Will the Eyes of Children Change?
Not at all likely. An error of vision caused by an abnormal shape or size of the eyes will never change of itself. Glasses do not change the error. They neutralize it, or cause the eyes to act as if the error did not exist. Don't hope that your children's eyes, if abnormal will become normal. At your command any day.

CUTTING STONE FOR REGIOPOLIS DORMITORY

Construction Work Will Be Started Early in the Spring.

As stated a few weeks ago in the Whig, the contract for the new dormitory at Regiopolis College, has been let to Ferguson and McMillan, of Toronto.

The new dormitory is to be most modern in all aspects, being of semi-

fireproof, and fireproof construction. The building will be constructed of limestone quarried on the premises, and will have a frontage of 103 feet, and a depth of 70 feet. The new structure will be situated on the east side of the present building, connected to it by a thirty-foot corridor. The basement will contain full kitchen and sewer equipment. The dining room will have a capacity of 120 students. Private dining room, bed rooms and toilets, for the staff are situated on this floor also. In connection with the large kitchen will be a modern cold storage plant. On the ground floor is situated a science room 43x25, two reception

rooms, and two music rooms. A chapel with a capacity of 156 seats, principal's office and bed rooms complete this floor. Situated on the first floor is a dormitory with a capacity of twenty-four beds. On this floor will be located two studios, and a music room. A large student's toilet, bathroom, and two bed rooms, will also be situated here. The second storey is almost filled by two large dormitories, containing in all fifty-two beds. Two studios, with a bath and two private bed rooms, go to complete the most modern layout of this building. The plans and specifications were

drawn up by Mr. W. Newlands and Son, architects, of the city. The work is going ahead immediately. The excavation for the foundation is nearly completed, and a large number of stone cutters are busy getting the stone ready for an early start in the spring. The plans are so arranged that at any time additions can be built. It is stated that the dormitory is only the commencement of a scheme of construction at Regiopolis College.

Great Soprano Greet "Grand Young Man" of C. P. R.

Maria Jeritza, famous singer, at Canadian Pacific Windsor Station, Montreal, with a bouquet presented to her by her friend Col. George H. Ham, of the C. P. R. (Inset) Candy roses in a candy vase presented by Miss Jeritza to Colonel George H. Ham.

"How is Colonel George H. Ham of the C. P. R.?" This was one of the first questions asked by Maria Jeritza, the most celebrated soprano of our time, when she visited Montreal on October 9th, 1925. She expressed regret when she learned that the Dean of Canadian Journalists was indisposed, and she sent him a bouquet of candy roses in a candy vase with the wish that his life may long continue to be "lovely as the roses and sweet as the candy." Colonel Ham sent Jeritza a bouquet of cut flowers. When Jeritza was last in Montreal on March 12th, 1923, Colonel Ham conducted her around Canadian Pacific Windsor Station. Since that time she sang in many countries, being hailed everywhere as a goddess of song and a queen of beauty. Seldom, if ever have such personal charms and the gifts of a great voice and wonderful dramatic powers been combined as they are in Maria Jeritza. A few weeks ago she sang in Covent Garden, London, with great success, winning the plaudits of great audiences. Jeritza includes English in the many languages she speaks, and at Windsor Station, Montreal, she had an interesting chat with the engine men who guided her train to Toronto, where she sang on October 10th. She gave the engine men some roses from bouquets received from appreciative members of her Montreal audience. In private life, Maria Jeritza is the wife of Baron Popper of Vienna, described by Colonel Ham as "one of the finest looking men I have ever seen." Baron Popper stands well over 6 feet in height. He and the golden haired, blue eyed, pearly mouthed Byronic make a perfect pair. Jeritza spends most of the winter singing at the Metropolitan Opera House, New York.

A DESERONTO AUTO UPSET IN THE DITCH

Accident to A. E. Sharpe and Family, But All Escaped Uninjured.

