The Editor Hears

That the letters received from Zhoda School, Alberta, have been read with much interest by all members of the I.O.D.E. and also by those of us who through them have had an intimate glimpse of what is being done by the teachers of the west, many of them, as in the case of Miss Dyde, Kingston girls and graduates or undergraduates of Queen's University. The letters tell us many things that thrill the hearts of those who look forward to a "greater Canada." They show us that these young girls are winning the love of the children of the strangers within our gates who have come to the great open spaces of the prairies from over-crowded Europe. They are setting before them the ideals that have become part of every true Canadian's being and through the love the children have for them the lessons go home and in time the ideals of the little ones with foreign surnames will be Canadian ideals. To be polite, to be clean and tidy, to help the sick, to work with the Junior Red Cross with its object better health and to understand that their eyes should be examined and that their weight should be up to a required standard are among the ideas that are taking hold of the plastic minds of these children. Then too they are learning something of the history of the British Empire and of that part of it in which their lot has been cast. They will learn what "British fair play" means and that every man and every woman has a chance to make good under the Union Jack.

That Kingstonians who motored from Montreal on Saturday say that near Cornwall there were drifts of snow six or seven inches high and except for the leaves on the trees the landscape looked as if it were in winter. From some of the New England States the same story comes, and Canadians who visit there and are used to being told that there is snow in Ontario all the year round, send back word that we could hardly see the snow in Kingston during the phenomenal October cold wave.

That Miss Sophie Cleugh, the author of "Mathilda, /Governess of the English," a perfectly delightful book that can be had at the Kingston Public Library, will be in Toronto this month and will be the guest of the Toronto Woman's Press Club on the 27th.

That a large number of Queen's supporters will go to Montreal on Friday to witness Saturday's big game. Queen's rugby team has made a reputation for itself during the past three years, when it has held the Dominion championship, and wherever it goes the grand stand is filled with a good showing of men and women wearing the tricolor. They cannot all cheer in Gaelic, but they can all shout "Queen's! Queen's! Queen's!" and they do.

Real English crumpets and muffins, also charlotte russe and cream puffs at Lackie's quality store, Saturday.

At Clayton, N.Y., Miss Mildred S. Farrell, daughter of William Farrell, and Michael J. Sullivan, son of Mrs. D. Sullivan, Potsdam, were married on Monday morning.

WEDDINGS

Ross-Turner. A charming autumn wedding took place at half-past two o'clock on Wednesday in the Cathedral of the Holy Trinity, Quebec, when Miss Kathleen Turner, daughter of Lieut.-General Sir Richard Turner, V.C., and Lady Turner, Quebec, was married to Mr. Gordon Ross, son of Mr. and Mrs. John Theodore Ross, of Quebec, assisted by the Dean of the Diocese, officiated, and the bride was given away by her father, while the bridegroom was accompanied by his father. The bride wore a gown of velvet palm chiffon, a little veil which was caught up with a chaplet of orange blossoms, and she carried a bouquet of red roses and lilies-of-the-valley. She also wore a string of pearls, the gift of the groom. The maid of honor was Miss Evelyn Turner, sister of the bride. She wore a peach color crepe back satin gown, and carried a bouquet of red roses. The bridesmaids were the Misses Marjorie and Frances Ross, sisters of the bridegroom, Miss Yvette Laferty, Miss Muriel Smith of Winnipeg, and Miss Sarah Starke, of Montreal. They were gowned as the maid of honor. Mr. James F. Ross was best man for his brother. A reception was held at the home of the bride's parents. Mr. and Mrs. Gordon Ross will sail shortly for England and the Continent, where they will spend some time.

L.O.D.E. DOING WORK FOR THE EMPIRE. "Every bit of work you are doing seems to me to be of the utmost value in keeping this Empire together—and God knows it must be kept together." So declared Major-General Sir Fabian Ware, vice-chairman of the Imperial War Graves Commission, speaking of the I.O.D.E. at an informal luncheon gathering held at the Toronto Golf Club in his honor, at which were present the executive of the Imperial Order Daughters of the Empire.

