Sand Hill, Aug. 24.—The Four Square Club, of Sand Hill Presbyterian church, met at the home of Miss Jennie Mundell on Friday evening, with a large number present.

The meeting was held on the lawn, and after the business was over, the remainder of the evening was spent in games and music. Mrs. Simpson favored the young people with several selections on the piano, after which lunch was served.

The members were delighted with an invitation from Miss Hilda Ower to visit her at her summer home, "Oak Cottage," on Graham's Island. Arrangements were made at the meeting to motor to Portland on Tuesday and proceed from there by motor boat to the island.

The kind hospitality of the hostesses coupled with the ideal weather and beautiful surroundings, enabled everyone to have a good time.

After a delightful dinner, under the trees, the afternoon was spent in games, swimming and rowing. The day passed all too quickly for the young people, but immediately after supper, they were given a pleasant trip among the islands in a motor boat by Mr. Steacy.

A hearty vote of thanks was tendered to the hostesses, who regretted that all the members were not present.
