RETURN ENGAGEMENT OF "CHARLEY'S AUNT"

Famous Farce at Capitol for Three Days More, Thursday, Friday and Saturday.

To meet the universal demand for a return engagement of "Charley's Aunt" the management of the Capitol theatre have been fortunate in securing for three more days, what may be easily termed the funniest picture ever made, and to allow those hundreds who were unable to gain admission during the last showing, this ageless farce, "Charley's Aunt" will again be on view at the Capitol theatre, for Thursday, Friday and Saturday of this week.

"Charley's Aunt" probably holds more records for long-distance running on the stage than anything outside of "Uncle Tom's Cabin." The farce was written by Brandon Thomas and first produced in England in 1892. The remarkable thing about the play was the fact that it has run continuously for the last thirty-three years and still shows evidence of going strong.

"Charley's Aunt" is also credited with being the funniest play ever written and in making the picture the producers designed the scenario to keep all of the biggest laughing sequences in the play intact. Syd Chaplin plays the title role of "Charley's Aunt from Brazil where nuts come from" and he is said to do the best work of his career.

In the "Charley's Aunt" film the character of the eccentric old lady is one which lends itself to Syd Chaplin's special flair for pantomime in which he is a past master. The laughs come thick and fast, and the movie men are safe in promising a show of more than the usual hearty roars of mirth.

Supporting Chaplin are James E. Page, who was brought over from London to play Spettigue after playing this role on the stage in England for the past twelve years; Ethel Shannon in the leading feminine role; Lucien Littlefield, Eulalie Jensen, Phillip Small, James Harrison, David James, Priscilla Bonner and Mary Akin.

"BLOSSOM TIME" COMING. "Blossom Time," the greatest musical triumph of the last decade, is booked to play an engagement of one night only at the Grand Theatre on Thursday, Oct. 1st. It is the story of the life and love of that famous musical composer, Franz Schubert, and into it his most famous melodies are woven. The action begins about the time Schubert is coming into recognition as a composer. He falls in love with Milti, the daughter of the Crown Jeweller. Too bashful to tell her of his love, he speaks through the lips of another, thereby losing his suit. Heartbroken, his sorrow results in a premature death. The story is very beautifully and delicately told, and the strain of pathos which runs through it, lends unusual charm and wins sympathy from the most callous theatregoers. "Blossom Time" broke all records for musical plays when it ran in New York, playing to capacity houses during its two years' engagement. The entire production was staged under the personal direction of Mr. J. J. Schubert. Seats are now selling.

"THE TALKER" AT THE STRAND. Seldom has a stage play been so faithfully reproduced as has the "Talker" at the Strand Theatre for the last time today. The picture has everything—humor, naturalness, dramatic suspense, appealing characters, popular story—in fact lacks none of the elements of a popular success. A superb cast is headed by Anna Q. Nilsson and Lewis Stone.

General Hospital Tag Day. The tag day on Saturday is only one way in which the Ladies' Auxiliary of the Kingston General Hospital renders invaluable aid to that institution. One can scarcely turn to any department where their "feminine touch" is not to be found—aprons for the staff, socks for the ward patients, scores of sheets which are constantly being replaced as the use and the laundry thru their fabric—it would be a serious loss to the hospital if their services should come to an end. They make an annual contribution of nine hundred dollars to the dietitian's salary, which at five per cent. would be the equivalent of an \$18,000 gift. The hospital management appreciates their work very much and are setting aside a room in the new clinic building where the ladies may meet and which may also be provided with such equipment as a sewing machine and other apparatus.

Question of Incinerator May Be Discussed Again. Although the city council, at its last meeting, voted down the recommendation of the health committee, to purchase the old Murdoch farm as a site for a new incinerator, it is understood that the matter is likely to be taken up at the next meeting of the council.

Attend Queen's. W. W. Kennedy, one of the four Conservative candidates slated for the Federal elections in Winnipeg, is well known here. In preparation for law he attended Queen's University for the session of 1903-04. He was born in 1882, being the son of William Kennedy, Westport.

This Week Only. Blue Damsons, Green Gages, red plums, large and small baskets or three quarts for 25c at Carnovsky's.

