SPORT
QUEEN'S TIE UP JUNIOR SERIES

The Third and Deciding Game May Be Played on Wednesday.

Montreal, Nov. 16.—The series between Queen's and Loyola juniors was still unsettled after Saturday's game here in which the visitors were victors by the score of 14 to 12. As Loyola won the previous game in Kingston by a two-point margin, the teams are deadlocked at 25 points each. Bobby Bell, president of the Intercollegiate Rugby Union, was to return from Toronto today when a date was to be set for the re-play, Wednesday afternoon having already been suggested.

Although Queen's fielded a heavier team, it proved of little advantage as the Loyola line held well in the pinches and by sheer driving force succeeded in making an impression on the line of their heavier opponents. Each team scored one smart touch, Queen's coming as the result of a 43-yard end run and Loyola's came by way of an unexpected outside kick from Savard's boot near the end of the first half.

The local collegians were forced to kick off against the wind and on the return fumbled on the five-yard line. Queen's were held on two downs and a rouse was the best they could get on the play. With a strong wind at his back, Johnston, the visitors' kicking half, punted for 50 and 60 yards on first downs and had the score 4 to 0 in a short time. However, before the quarter was over, Broadbent ran 30 yards after taking a pass and made the score 9 to 0. Another rouse and Loyola went into the second quarter with a 10-point handicap.

The locals held Queen's near their own posts and they were soon in possession on the five-yard line. They failed to go over on three attempts, however, and lost possession. They continued to press with the aid of the wind and were rewarded with a tally from Savard's boot. Soon after Cannon ran the ball 35 yards and had the play within striking distance but a minute to go. Savard's outside kick took the visitors unaware and Slattery fell on the ball for a touch which was converted making the score read 10 to 8. The period finished with the visitors in the lead 10 to 9.

With the wind again in their favor, Queen's scored a rouse in two minutes and an attempted drop a minute later went for another point giving Queen's a one-point advantage on the series. Loyola were holding much better at this stage and tackling surer than they were at the outset of the game. Two more rouses made the score 14 to 9 for the tri-color and it was with this adverse score that Loyola entered the fourth quarter.

Sober after the start of the last quarter, aided somewhat by penalties handed out to the local scholars, Queen's started a parade down the field that was only checked by the impossibility of kicking against the adverse wind. Queen's were succeeding in keeping Loyola from kicking and it was only by utilizing this end of the game to advantage that they could possibly score. By continual pressing the locals scored two rouses and needed but one more point to tie the series. The break came when one of Johnston's twisters hit his own outside making the visiting team offside. Moving 25 yards closer made it easy for Savard to kick the tying point of the series and making the score on the day's play read 14 to 12 for the tri-color. Any possibility of playing overtime was nullified owing to the darkness which had already set in.

Queen's—Flying wing, Legon; halves, Broadbent, Bibby, Johnston; quarter, Turnpenny; centre, Elliott; wards, Graves and Oliver; middles, Ward and Cudmore; outsides, Gourle and Bondfield; subs, Williams, Clary, Evans, Parsons, Stevenson, McCutcheon, Kelly, Bowden.

Loyola—Flying wing, Cannon; halves, Savard, Slattery, Altimas; quarter, Stone; centre, McCarray; sides, Anglin and Kennedy; middles, Pigeon and Forbes; outsides, Cummins and Timmins; subs, Taylor, McArdle, Murphy, Phelan, Power, Hawkins, Munich.

WINNIPEG CAPTURES WESTERN CANADA TITLE
Eliminated the Regina Team on Saturday—'Peg to Come East.

Regina, Sask., Nov. 16.—Scoring the majority of their points by rouses until Dick Buckingham, the "big train" of the team snorted his way through a broken field for a touchdown three minutes before time, to put the finishing touches onto a convincing victory, Tammany Tigers of Winnipeg, senior rugby champions of Manitoba, defeated Regina Rough-Riders 11-1 before a packed stadium at Park Hughes Saturday afternoon and took into their possession the gridiron supremacy of western Canada. It was Winnipeg's first taste of a western championship in many years and as a reward for their triumph Saturday the team will go east in quest of Dominion honors next month.

FANS ARE CONFIDENT.
So confident are many of the football fans in the city that Queen's are going to be the team to meet Ottawa in the Eastern Canada final that they are already making applications for reservations for the game at Ottawa on the 23th of the month.

TICKETS NOT HERE YET.
Owing to a mix-up in the arrangements, the tickets for the Balmy

Beach-Queen's game at Toronto next Saturday will not be here until Wednesday, but in the meantime lists are being made up of those making application for tickets and they will be distributed according to the order in which the names appear on the list.

On the Executive.
The Ontario Basketball Association met in Hamilton recently and the election of officers was held. Mr. P. F. Brockel, physical director of the local Y.M.C.A. is in charge of this executive and is in charge of this district.

