Tamworth, Oct. 15.—Mr. and Mrs. Willett Pringle, of Tamworth, received the sad news of the passing of one of their grandchildren, Gladys McTaggart, of Port Colborne, aged eight years, after a brief illness with scarlet fever and pneumonia. They also received word from their eldest son, J. C. Pringle, of the same place, who has been ailing for several months, owing to an inward growth, which could not be reached by operation. He at first received treatment by an electric rubbing operation, which proved to be of no avail, after which he received X-ray treatments by a doctor in Welland for nearly two months, who advised him to try a specialist in Buffalo, N.Y., which he did, and after six treatments the growth was greatly diminished and hopes are now held for a final cure.
