URGES THE PURCHASE OF CANADIAN GOODS

Governor Blake Halliday of Toronto Addresses the Kingston Kiwanis Club.

There was a very large attendance at the meeting of the Kiwanis Club held on Monday afternoon at the Frontenac Hotel, the unusually large attendance being due to the fact that the Kiwanis Governor Blake Halliday was scheduled to speak. There was plenty of discussion at Monday's meeting, especially in connection with the question of whether or not the club should or should not sign a contract with the Rogers Producing Company for the production of an amateur show in Kingston the latter part of this year or early in the spring of 1921. There was some lively discussion in which Kiwanian E. O. Smithies, Kiwanian James Sowards, Kiwanian Frank Hoag and others took part and the matter was finally settled by a motion by Kiwanian Hoag, seconded by Kiwanian Mills that the matter be referred back to the executive who would take in Kiwanians H. W. Davis and E. O. Smithies for their views on the matter.

Other activities were suggested for the club besides the show, an ice carnival at the arena, a minstrel show and several other things but the club will wait for the report of the executive before making any definite decision. The matter will come up again in two weeks.

President Moore announced that next Tuesday night was Farmers' Night at the club and on that occasion the members will have as their guests their farmer friends.

The speaker at the meeting yesterday was Governor Blake Halliday who was introduced by Kiwanian W. Y. Mills. Kiwanian Mills stated that he was a member and past president of the West Toronto Kiwanis Club. He praised the work done by Governor Halliday in Kiwanis and stated that he was one of the outstanding men in the organization.

Kiwanian Halliday stated that Kiwanis carried out the golden rule to a greater extent than the churches in that their work was more widespread. He said that one of the

weaknesses of the church was that it taught the ideals of the Golden Rule but did not give much chance to put them into practice. Kiwanis, he said, allowed scope to do this. If clubs restricted themselves to boys' work alone it did not meet with the requirements of Kiwanis. It was required that Kiwanis should go further than that. He pointed out that International Kiwanis did not tell the clubs what they must do but advised them, made suggestions and pointed out the best lines each club could follow in its activities. It was important that a few things be undertaken and done well rather than a great many things being undertaken and being half done, he said.

He declared that Kiwanis had an important duty not only to the community in which it was situated but also to the whole country. He referred to the good that Kiwanians might do in insisting upon purchasing only "Made in Canada" goods. The importance of this did not seem to strike the individual as it should and unless there was an insistence in this matter by the individual, nothing could be accomplished. "Our first duty is to Canada," said the speaker, "not to Kiwanis."

Kiwanian Halliday quoted Roger Babson who had said that Canada was the last great country of undeveloped resources. Canada had great resources but the speaker did not believe in shipping them out as fast as they were developed. He referred to the statement of John H. Moser, the international Kiwanis president with regard to annexation with Canada and held that he could see his side of it. There was little talk of annexation now, he said.

"We have for years and years been buying over two hundred millions of dollars worth a year more from the United States than they have from us," Kiwanian Halliday declared.

"and we are selling outside our products that ought to be manufactured here. We buy their goods on credit and year by year the United States is getting two hundred millions of dollars of actual mortgages on Canada. In the last five years the mortgage has reached the five million dollar mark. If this goes on our products will be owned by the people across the line and it will be our own fault."

The speaker pointed out the necessity of insisting upon "Made in Canada" goods when they went into the stores to make purchases. If the merchants were trained to offer only Canadian made goods, they would soon do so but as it is they will give the purchaser anything else unless it is insisted that only Canadian manufactured goods are preferred.

In concluding his talk, Kiwanian Halliday stated that he did not speak as a manufacturer, although incidentally he is one, and said that he spoke first as a Canadian and secondly as a Kiwanian.

The thanks of the club was extended to the speaker for his address by President Moore.

GANANOQUE

Gananoque, Nov. 24.—Among those who went to Brockville yesterday afternoon to attend the complimentary banquet to Judge McGlade were Mayor Wilson, B. O. Britton, W. C. McCarney, George D. Gilbert, J. Arthur Jackson, and F. W. Bell.

Owing to the death of Ross Loney, the progressive euchre advertised under the auspices of the Young People of St. Andrew's Church last evening at the home of Mrs. Kelso, has been postponed indefinitely.

The many friends of W. B. Carroll are sorry to know that he is quite ill. Prayers of the congregation were asked in Christ Church on Sunday for his recovery.

Mrs. W. W. Bennett and Miss Evelyn leave to-morrow for Brooklyn, N.Y., to spend the winter with Mrs. Graham.

A number of young people are holding a private masquerade in the Oddfellows' Temple on Wednesday evening.

Charles J. Wilson is in Ottawa for a few days on business.

