When The Babies Are Cutting Teeth THE MOTHER SHOULD USE

During baby's teething time, the bowels become loose and diarrhoea, dysentery, colic, cramps, etc., manifest themselves; the gums become swollen, and cankers form in the mouth. This is the time when the mother should use "Dr. Fowler's," and, perhaps, save the baby's life.

PHILIPPSVILLE BUDGET
Many Attended Portland Regatta—Huckleberries Are Still in Season.

Phillipsville, Aug. 17.—Practically all the farmers have finished haying; harvesting is now the order of the day and the crop is average. Miss Ella Dwyre and guest, Miss Hilda Jordan, Elgin, was a recent visitor of Miss Marcella Carty's, Westport. A record crowd from here attended Kingston and Smith's Fall-Old Home Week. The decorations in both places were admired by all. Mr. and Mrs. Caesar J. Myers were at Athens one day, last week, visiting at Bernard Shea's.

The Women's Institute held a successful meeting Friday, with a large crowd in attendance. Miss Elva Chant left for Toronto where she will spend a few weeks vacation with friends. Mrs. Chistom was at her brother's Herman Lockwood's, Westport, for a few days.

The regatta at Portland, which was postponed two weeks ago owing to unfavorable weather, was well patronized by people from here and various local places on Saturday. Miss Vera Kirken is with her sister, Mrs. Percy Chetam, Newboro, this week.

Stanley Freeman accompanied by Wallace Johnston, and Clarence Woods, motored from Massena, N.Y., to spend the week at their respective homes here. Wesley Tackaberry is erecting a fine fence around his lawn.

All are glad to learn that Mrs. Edward Kirken, who has been a patient in the General Hospital, Brockville, for some time is making good progress. R. C. Haskin is making preparations to move one of his houses onto Main street, next to Robert Taylor's store. W. H. Newsome, Plum Hollow, was a caller at J. W. Halladay's, yesterday. The huckleberries are still in season and quite plentiful. Mr. and Mrs. William Baker, Roseville, were in the village on Sunday. Mr. and Mrs. Hugh Smith, Ottawa, have been visiting Mrs. M. Kennedy the past week.

The annual field day, held at Delta, last week, was well attended by Phillipsvillians but there wasn't as large a crowd as per usual. A number of men from this part are making ready to go west on the harvesters' excursion on the 18th. Miss Lena Lloyd has gone to her home at Elgin. Mr. and Mrs. John White and Miss Eileen McNamee, Toledo, were at Mrs. Julia Downey's one day last week. Mrs. M. Judge has returned to her home, at Toledo, after renewing acquaintances with friends in town.

SOCIAL AND SALE
Held At Stella by the Presbyterian Ladies.
Stella, Aug. 17.—The congregation of the United Church of Canada held a basket picnic on Fish Point on Wednesday last. The day was ideal and a pleasant time was spent. The North and South Shore branches of the congregation of St. Paul's Presbyterian church held a social and sale of home baking in the town hall, on Saturday evening last. Nearly everything was sold. Great credit is due the willing workers of the congregation who made such large quantities of the old home brand of "Stella Dale" ice cream. There was also for sale a large display of cake and pastry, which were readily sold. It was very largely attended and about \$70 was realized.

F. Henderson received a large consignment of timber and lumber on Friday to repair his barn, which was damaged in the wind storm some weeks ago. Two of the main attractions in September will be the Kingston Fair, Sept. 15th to 19th and Stella, Sept. 29th. Miss Dorothy Wemp, nurse-in-training, Kingston General Hospital, is spending her holidays with relatives here.

Mrs. Chown, Kingston, and Mrs. Fillion and Miss Fillion, Ottawa, at Reginald Instant's; Master M. Carmichael, Cleveland, Ohio, is spending a few weeks at R. MacCormick's, South Shore.

FINE TENNIS DANCE.

Mrs. Dan Abrams has moved from the upper mills down to J. Myers' house on Bedford street.
