## "Happy Days"

Just add this sparkle to your morning glass.

Here is the way to happy days, to fitness and good cheer. It is saving millions of dull days, of lost days. The way is this: On rising drink a glass of water, hot or cold. That washes the stomach and fits it for food. Add to the water a little Jad Salts. That makes an effervescent drink. Jad Salts are made from the acids of grape and lemon, plus lithia, etc. Right after breakfast comes complete relief. The poisons and wastes are eliminated. That which depresses, that which makes you unfit is gone.

It's a wonderful experience. At 7 o'clock one may be cross and dull, may hate to face the day. At 8 o'clock one is cheerful and fit, starting the day with joy. The way is easy, pleasant, prompt. It is harmless, and it aids the stomach, the kidneys and bowels. You will always use it when you try once. Ask your druggist for Jad Salts today.