Soccer Game Defaulted.
A soccer game was scheduled for Saturday afternoon at the Cricket Field but the game was defaulted to the R.C.H.A.

Pretty Safe Bet.
The Toronto Star Weekly says: "Can anyone stop Queen's in her march to the Canadian rugby championship? Unless someone drops a big surprise package in the three games remaining to be played, the presage indications are that the Tri-color should experience but little difficulty in plowing through to her fourth successive Canadian title."

RUGBY SCHEDULE TO BE REVISED

Criticism of Present Plan Has Led to Definite Action.

Mr. F. S. McDonnell, secretary of the Athletic Board of Control at Queen's and Professor W. P. Wilgar, one of the members of the Board, have returned from Toronto where on Saturday they attended a meeting of the Canadian Intercollegiate Athletic Union. The meeting was an important one and several changes in the constitution were made.

The matter that occupied the chief attention of the meeting was the Intercollegiate football schedule, which has come in for so much strong criticism. Owing to this criticism, it was decided that the secretaries of the three Athletic Boards of McGill, Varity and Queen's should confer with the view of adopting another schedule, which will be more uniform than the one at present in use.

THE BOWLERS AT FRONTENAC ALLEYS

BOWLERS START OUT.

Greater Interest Than Ever Being Shown in the Sport.

With the cooler weather prevailing once again, the bowlers of the city, who number hundreds, are turning their eyes towards the bowling alleys and already many have started practising for the campaign which lies ahead. Several teams have already been formed and the interest being shown in the sport promises to surpass even that of last season.

It is quite natural that the men should be greatly interested in the game, but it is surprising to note the large number of women and girls who frequent the local bowling alleys and some of the scores which

they are making are, to say the least, very surprising.

Within a very short time, the leagues will all be under way again and then the high score artists will be back into the race again to make the highest mark.

THE ARENA OPENS ON DECEMBER 1

Definite Announcement is Made at Queen's University To-day.

The Harty Arena will open for the season on Tuesday, Dec. 1st, at the very latest and quite possibly the Saturday preceding the first of December. This announcement was made at Queen's Athletic Board of Control on Monday morning. The football games will be about over by that time and the senior squad will have vacated the arena by then.

Mr. William Warnie, better known to sports patrons as "Old Bill," will very likely be here from Montreal again to handle the ice plant and with him in charge again, assurance can be given that the same satisfaction that was given last season will be repeated.

The skating tickets will be sold under the same system that was in use last year. Adults' tickets will be five dollars for forty skates and children's tickets will be \$2.50 for forty skates. Any number of skaters can be taken in on the one ticket until the forty skates have been used up.

There will be a complete new outfit of music for the electrical organ this season and the skaters and hockey fans will be treated to the best up-to-the-minute music that can be secured.

OFFICIALS APPOINTED.

By long distance call with John De Gruchy, president of the C.R.U., it was arranged that the officials for the game on Saturday in Toronto would be as follows:

Referee—Reg. De Gruchy of Toronto. (O.R.F.U.)

Umpire—Joe O'Brien of Montreal. (Intercollegiate).

Head line-man—Frank Shaughnessy. (McGill).

WHIG RECEIVES LETTER SIGNED "JOHN LETT"

But It is Regarded by the Police as Hoax—Sent From Belleville.

John Lett, who made a sensational escape while being removed from the police station to the county jail on Thursday last, is still at large.

On Monday morning the Whig received a letter from Belleville, under date of Nov. 14th, signed "John Lett," but the writing, when compared with samples of Lett's handwriting, now in the hands of the local police, does not tally, and the letter is regarded by the police as a hoax.

The letter reads as follows: "Dear Sir—Just a few lines to your paper. I am very thankful to Thomas Mullinger and his friend Mr. Hawkey. I must say that they are good fellows. But I will see Mr. Speed Cop again. Tell Thomas Mullinger that he is a gentleman."

JARVIS TESTIFIES IN PEPALL CHARGES

Called by the Defence at the Hearing on Monday Morning.

Toronto, Nov. 16.—Amelius Jarvis, senior, testified on behalf of the defence, when the hearing of four charges of theft, false pretences and bribery, laid against Andrew H. Pepall, as a result of the provincial bond transactions scandal, was resumed before Mr. Justice Wright and jury at the Assizes to-day.

Mr. Jarvis stated that though he had discussed with Premier Drury, the question of the Ontario government's redemption of Ontario bonds in England, he had never taken the matter up with Peter Smith, then Provincial Treasurer. He also said that Pepall had first suggested that the stock be redeemed before due date, that Jarvis and Company should receive one-and-half per cent. on the par value of stock, besides their expenses, and he, Pepall, was to receive the remainder. Secrecy which Mr. Jarvis had explained to Mr. Drury, as being essential to favorable purchase of bonds, was put forward by Mr. Jarvis, as a reason for letters concerning the matter being written on government stationery, in the offices of Jarvis and Company.
