MADE-TO-MEASURE SHOES.

**JACK JOHNSTON'S SHOE STORE**  
 70 BROCK STREET

In many families there is the problem of getting children to eat sufficient food and to drink enough milk. Almost without exception it is because these children are kept too closely indoors. Outdoor air and sunshine will work a miracle for closely housed children. It will no longer be necessary to coax and bribe them to eat, for a hearty appetite will bring them racing to the table.

Give the children SUNSHINE, FRESH AIR and GOOD MILK.

**PRICE DAIRY**

PHONE 845.

## See Us For Your Laundry Work

We wash the soft water way, and give excellent satisfaction.
