Madison Square Garden recently. Six cities were represented, New York, Boston, Springfield, Mass., Philadelphia, Pittsburgh and Cleveland.

The acceptance of professional rules was decided upon to speed up the amateur game and to eliminate the necessity of two styles of play on the American rinks. Instead of three 15-minute periods of play as heretofore, the new rules call for three 20-minute periods with 10-minute intermissions.

Minor infractions which had a tendency to slow up the amateur play relative to neutral zone laws were bridged by the Canadian regulations.

Discussion of schedules will be considered at a meeting in New York next week.

Argument is often times made the door of abuse.
