QUEEN'S HAVE MADE GREAT RECORD SINCE THEY STARTED IN 1922

Toronto, Nov. 20.—One of the hopes of Balm Beach has been shattered! On Saturday in the first of the C. R. U. senior play-offs for the Canadian championship they will not be able to stop Queen's, triple Canadian title holders and four time winners of the Intercollegiate honors, from scoring their twenty-fifth successive victory in four years. The Ontario champions, who are the only other 1924 championship aggregation to repeat this season, were all set to defeat the Tricolor and stop their winning streak at twenty-four games, but it can't be done. Why? Because Queen's have already won twenty-five straight games since they were defeated in Kingston on Nov. 11th, 1922, by Varsity, 24 to 1.

Great Scoring Record. Of the thirty-one games since the start of the 1922 season the Tricolor has had eight exhibitions, winning seven and losing one, and in these engagements they have scored 154 points to their opponents' 40. Altogether the champions have scored 176 points against 133 during the last four seasons. In seventeen Intercollegiate fixtures, including the playoff with Varsity in Montreal in 1922, they have won sixteen and have outscored their opponents by 228 to 72. In each of the three years they have won the Canadian honors they have played two games and have swamped their opponents by 114 to 21 in the six contests, getting 54 against Regina here in 1923. Including in the thirty-one games are thirteen away from home in which one or other of their titles was at stake and they have shown their heels to their opponents by 218 to 62, but once again the champions' scoring was assisted by the 54 to 0 victory over Regina. Four of the six C.R.U. games have been played at Varsity Stadium and also one of their exhibition contests. These with four games in the intercollegiate against Varsity give Queen's nine appearances on the field on which they meet Balm Beach to-morrow and they have won them all, scoring 162 points to 48.

FROM THE OUTSIDE LOOKING IN

At the conclusion of Saturday's Intercollegiate game here, the McGill players, led by "Chuck" Watrous, one of the greatest middle wings who ever played in this country, gave three cheers for Coach Frank Shaughnessy. They're loyal to Shaughnessy at old McGill. Just a few years ago "Sinc" McEvenue, then coaching Argos, was asked if he would consider taking charge at Queen's, but McEvenue replied that he would never tutor a team which opposed McGill and Shaughnessy.—Montreal Star.

Mackenzie King was elected manager of the U. of T. senior hockey team at a meeting held Thursday. Oh no, this is not the premier. He is a second-year student at Varsity.

Queen's are heavy favorites to win here on Saturday, but the best of them slip at times and even the mighty Tricolor machine will some day bow to an opponent.—Toronto Globe. Yes, but not this week.

The stage is all set for the junior battle here to-morrow afternoon and it is expected that there will be a large crowd at the Richardson Stadium to see the two teams clash in the deciding fixtures. Both teams are at their best and there have been no injuries in their practices in preparation for the game.

It is expected that there will be a large crowd of Queen's supporters on hand for the game with Balm Beach at Toronto to-morrow. A large crowd expressed their intention of attending the game, but if Queen's come out the victors, and there is no reason why they should not, the largest crowd that ever followed a Kingston team will attend the game at Ottawa a week from this Saturday.

K.C.I. were certainly given a terrible drubbing by the U.T.S. team, but they put up a good fight and gave the best that was in them. It is pretty hard for light, inexperienced players to cope with the attack of heavyweights, who have been playing the game for some time.

Queen's seniors left the city on the noon train for Toronto and will attend "Rose Marie" there to-night. They will have a good rest before the game and will be in the pink of condition. All the players were feeling as good as ever when they left and Queen's will take the field at full strength.

GREAT GAME IS ON THE CARD

Loyola Juniors and Queen's Meet in Deciding Contest.

At 2.30 tomorrow afternoon, Queen's Juniors and Loyola will trot out at the George Richardson gridiron to play what should prove to be the snarliest junior intercollegiate game of the season, in fact it should be the best here in some time. As we fans well know, Queen's by playing snappy ball and by grim determination, tied the round at Montreal last Saturday, winning the game by a score of 14-12 after playing overtime. Kingston is fortunate in having the game here and but for the steady efforts of the Queen's A.B. of C., it probably would have been played in Ottawa on Wednesday last, as Loyola desired. Queen's would not agree to this arrangement but were willing to play in Brockville and Loyola disagreed with this. Finally, after much discussion, the game was decided for here, much to the delight of the fans.

the teams and it will be a case of which ever breaks first. Queen's have been practicing hard under the guidance of Athletic Director Hughes and are ready for the fray, confident that they can turn the trick and defeat the fighting Loyola crew in the deciding game. However Loyola will have something to say and they too are sure they can win out in this important fixture. Every player will be on his toes, ready to take advantage of the mistakes which will have to be few and far between for the safety of either team. Ken Bibby, a freshman, who has displayed great booting and running ability, will handle the kicking duties for the Tricolor and he certainly wields a wicked toe. Turnpenny will be at the helm, and as he has shown in previous games this season, he knows how to handle the team to its best advantage. He has shown marked ability at picking out the centre of the opposition's attack and forestalling attempts at big gains. Mixing up his plays, he handles the team to perfection and should be a big factor in the youthful Queen's rugby machine. It is reported that the seat sale for the game has been very good and it is expected that there will be a very large crowd on hand when the players take the field. It is hoped that the day will be nice and clear and that there will be a dry field, as in their other two encounters, the teams have played on wet slippery gridirons and the backs could not vary well show their stuff. Certainly the game should be well worth attending.

Legal Obstacles in Way of Big Fight

Indianapolis, Ind., Nov. 20.—The foundation for placing legal obstacles in the path of the proposed Jack Dempsey-Harry Willis bout in Indiana, probably at Michigan City, next summer, was laid, when Attorney-General Arthur L. Gilliom of Indiana gave Governor Ed Jackson an opinion on the legality of the bout which virtually prohibits the meeting of Dempsey and his challenger. "It is possible," Gilliom's opinion said, "that these men might, without violating the law, meet for the single purpose of exhibiting their skill as boxers, excluding from their purpose the exchange of blows which would be calculated to determine superiority between them in their chosen and well-known profession. If this is the intention, there is no intended violation of the law." Otherwise he held that such a meeting would violate the spirit of the Indiana law. A distinction between "boxing exhibition" and "prize fight" is outlined in the Indiana law which forbids the latter. Articles for the match were signed some time ago, with the two principals reaching an agreement on terms and conditions of the content with Floyd Fitzsimmons, Michigan City promoter, who is backed by a syndicate of South Bend, Ind., business men.

Local Collegians Put Up a Game Defence

Writing in the Peterboro Examiner, "Josh" Craig says of the U.T.S.-K.C.I. game: "U.T.S. were too fast, shifty, clever and well drilled for the Eastern boys here for K.C.I., although they maintained a stubborn defense at times found themselves on other occasions quite powerless to stop the steady march of the Toronto squad who, smartly led by that clever young field general, Quarterback Cook, unveiled a series of well masked, well timed and ably executed plays that ripped through or around the Kingston line with almost monotonous regularity. "U.T.S. were not in any danger of being scored on themselves for their opponents were never in possession of the ball in Toronto territory at any stage and found it well nigh
