Good Times Are Ahead

Kincardine Review.

The fact that man has a happy faculty of forgetting evil times and of harboring to the end the pleasant events of a lifetime probably accounts for the sighing of old-timers for the good old times. There is no other valid excuse for it. For some few things the present can envy the past but for the advantages of the present so overwhelmingly outnumber those of the dead yesterday that those who mourn the past can not be taken seriously. There is more romantic retrospection than sound reasoning in their sighs and lamentations. Memories of lower costs of living are spoiled by recollections of correspondingly low wages, lower salaries and still lower industrial and commercial profits. The homely comforts of fifty years ago served the simple life, but who would give up the electric light, steam heat, overstuffed furniture, running hot and cold water, the bathtub and hundreds of other modern convenience for the woodpile and the well o the good old times.

razors, barber shops, the telephone. the radio, moving pictures, hard surfaced roads, window glass and many other things which are considered when new comforts will | console progress of world invention and disby modernity as the bare necessities mankind. Life is bettering itself covery in the newspaper advertise- employed in the offices of the British

6.30 p.m .- Shepard Colonial dinner dance.

9 p.m.-Martha Weiss, pianist, 9,30 and 10.30 p.m .- Alles Concert Trio.
