### FINAL PERFORMANCE OF "BIMBO" GIVEN MAY BE FOUR IN MAYORALTY CONTEST

Presentation of Flowers—The  
Play Was Successful  
Financially.

The final performance of "Bimbo," the musical comedy under the auspices of the Kingston Rotary Club, was given at the Grand theatre Wednesday evening, before a large audience. It being the fourth performance, the actors and actresses were well drilled into their parts and played them to perfection. Many complimentary remarks were passed about little Miss Betty Birmingham and Master Kenneth Gibson. Both these small children took their parts splendidly, and made an admirable little couple in the dance in the second act.

Flowers were presented to Misses Muriel McLeod, Mary Gratton, Muriel Porter, Marguerite Mullen, Olive Simpson, Dolores Van Patten and Mrs. A. G. Self. A box of chocolates was presented to little Miss Mary McGill, the little tot of the "Flames" chorus, who scored such a triumph at every performance. Mr. Roy Ward, president of the Rotary club, stated that the show was very successful financially and otherwise, and all were well pleased with the result. A dance will be given for the members of the cast, and on Saturday morning the children who took part in the show will be treated to the Chaplin comedy at the Capitol Theatre.

Aids. Laturney and O'Connor  
Not Yet Decided—New  
Aldermanic Candidates.

Will Kingston have a lively mayoralty contest? This remains to be seen, but there are many rumors going the rounds, and one who is close in touch with municipal affairs, stated on Thursday morning that there was a chance of four candidates for the honors. Mayor Thomas Angrove announced to the Whig some time ago that he would seek a fourth term, and Ald. Joseph Nash has stated that he will also be in the running.

Now the names of Ald. Fergus J. O'Connor and Ald. George Laturney have been mentioned.

Interviewed by the Whig on Thursday, Ald. Laturney would not say whether or not he would be a candidate. He has not decided as yet, but stated that he had been asked by many citizens to be a candidate. Ald. O'Connor, when questioned by the Whig, had no statement to make.

If Ald. Laturney is not a candidate for the mayor's chair, he will seek re-election as an alderman for Rideau ward.

It is understood that ex-Ald. John Holder will be a candidate in Rideau ward, and that Sergt. Fowler who was defeated in Catarqui ward last year, will be a candidate in this ward.

Nominations will take place on Monday, November 30th.

### INDIAN YOUTH DROWNED.

Boat Upset in St. Lawrence Near Cornwall.

Cornwall, Nov. 12.—Alex. Peters, an Indian, 19 years, son of the late Tom Peters, of Cornwall Island, lost his life by drowning in the St. Lawrence River between the bywash, above the foot of the canal and Cornwall Island, yesterday morning. In company with Louis White and Frank White, cousins, about twenty-six years of age, they were returning home when the accident happened. Peters tried to change places with Louis White, and all three fell into the water. Frank White tipped the boat over and started for shore, which was less than one hundred feet away, telling Peters to get in with him, while Louis White struck out for the island. Peters laughingly remarked that he could make the distance, but when about forty feet from shore his heavy clothing proved too much and he went down and was drowned.

The alarm was given and the body was recovered a few hours later by Jake Point and Jesse Debole. The young man leaves his mother and five sisters.
