Why the Ratepayers Should Exercise Franchise. There is a great opportunity for Boards of Trade and similar public organizations throughout the country to perform a valuable community service in directing the attention of the municipal ratepayers to the importance of exercising their votes. The resolution passed by the Ontario Associated Boards of Trade and Chambers of Commerce at the Kingston convention last week urging the member bodies to make a determined effort, in conjunction with other local organizations, to have a larger vote polled in municipal elections, so that public interests in civic affairs may be stimulated and good men encouraged to offer themselves for election is very much to the point, says the Financial Post, Toronto. It has been estimated that more than \$200,000,000 of the \$600,000,000 taxes being collected annually in Canada is for municipal expenses. The boards of trade can render much better service in arousing the people to the importance of exercising their right to control these expenditures and seeing that the various municipal funds and departments are efficiently administered through putting good candidates in the field and supporting them. They should also use their influence to discourage those campaigns for local improvement which appeal to the pride of the community, but which are very often beyond its means. It is becoming trite to say that the ratepayers of a municipality are in effect the shareholders of a public

Cross, Irritable Husbands Often Victims of Chronic Fatigue. MANY a wife thinks that because her husband is always cross and irritable, criticizing and complaining, that he does not love her any longer or that he is working too hard—when as a matter of fact the real cause of his "flare-ups" is chronic fatigue. Chronic fatigue is entirely different from the ordinary fatigue you feel after hard work. Chronic fatigue comes from within. Your nerves, organs, and muscles have become debilitated due to lack of sufficient organic iron in your blood. To conquer chronic fatigue you must strengthen your system by restoring this organic iron to your blood. But don't take the older mineral iron medicines which many doctors now say do little good. Take organic iron—Nuxated Iron—which is like the iron in your blood and like that in spinach and lentils. Unlike ordinary mineral iron, it will not injure the teeth or disturb the stomach, but is promptly assimilated. Take Nuxated Iron for just two weeks and you'll be astonished how much stronger and better you feel. Money back if not improved. At all good druggists.