A STRANGE STORY FROM CROW LAKE

Black Bass Had Silver Scales Markings of "I.V.O."—It Was Let Go. A strange story comes from Crow Lake. Last Saturday night two guides of the Oak Inn, on their way home, stopped to fish between the two lakes opposite the Inn. When they pulled their lines out of the water it was found that a fine black bass that would weigh about five pounds had been caught. The curious part about the fish was that on its side, in silver scales were markings that spelled the letters "I.V.O." It was a very black bass and the letters could be made out very distinctly in their glistening silver scales. People who saw the fish were great interested and it was carefully let go again without being hurt. The bass was caught by Russell Bedour.

LAST REGISTRATION DAY

So Far 205 Names Are Added to Voters' List. Registration of voters for the coming election closes in Kingston on Wednesday night. Up to Tuesday night, 205 had registered in the city. The daily figures show how citizens had to get "warmed up" to the matter. Thus, the first day there were 13 names added, the next day, 26, the next, 46, the next, 78 and on Tuesday, 142. It is expected that the last day would see a large number of applicants. Both parties are interesting themselves in getting the people out.

Another chance to have one's name put on the list will be given when Judge Lavell revises the lists on the 8th, 9th, 10th, 12th, 13th and 14th of October at his chambers at the Court House. On the last two days both afternoon and evening sessions will be held.

A pretty wedding took place at the home of Mr. and Mrs. M. Meacham, Frankford, on Sept. 26th, when Digby James Fulton Acton was married to Miss Alexina Kennedy, both of the village.

SPORT

Cairns to Fitch.

Oshawa, Sept. 30.—The Kingston Ponties, champions of the Central Ontario Baseball League, who are to play Toronto Oslers here to-day in the third game in the eastern playoff of the Ontario Association, arrived in this city yesterday by special car, and are quartered at the Y.M.C.A. Manager Fitch informed the press that Bruce Cairns would be sent in to do the heaving, with Arnie doing the receiving, and he expects his portside to again turn Oslers back. Umpires for the game will be Hogan of Guelph at the plate and Jackson of Hamilton on the bases.

Plays With Argos. Morris Hughes announced on Tuesday night that he would play with the Argonauts. Joe Breen has promised to play in the Argonaut backfield.

In Varsity Camp. The Toronto Mail and Empire has the following: "With students coming in daily the workouts of the Varsity teams are being attended by larger crowds of spectators each day, and yesterday a couple of hundred waited until a halt was caused at six o'clock. There was nothing startling to yesterday's workout, although a couple of hours' very useful drill was increased when Bill Kirkpatrick, the former R.M.C. player, who was expected to be at flying wing, reported with a bad hand and a sore knee. He injured them on Monday, but the injuries were not considered serious until they commenced to swell. He was sent for an X-ray examination, and the extent will not be known until to-day. Warren Snyder and Cliff Weber, who were injured last week, were out, but did not participate in the scrimmage duels."

RUGBY OFFICIALS. "Bob" Isbister of Hamilton and "Joe" O'Brien of Montreal, will again handle all games in the Intercollegiate Union senior series this season. Isbister was not keen to take on the duties again, preferring to have his rugby from the grand stand as a spectator. But he was prevailed upon to accept the duties once more.

TENNIS PLAYER REGISTERS. Brown, who played tennis with the McGill Intercollegiate team, last year, has registered at Queen's. He will no doubt add strength to the blue, yellow and red on the courts.

NO BASKETBALL YET. Although nothing has been done yet to organize basketball at Queen's for the coming season, gossip is weighing the chances for the Tricolor. Several students from Niagara Falls, who are spoken of as possibilities for the team, are already registered at the university, and with some of the old players going good, and what new material is developed, it is expected that Queen's will have a strong team in this department.

SQUAD UP TO FIFTY-SIX. Ten new men turned out with the Queen's squad, at the stadium Tuesday afternoon, bringing the total now on the roll up to 56. Hamilton, Minnes and Young were seen last year with the Intermediates and McKewen was one of last season's junior players, but Wilson, Dorland, Graves, Williams, Ellicott and Kelly are all new men in Queen's football. All these players will be given a chance to show their stuff during the next two weeks.

Bowling Tournament. The "closing doubles tournament" at the Queen's bowling green, which started Tuesday night, is arousing great interest among the followers of the game. Two games were played Tuesday night with 32 entries and eight rinks. The tournament will take three or four nights.

