Mr. and Mrs. Rufus Howe have purchased a home in Wellington, where they will in future reside. The many friends of Mr. and Mrs. Howe will be pleased to know that, after spending many years in Saskatchewan, they are remaining permanently in the home county.

**Raspberry Bushes Loaded.**  
On the roadside near Petherick's Corners, there is a heavy growth of raspberry bushes which at the present are fairly well loaded with well-developed fruit. It is something unusual to see berries at this season of the year, and even more so to find women of the neighborhood out in force gathering the crop.

**Death of an Infant.**  
The death of the two months old son of Mr. and Mrs. Eugene Palmer, 23 Elgin street, occurred on Sunday. The funeral took place Monday afternoon from the residence of his parents to Cataragui cemetery. The funeral arrangements were in charge of John Cornelius, undertaker.

At the first fall meeting of the Calvary Women's Missionary Society, which was held at the home of Mrs. Sweetman, Rideau street, with a good attendance, a pleasing ceremony followed the regular business, when Mrs. R. Sloan, Sr., was presented with a beautiful bouquet of flowers in appreciation of her long services in the Auxiliary.

**Little Girl Burned.**  
Mary Clement, nine years old, living at 95 Cannifton Road, Belleville, while playing with other little girls around a bonfire on Friday evening, had the misfortune to have her clothes take fire and as there were no grown-up members of the family present the little one suffered severe burns about the body. She is in a very bad condition in the general hospital.

**Death of Charles Mills.**  
Charles Mills, who died at Bloomfield, Sept. 11th, was born on March 1st, 1845. He spent nearly his whole life there engaged as a painter and paper-hanger. For the past two or three years he had been in failing health. He was a Conservative, a Methodist and a worthy citizen. He leaves a sister, Mrs. E.

Sbith, Coisecon, and one elderly aunt, Mrs. Louisa Mills.

**Liberals Enthusiastic.**  
The Liberal nomination meeting Friday night is being followed by the keenest activity among the Liberals of the city. The nomination has given the greatest impetus to the Liberal organizations, and meetings are to be held every night throughout the week. There is great enthusiasm being shown, with the utmost confidence in the election of Mr. J. M. Campbell by a substantial majority.

**Observation Boat Sold.**  
The observation boat Islander No. 2, well known river craft, was sold by Capt. Bert Marshall to Capt. Fred Cerow and Fred Cuppernall, all of Clayton, N.Y. The name of the boat will be changed to the Spray Six, and it will be operated next season from Clayton as an observation boat. The vessel was built last winter in Clayton and is fifty-six feet in length. It has a capacity of fifty passengers and is of mahogany finish.

**A Correction.**  
In the report in Saturday's issue of Mr. Campbell's nomination speech, there was a proof-reading omission, which made it appear that all the industries mentioned were closed during Conservative rule. The word "almost" was omitted before "all" at the end of the first paragraph on Page 4. The sentence should have read: "Almost all these closed during Tory rule." Collie's Limited, as shown in the paragraph, was started in 1922 and closed in 1924.

**A Veteran Graduate.**  
Charles Mair, L.L.D., F.R.S.C., a pioneer in Canadian verse, author of the poetic drama entitled "Tessumseh," a work of great distinction, celebrated his eighty-seventh birthday last Monday in Victoria, B.C. He has begun to write his reminiscences, and though illness has overtaken him, he hopes to live to finish his task. Dr. Mair was born in Lanark, a son of the late James Mair, a native of Scotland, lumber merchant. Educated at Perth Grammar School and Queen's University, Kingston.

**Leaves Footprints in Sand.**  
Bancroft folks think an alligator is cavorting thereabouts. It has been tracked for a distance of over two miles, travelling the main road before taking to the woods leading to the shores of Fraser Lake. The track of this animal measures over seven feet in length and from its appearance and the manoeuvres in the sand, would indicate that the animal is an alligator. This mysterious animal made an attack last year on a little Boulier girl, but she was fortunate in making her escape. Residents are contemplating a hunt for this reptile.

### OTTAWA R. C. WON.

Defeated Supremes in Softball Game By 17-6.

Before a large crowd of spectators at the Cricket Field on Saturday, the Kingston Supremes fell to defeat at the hands of the Ottawa Rowing Club Girls' softball team by the score of 17-6. In a game that was rather loosely played by the local team. Errors on their part were very costly.

Kingston Supremes outthit Ottawa, but when it came to fielding, they were not there. The fans saw a clean-cut, smooth working team in the Ottawa Rowing Club and the girls fielded smartly throughout the game. The locals, of course, have not had the same experience as the visitors, this counting much in the deciding of the game. However, the Supremes are to be congratulated upon their play and progressiveness in bringing in a good, outside team. There will be no return game in Ottawa this season. The teams:

Supremes—D. Allen p., M. Powell cf.; C. Traesdell 2b; H. Pappas c.; M. Sinclair 3b; L. Hawkins ss.; F. Sinclair 1b; B. Steen rf.; L. Cunningham 1b; M. Allen, M. Horne, E. Peterson, B. Wilson. Ottawa R.C.—S. Moulds ss.; K. Gooding 2b; G. Stanyer c.; D. Day 1b; R. McDermott 3b; M. Carson cf.; H. Williamson lf.; M. O'Meara p.; I. Williamson, spare. Umpire—Twigg and Perry.
