MAKING A JELLY ROLL. "A jelly roll cuts to better advantage than a layer cake," writes a Column Reader. "I find that I can serve more people from one jelly roll than from any other kind of cake. But my recipe is not always to be depended upon. Please tell me your way of making it."

. Begin by beating three unseparated eggs till light, then add one cup of granulated sugar and one-half tablespoon of cold, sweet milk. Mix well together before adding one cup of ordinary bread flour which you have sifted with one teaspoon of baking pewder and a pinch of salt. Last, stir in one tablespoon of melted butter.

I use a pan which measures 15 inches in length and nine and onehalf inches across to bake this cake (my meat roasting pan). I place