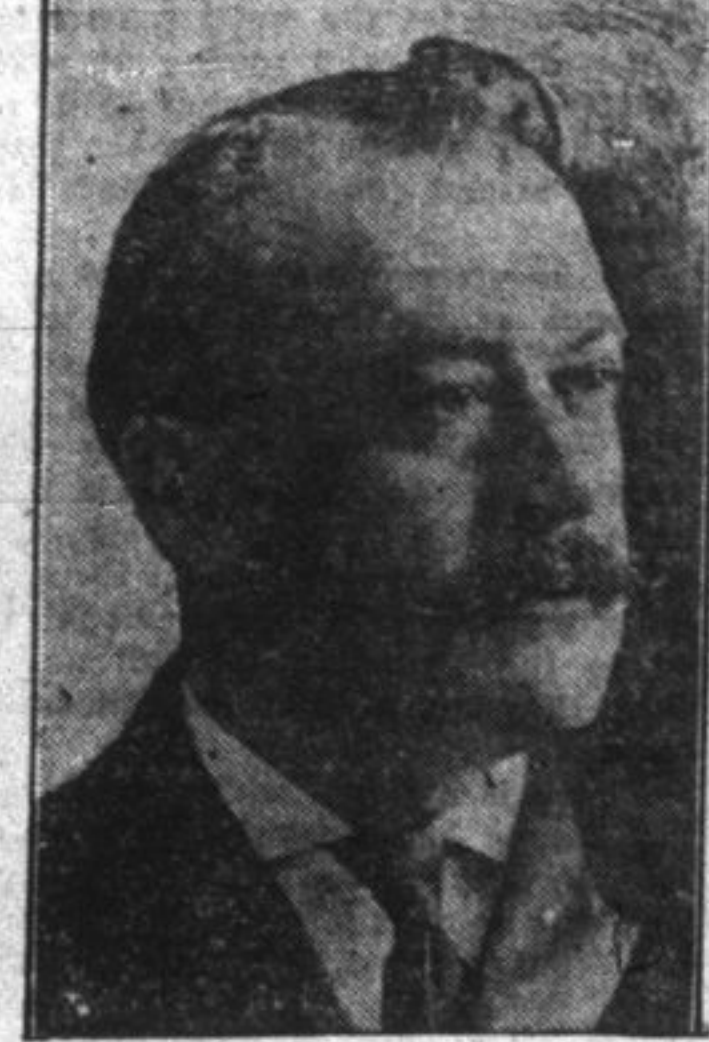

Deseronto, Oct. 27.—What might have resulted in a serious accident occurred on Sunday near Marysville, when a car driven by A. E. Sharpe, local jeweller, was crowded off the road by another motorist. The car, owned by Mr. Sharpe, was turned completely upside down, and it is little short of a miracle that Mrs. Sharpe and the two children, as well as Mr. Sharpe, escaped without

RUB IT IN!
END PAIN THE ZAM-BUK Way!
Mr. Ches J. Burryman Grosser, Wilson 42 Broadview Ave., Hamilton, 1925.
"A badly sprained shoulder put me out of business for a time. The least turn or twist of the body caused torturing pain and I couldn't raise the arm, even to use the 'phone."
"Three different liniments were used for bathing and rubbing my shoulder, but for all the good, I might just as well have used water. At last I tried Zam-Buk. My wife rubbed this balm well into the shoulder morning and night. In a couple of days I felt great improvement. In a week Zam-Buk drove out all pain and made the shoulder sound and strong as ever."
Used for anything from minor pimples and rashes, cuts or burns to stubborn cases of eczema, or poisoned wounds, Zam-Buk gives equally good results. Purely herbal. No toxic drugs.

VOTE FOR EDWARDS
And a Square Deal for the Farmer

To the Electors of Frontenac-Addington:

Ladies and Gentlemen: If elected on October 29th, I pledge myself:
(1).—To advocate strict economy in every Department of the Government with the view to reducing our National Debt and lessening the burden of taxation.
(2).—To endeavor to stop the alarming tide of emigration by encouraging the development of Canada's great natural resources and giving employment to Canadians at home.