H. W. Maxson, Montreal, is in town for a couple of days.

Michael Macdonell, Kingston, leaves in a couple of days for the south, with Miami as his objective, where he will engage in his occupation as a stone mason during the winter.

It is reported that W. Richardson has been appointed as janitor of the Post Office.

At the rate chickens are arriving from Howe Island and Lansdowne it will be a bona fide chicken supper at the Lyceum on Wednesday.

In Excellent Financial Shape. Councillor MacGregor, chairman of finance, reported to Napanee council that the taxes collected up to the present for this year were \$79,000. He considered that the town is in better shape financially this year than has been the case for several years past.

IF KIDNEYS ACT BAD TAKE SALTS

Says Backache Often Means You Have Not Been Drinking Enough Water.

When you wake up with backache and dull misery in the kidney region it may mean you have been eating foods which create acids, says a well-known authority. An excess of such acids overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels, removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate sluggish kidneys, also to neutralize acids in the system, so they no longer irritate, thus often relieving bladder weakness.

Jad Salts is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink. Drink lots of soft water.

Are the Causes of the Increased Potato Prices.

Boston, Nov. 23.—Over-demand stimulated by fear of a possible shortage rather than an actual shortage in this market, is apparently the reason for the rapid rise of the potato prices, Eugene C. Hultman, chairman of the special state commission on the necessities of life, reported today. Mr. Hultman

said that receipts from Canadian sources this November had been twenty times as great as in the same period last year. Leaving Collingwood. Miss F. A. Redmond, Collingwood, is leaving there for Toronto. Miss Redmond is a native of Kingston Mills. The people of Collingwood are sorry to see her leave. In educational and social circles she was a great favorite.

MAGNESIA BEST FOR YOUR INDIGESTION

Warns Against Doping Stomach With Artificial Digestants.

Most people who suffer, either occasionally or chronically from gas, sourness and indigestion, have now discontinued disagreeable diets, patent foods and the use of harmful drugs, stomach tonics, medicines and artificial digestants, and instead, following the advice so often given in these columns, take a teaspoonful or two tablets of Bisurated Magnesia in a little water after meals with the result that their stomach no longer troubles them, they are able to eat as they please and they enjoy much better health. Those who use Bisurated Magnesia never dread the approach of meal time because they know this wonderful anti-acid and food corrective, which can be obtained from any good drug store, will instantly neutralize the stomach acid, sweeten the stomach, prevent food fermentation, and without the slightest pain or discomfort. Try this plan yourself, but be certain to get pure Bisurated Magnesia, especially prepared for stomach use.

NAPANEE HOCKEY PROSPECTS GOOD

A Kingston Player Among the Number—Bay of Quinte League.

Napanee, Nov. 24.—An enthusiastic meeting of the Napanee Hockey Club was held in the council chambers of the Town Hall on Friday evening. The hockey situation was discussed and the selection of officers followed: Hon. president, George W. Gibbard; president, A. L. Dafeo; 1st vice-president, W. J. Wiggins; 2nd vice-president, W. P. McLaughlin; secretary, L. Douglas; treasurer, H. W. Huffman; executive committee, E. J. Roy, A. E. Caton, J. McPherson, J. L. Murray, manager, M. P. Graham. Representatives to Bay of Quinte League meeting, E. J. Roy, A. L. Dafeo.

There does not seem to be any movement in the Bay of Quinte League as yet and it is not known what teams will face the barrier. Napanee, although they have lost three of last years good team have as many to fill their places. Perhaps the most experienced of the trio is "Tommy" Kirby of Kingston; "Billy" Houle of Deseronto and Shoemaker of Guelph are in our midst and should make a good team in the Bay of Quinte loop.

There will be a senior town league this year with three teams, Gibbard Furniture Co., "B" Co. Frontenac Regiment, and The St. Pats. There is some talk of a fourth team which, if it can materialize will give the others a good battle. There are some good prospects in the town league and several youngsters are about ready to jump into the senior ranks.

On Saturday, November 21st Napanee Collegiate Institute visited Picton to play their annual game of rugby. Picton Collegiate team proved the better players and defeated Napanee by a score of 13-0. This is the first time in many years that Picton has won from Napanee. The return game will be played in Napanee Driving Park next Saturday afternoon.

Mrs. A. S. Kimmerly returned last week from Toronto, where she has been visiting friends for the past couple of weeks.

Miss Alice Preston, returned on Saturday from Toronto where she has been spending the past week the guest of her sister, Miss Ethel Preston.

Mr. and Mrs. J. G. Daly and Celestine and Mrs. J. J. Adams motored to Toronto on Friday last to attend the Queen's-Rainy Beach rugby game.
