ALL RUN DOWN, NOW HEALTHY

"Honestly, in all my 15 years of experience as a nurse I have never known of a medicine that compares with Tanlac. It is the glowing tribute of Nurse M. E. Chappell.

"Time and again I have recommended Tanlac and always with surprising results. Some time ago my Mother complained of being generally run down and on the verge of a nervous breakdown. She had no appetite, her stomach was disordered, digestion weakened, and her bowels were most irregular.

Take Tanlac Vegetable Pills for constipation. Made and recommended by the manufacturers of Tanlac.
