## PHYSICAL CULTURE FOR BOYS OVER 12

Recommendation of Management Committee Adopted by Board of Education.

That boys over twelve years of age, who are physically fit, shall take the course in physical culture, including drill and calisthenics, under the general supervision of Sergt.-Major Gilbert, whose services shall be gratis.

That Mr. Parkhouse be permitted to take charge of the cadet corps of Louise school and be relieved for that purpose on one day weekly between 3.30 and 4.30 p.m.

That male principals who have not qualified as cadet corps instructors be requested to do so as soon as convenient.

That all grants for instruction from the Department of National Defence be paid to the Board of Education.

That the Board remunerate each unqualified principal at the rate of \$1 per cadet per annum, the amount to be based on the average attendance at drill.

That under the direction of the principal, the caretaker of each school shall take charge of the uniforms and shall be remunerated for such services as may be determined by the committee on the report of the district cadet officer.

That a programme of periods for instruction in drill and calisthenics shall be prepared by the inspector.

The property committee, of which Trustee Best is the chairman, reported: "That a cheque for \$10,670 has been received from Mr. H. W. Watts and deposited in the Standard Bank, as security that the contract for the new school will be completed in a satisfactory manner according to the plans and specifications."

Insurance Adjusted. At a recent meeting of the Board, the question of a readjustment of the fire insurance on the schools was under discussion, and the finance committee was asked to submit a report.

A Memorial Day. A communication was received from C. Hicks, president of the Kingston branch, Great War Veterans' Association, regarding Armistice Day (Nov. 11th).

When the question of physical training for the boys was under discussion, Trustee Mrs. Godwin put in a strong plea for something to be done along these lines for the girls.

Trustee Bishop, chairman of the management committee, stated that his committee would be very glad to receive any suggestions along this line that Mrs. Godwin had to offer, and Mrs. Godwin was asked to submit a report at the next meeting.

The Teacher. Lindsay Watchman-Warden. At the conclusion of a banquet given in his honor, an American business man who had achieved remarkable success was interviewed by a reporter and asked the following question: To whom or what incident or series of experiences do you attribute your success.

The public school teacher is the one individual in the community who is the greatest asset or the heaviest liability. Regardless of how large the amount may be, every efficient teacher is underpaid.

Our great educational institutions are now opening for another term. Let trustees, parents and teachers all co-operate in the carrying on of the great and glorious work in our schools.

A Veteran Mail Carrier. History does repeat itself. W. B. Phelps, who as a young boy was the first mail courier to Harlem in 1851, directly from Philadelphia to Harlem, thence to Portland and back to Philadelphia for the magnificent sum of 50 cents per trip, again carried the mail for a week last June while the deputy reeve, the present courier, was attending to his duties at the meeting of the counties council.

including drill and calisthenics, under the general supervision of Sergt.-Major Gilbert, whose services shall be gratis.

"That the principals be requested to encourage boys to join the cadet corps."

"That principals who are qualified be requested to take charge of the cadet corps in their respective schools and shall receive the full allowance for such services."

"That Mr. Parkhouse be permitted to take charge of the cadet corps of Louise school and be relieved for that purpose on one day weekly between 3.30 and 4.30 p.m."

"That male principals who have not qualified as cadet corps instructors be requested to do so as soon as convenient."

## GANANOQUE

Gananoque, Oct. 9. — William Donovan, who has been the guest of his sister, Mrs. James Kirke, returned to his home in Welland yesterday.

Word was received here a few days ago of the death in Detroit, of George Booth, who, with his family, was a resident of Gananoque for many years. Mr. Booth was associated with the Thousand Island Railway in the early days of its existence. Miss Keitha Booth of the post office staff, is a granddaughter.

Miss Edwina Baker is visiting her sister, Mrs. Jack Amo, in Clayton, N.Y.

C. K. Wright, A. W. Taylor, Robert Tulloch and George K. Taylor are enjoying their annual hunting expedition with headquarters at Snake Island.

Wallie Jones and Fred Mooney are among those who are enjoying the world's series games—via radio. Mr. and Mrs. W. T. Sampson expect to leave tomorrow on their fishing trip. They will join Mr. and Mrs. W. H. Pennock at Ottawa and make their headquarters at some Club near Ottawa. Sidney Griffin will accompany them, as one of the guides.

Miss Nellie Foley has joined the staff of E. A. Hudson. The euchres for the season were resumed at the Lyceum on Wednesday evenings, and will take place each Wednesday evening until further notice. The royal prizes were won as follows: Ladies', Miss Katherine Vallentgood; gentlemen's, George Funnell; second ladies', Miss Kathleen O'Brien; gentlemen's, Frank Lappan.

Mrs. Howard Hiscock and Miss Vera-Moyse, Oshawa, are spending the week-end with Miss Annie Kelly. Miss Theresa Brennan, Hotel Dieu, Kingston, arrived today to spend the next few weeks with her parents, Mr. and Mrs. M. Brennan.

## PICTON

Picton, Oct. 9.—Picton C. I. Junior and senior basketball teams will journey to Belleville this afternoon to meet the B.H.S. teams in competition at the Belleville Y.M.C.A.

E. A. Pearce has bought the beautiful home of Harry Hyatt, Main street east. H. S. Collier, M.P.P., and Mrs. Collier are in Toronto for a few days.

Miss Mary Harris has gone to spend some time with relatives at Niagara Falls. Mr. O'Grady of the staff of the Bank of Montreal, has been transferred to Lunenburg. Warden Fred Hubbs has declared a half holiday for all the schools of the county next Wednesday afternoon owing to its being field day for the Collegiate Institute. The competitions are open to pupils from all the schools of the county.

Mrs. Ewart Jones entertained most delightfully at the tea hour at her home on Johnson street on Tuesday afternoon and again on Wednesday afternoon. The parlors were very attractively decorated with late blooms. The hostess was assisted in the serving of delicious refreshments by Mrs. Harry Pine, Mrs. Charles North and Miss Helen Way.

Miss Clare Kirby left for New York to sail for her home in England by the Minnewaska on Oct. 19th after a pleasant visit with Mr. and Mrs. Ernest Kirby, Mr. and Mrs. Percy Kirby and other friends. The bridge at the golf club house, put on by the I.O.G.E. last week, proved very successful. A jolly crowd soon filled all the available tables and much merriment ensued. The ladies' prize was awarded to Mrs. C. G. Todd, while Mr. W. B. Turnbull carried off the honors for the men.

Coal in Picton goes up to \$14.50 per ton on and after Oct. 15th. Sauce For The Goose. Indianapolis News. Two women who were smoking cigarettes in a public street in Jamestown, N. D., were arrested because "no perfect lady" would do such a thing. There was no law requiring women to be perfect ladies, so the women were accused of disorderly conduct. The question of whether a "perfect lady" will smoke in public is not at issue. What the country will wish to know is how smoking constitutes disorderly conduct whether indulged in by perfect ladies or imperfect. Women have

about the same rights now as men. According to geologists the United States has more than half of the world's supply of coal. China has 207 steam spinning mills.

### DIXIE FLYER PLUNGES INTO FIELD

One woman was killed and fifty people hurt when two sections of the Dixie flyer, crack train of the Nashville, Chattanooga and St. Louis Railroad were wrecked near Chattanooga. The photo above shows the engine and baggage car in a field more than fifty feet from the track.
