A Knitted Sleeveless Slip-On.

To knit a size 26 sleeveless slip-on sweater, buy two balls of pumpkin color Iceland yarn, one ball of violet Iceland yarn and a pair of number five needles. (Thirteen stitches make two inches; seven rows make one inch.) With one strand of each color, cast on 81 sts. K one st., P one st., across row, for five inches, forming a seed st. Break off violet yarn. Now, using pumpkin color alone, increase one st. in every fifth st. across row (97 sts.) Work in stockinette st. (knit one row, purl one row) for eight inches. Join a ball of violet and with both colors work eleven sts. in seed st.; work centre sts. with pumpkin in stockinette st. Join ball of violet, work last eleven sts. in seed st.

Repeat in this way for seven rows, then bind off six sts. each side. Continue as before, having border of five sts. each side, decreasing one st. each side by knitting together the first two pumpkin-color stitches and the last two pumpkin sts. every 2nd row 10 times. Then work straight till back measures 21 inches from bottom. Work 5 border sts. Twelve pumpkin in stockinette, thirty-one sts. with double yarn in seed st. Joining extra ball of violet, 12 sts. pumpkin stockinette, five border sts. Work seven rows, then bind off 21 sts. in centre, leaving five sts. each side for neck borders.

Slip the 22 sts. of first shoulder off onto a holder. On the remaining 22

sts. start front, continue as before with five border sts. each side and center 12 sts. in pumpkin stockinette. Increase one st. with pumpkin on the sixth st. from neck edge every sixth row eight times, then continue increasing on front edge every fourth row and at the same time increase on sixth st. from armhole edge every second row ten times.

Cast on six sts. with double yarn at underarm edge. Work armhole border same as back. When there are 56 sts. on needle, place on a stitch holder and make other side to correspond. Join, and cast on five sts. for center front.

Continue to work centre 15 sts. with double yarn in seed st. for seven rows. Work all sts. in pumpkin, in stockinette st., till even with the back to border. Then decrease by knitting together the fifth and sixth sts. across row 18 times (99 stitches). Work border, bind off. With double yarn slip st. around neck and armhole to prevent stretching.