SHOULDER FRACTURED AT FOOTBALL PRACTICE. "Bill" Day Was Victim of Unfortunate Accident on Tuesday Afternoon. "Bill" Day, son of Mr. and Mrs. Harold Day, King street west, had his shoulder fractured while at football practice with the Collegiate Institute team on Queen's lower campus on Tuesday afternoon, and will be out of the game for the rest of the season. "Bill's" many friends will be very sorry to hear of this most unfortunate accident and will hope for a speedy recovery. He is confined to his home, and is reported to be doing nicely.

Farmers Getting Work Done. Bunker's Hill, Sept. 30.—There has been some frost of late which did some damage to the farmers' gardens. T. Craig has men engaged in drawing rock to be loaded on cars and transported. Sanford-Leeman has returned from a trip to Godfrey, H. Minning has engaged some men to do work. The weather of late has been very nice and provided a splendid opportunity for the farmers to get their work done. Since the rain, the grass in the fields is nice and green and provides good pasture for cattle and horses. It will soon be time to gather the apples and garden products. The rain filled up the wells, which have been very low of late. Sanford-Leeman is engaged in drawing wood.

On Saturday a large barn and drive shed on the farm of G. B. Keasey, near Elgin, were destroyed by fire.

HOLIDAY DECLARED FOR THE INITIATION

Of Freshmen and Their Reception at Queen's Monday—Medical College Opens.

Monday, Oct. 5th, when the freshmen will be initiated and in the evening the annual Freshmen's reception will be held in Grant Hall to introduce the newcomers to social life at the university, has been declared a holiday at the university and no classes will be held.

The first issue of the Queen's Journal for the session is to be out Friday noon. A meeting of the staff has been called for Friday afternoon. R. Matthews is the editor-in-chief this year.

The Freshettes' reception is to be held Friday night in Ban Righ hall, instead of Grant hall as in past years. The new girls are given instructions as to what to wear in the invitations being sent through the post office. It is rumored that it will be a baby's party.

The first meeting of the Levana Society is being held Wednesday afternoon in the common room of Ban Righ Hall. Entries are being received for the annual tennis tournament. There will be singles and doubles for both men and women. Twenty-three girls have signed up for the singles, and eight for the doubles. Entries close Saturday noon.

Both men and girls are taking an active interest in the track team. Manager Edmonson is out after twenty points at the intercollegiate meet. Then men practice daily at the stadium. Seventeen girls have signed up for the meet, events being provided for them for the first time. These include a 75-yard dash and two quarter-mile relays.

Twenty-two girls have signed to play ground hockey this fall. The students' names, city addresses and telephone numbers are being received for the directory published each session by the Alma Mater Society. Classes in medicine opened on Wednesday.

COMMITTED FOR TRIAL ON SERIOUS CHARGES

Alleged That Nicholas Rantes Tried to Defraud His Creditors—Pleads Not Guilty. Nicholas Rantes, former proprietor of the Palace Sweets store, in Gananoque, was on Wednesday morning, in the Police Court, before Magistrate Farrell, committed to stand trial on two serious charges as follows: "That he did unlawfully, with intent to defraud his creditors, and being a trader in debt to an amount exceeding \$1,000, and unable to pay his creditors in full, did not keep such books of account as according to the usual course of trade or business, are necessary to explain his transactions."

"That he did unlawfully with intent to defraud his creditors: (1) Make a transfer or delivery of his property; (2) remove, conceal and dispose of part of his property. T. J. Rigney and A. B. Cunningham appeared on behalf of the prosecution, and W. C. Hodgins was counsel for the accused, who pleaded "not guilty" and elected for trial by judge and jury.

The charges against Rantes were made in Kingston and at the request of counsel the case was heard here. Mr. Harry E. Seale, of the Post Office Department, Ottawa, has returned home after attending the funeral of his uncle, the late H. C. Milton of Pittsburgh.

Ltd., Toronto, \$179.20; R. H. Toye & Company, \$184; Bowes Ltd., \$351.53. Evidence was also offered regarding the books kept by the accused and after the evidence had been concluded, Magistrate Farrell stated that he felt that there was sufficient to put the accused on his trial.