Woman's extraordinary instinct for searching out essentials and her well known long memory were the two characteristics which made her peculiarly fitted for the task of preserving the solidarity of the British Empire, in such organizations as the I.O.D.E., Sir Fabian said.

Miss R. M. Church, national president of the I.O.D.E., presided, and spoke of the honor of having the sacred mission of Sir Fabian Ware to Canada, arranged under the auspices of the I.O.D.E.

2nd Kingston Company Girl Guides. The weekly meeting of the 2nd Kingston Company Girl Guides was held on Wednesday, October 14th, at seven o'clock. After enjoying a social evening the week before there was a little more work. After colors the captain, Mrs. R. Scally, gave a talk on the Girl Guide motto, "Be Prepared." This week the 1st patrol gave a fine log, while the 2nd patrol gave a stunt in the form of a play entitled "School Days." There was a very large attendance and all enjoyed the game of "Observation," also other games given by Lieutenant Miss H. Duncan. The meeting closed with colors.

At St. George's Mission. Flowers, fruit and grain, with red berries and quantities of vegetables were tastefully used as decoration for St. George's Mission on Montreal street, for the services of thanksgiving held there on Wednesday evening. The walls have lately been done in cream color and with the rafters of dark wood made an effective background for the barberries and autumn leaves. Rev. W. E. Kidd took the services and preached an inspiring sermon. Mr. Charles Dalton played for the hymns and chants, which were heartily sung.

"New mints" at Gibson's Drug Store. Mrs. W. R. Steele, Clayton, N.Y., is enjoying a visit from her brother, F. Denny, Sault Ste. Marie, Mich., whom she had not seen for forty years. For thirty-five years Mrs. Steele thought he was drowned when a ship sank on the western lakes.

AUNT HET

"I'm glad them two missionary delegates wasn't here but two days. I had wore a smile so much my face was plum' tired out."

Girl Guides' Association. The local Girl Guide Association met for the first time this season on Wednesday afternoon in their headquarters at K.C.I. The president, Mrs. Bogart, opened the meeting with the Guide prayer, after which the secretary and treasurer presented their regular monthly reports. Mrs. Diack brought word from Mrs. Volume, a former Kingstonian, in connection with her work of organizing the Guides in her new home in the British West Indies, and Mrs. Bogart gave an interesting report of the success of the girls' stay at Camp Oconto this summer and of their invitation to camp there again next summer. On leaving this year they presented Miss Halliday's camp with two bird houses, one for bluebirds and one for wrens. Arrangements were made for securing the services of Miss Jones, a guide from England, to give Kingston one week's training course in December or January. The meeting then adjourned. Tea was served by Mrs. Diack and Mrs. Otto.

Easy To Gain Weight With Yeast and Iron

New Combination of Yeast With Vegetable Iron Builds Up Weight in Three Weeks. This, run-down and underweight men, women and children can improve their health, increase their energy and put on from five to twenty pounds of good solid flesh in three weeks. A new combination of yeast vitamins with vegetable iron, renews the action of sluggish blood cells, drives out dangerous body poisons, increases energy and endurance and supplies the system with the vitamins that build up weight. For years yeast has been known as a rich vitamin food, but not until we perfected "ironized yeast"—which comes in concentrated tablet form, was it possible to take yeast and iron in the right proportions to build up weight. Vegetable "Iron" when combined with yeast is quite easy to digest, therefore better for the system. And "yeast" when ironized, becomes just twice as beneficial as ordinary fresh or cake yeast. Ironized Yeast tablets are composed of concentrated food elements, therefore they are pleasant to take and free from drug-like effects. It makes no difference how old you are—or how young you are—how long you have been underweight—or how much underweight you are, "ironized yeast" tablets are positively guaranteed to pick you right up, and add from five to twenty pounds of good firm flesh in three weeks' time. If they fail get your money back.

Sold by druggists, at \$1.00 for a large 60-tablet package, or sent direct from laboratory on receipt of price. Harold F. Ritchie & Co., Ltd., Toronto.