(3).—To favor an adjustment of the tariff so as to give reasonable and just protection to Canadian farm, dairy and garden produce in order that Canadian produce will supply Canadian tables and not the cheaply grown products of foreign countries.
(4).—To endeavor to secure special consideration in freight rates for perishable farm products.
Ladies and Gentlemen, I appeal to you on behalf of Canada's First Industry and Its Rights. The present tariff on farm products is most unjust. The markets of countries competing with Canada have been closed against the Canadian farmer, while the market of Canada has been opened still wider to his competitors.—The Canadian farmer has been shut out of foreign markets and is not even allowed the advantage of his own home market.

I ask you to compare the figures below and then ask yourself: "Is the Canadian Farmer getting a square deal?"

Article	United States Duty Against Canada	Canadian Duty Against United States
Wheat	42 cents a bushel	12 cents a bushel
Wheat Flour	\$2.04 per barrel	50c. per barrel
Corn	15c. per bushel	Free
Hay	\$4.00 per ton	\$2.00 per ton
Potatoes	50c. per cwt.	35c. per cwt.
Butter	5c. per lb.	4c. per lb.
Cheese	5c. per lb.	3c. per lb.
Eggs	5c. per dozen	3c. per dozen
Fruits	25 P.C.	35 P.C.
Cattle	25 P.C.	40 P.C.

I would also ask you to compare the rates as agreed on at the last session of Parliament in the arrangement with Australia:

Article	Duty Against Canada	Canadian Duty Against Australia
Fresh and Smoked Meats	5c. a lb.	7 1/2c. a lb.
Butter	6c. a lb.	1c. a lb.
Honey	4c. a lb.	1c. a lb.
Canned Fruits	3 1/2c. a lb.	7 1/2c. a lb.
Canned Vegetables	3 1/2c. a lb.	Free
Cheese	5c. a lb.	Free
Lard	4c. a lb.	Free
Tallow	1c. a lb.	Free
Onions	1 1/2c. a lb.	Free
Fruit Pulp	1 1/2c. a lb.	Free
Beeswax	2c. a lb.	Free
Eggs	18c. a dozen	Free

The Progressive Party demands Free Foodstuffs, and the complete removal of all our duties against foreign farm, garden and dairy products, although other countries impose duties against our farm products. The Progressive policy not only proposes to take away from the Canadian farmer all protection but also proposes to make up the loss of revenue by a direct tax on land.

Ladies and Gentlemen, it is for you to judge of the sincerity of my professions and whether my opponent or I possess to the greater degree the qualities you desire in your representative. It is for you to say whether I have shown the heart to wish your welfare and the capacity to promote it. It is for you to decide by your votes whether my opponent or I is the better qualified to assist in the solution of Canada's many serious problems.
Awaiting your verdict with confidence,
I remain, yours sincerely,
J. W. EDWARDS.

Vote for Edwards and Protect Yourself

injury. This accident had a sad sequel. W. J. Potter of the Deseronto Creamery, brother of Mrs. Sharpe, was phoned to for assistance, and while he was away his mother, aged seventy-nine years, had the misfortune to fall and break her right wrist and right hip.
Mrs. Edward Randall and daughter Hazel, are spending a few days in Parham.
Mrs. Russell Forest and little son of Schenectady, N.Y., are visiting friends in town this week. Mrs. Forest was formerly Miss Ethel Howard and well known in the younger set.

FROM PULPIT TO SODA-FOUNTAIN
Rev. Harold Turney, pastor of the First Christian Church, Ingleswood, Cal., deserted his flock for the soda fountain, because "he wants to study and a minister has no time that he can call his own." He also hopes to make enough money at the soda fountain to obtain a college degree.
