**The Editor Hears**

That some excellent papers are read at the meetings of the Women's Institutes. Some of the titles, labor saving hints, tales of old days told at grandmother's day and other subjects relating to the rural life of Canada, sound extremely interesting. It has been suggested that a few of the original papers prepared especially by some of the ladies in the five districts that send reports to The Whig, should be published on the Woman's Page. The papers could not be long, not more than five hundred words. Will some of our readers send along one to the "Editor of the Woman's Page, British Whig, Kingston?"

**A Letter of Appreciation.**

The Editor of the Woman's Page received the following letter from the secretary of the Kingston Women Teachers' Association:

"At a recent meeting of our Women Teachers' Association a hearty vote of thanks was tendered to you for your kindness and help to this association during the past year. Each member greatly appreciates the kindly, sympathetic recognition you have given the activities of the association through your columns, and all realize that the success of their various undertakings was due largely to your interest and co-operation. By your courtesy and aid we were enabled to execute our plans with a marvellous degree of success and were thus encouraged to greater efforts."

She hated to acknowledge the Corn

So goes the old saying. And few indeed, like to confess a corn. It seems such an undainty thing—an admission of physical untidiness. One may conceal the presence of a corn, but not its ill-effect. It shows itself in the face—and the humor. That twinge in the toe means a frown on the forehead—and a thorn in the disposition. But how foolish to carry a secret-scorrow in your shoe! You can end the pain in ten seconds—and the corn in two days—with a pleasant Blue-jay plaster.

**LAST METHODIST W.M.S. MEETING**

**Of the Kingston District Was Held at Harrowsmith on Tuesday.**

Four motor busses took seventy-five women of Kingston and Catarqui interested in missions to Harrowsmith on Tuesday to the twentieth and last meeting of the Methodist W.M.S. of Kingston district. When the party arrived, they found many more women from the various branches of the W.M.S. and St. Paul's, United church, where the meeting was held, was well filled. A service of song by the Harrowsmith auxiliary opened the meeting, followed by a short devotional service by the Verona auxiliary. Mrs. J. K. Curtis read the minutes and the report of the secretary-treasurer, and all reports, including those of the circles and bands, showed marked progress.

The nominating committee reported that in view of the change in regard to the United Church, they advised that the present officers continue in office. This was carried.

Mrs. Ernest Cook gave a report of the year's work. Miss Clara Graves read, "Thy Quest."

Miss Elizabeth McKenzie, of West Africa, gave an illuminating address on the work of the Congregational mission there. She showed the difficulties of the work and the difference between the villages where the light of the gospel had penetrated, and those left to superstition and heathen darkness. Miss McKenzie was introduced by Mrs. F. Sanders.

Miss Lottie Sanders sang most sweetly, "My Task."

Mrs. Kelly, of Princess street, gave helpful suggestions for Mission Band work.

The officers will remain as follows: District superintendent, Mrs. W. S. Gordon; assistant superintendent, Mrs. F. Young; secretary-treasurer, Mrs. J. K. Curtis; superintendent of circles and bands, Mrs. Ernest Cooke; assistant superintendent of circles and bands, Mrs. Wellington Orser.

The branch treasurer's report of Kingston district was as follows: Auxiliaries, \$2,724.66; circles, \$762.27; bands, \$128.12; total, \$3,615.05.

A bountiful supper was served by the Ladies' Aid of St. Paul's church, and afterwards, with Rev. A. S. Doggett presiding, the evening session began. The Glenburnie auxiliary conducted the service and splendid music was given by the Harrowsmith choir. Rev. Mr. Cook introduced Miss Mabel Clazie, a Presbyterian missionary from Formosa, who gave a comprehensive address on the work in that part of the mission field.

Just here Mrs. John Evans sang, with the sweetness and sympathy which always wins applause, "The Man of Galilee," and responded with "Beautiful Japan," most appropriate for the next address, which was given by Rev. C. J. L. Bates, M.A., D.D., Dean of Theology at Kwansai College, Kobe, Japan.

Dr. Bates, who was introduced by Dr. Cooper, Catarqui, was heard with the deepest interest.

The Hartington Circle gave some excellent music.

The Kingston party enjoyed the drive and found the motor busses a
