COLLEGE DAYS AND DAZE
IN LLOYD'S "FRESHMAN."
Harold Lloyd brings to the Capitol Theatre for four days starting tomorrow, "The Freshman," a story of college days—the most magical days of that most envious age—the Age of Youth! The age when a fellow comes to grips with life—when he begins to realize he's going out into a big world, either to be a leader or a follower of men.

Lloyd plays the role of Harold Lamb, who goes to college with the worthy ambition to be the most popular boy in the school.

Then, when he thought he had just about dethroned the present college hero, they told him he never could win, that coveted place until he got on the football team. So, undaunted, he made a try.

MAYOR OF KINGSTON SENT CONGRATULATIONS
Mayor Angrove sent the following telegram to Mayor J. P. Balharris of Ottawa: "Congratulations on Ottawa's victory. Hope you win Dominion championship."

QUEEN'S RECORD.
Queen's record for invincibility, 26 consecutive victories, from November 19th, 1922, to November 21st, 1925, is likely to stand for years to come. The Ottawa Col won the Ontario Union championship five years in a row, 1885, 1886, 1887, 1888 and 1889, was the only team that came anywhere near the mark.

NOVARRO FILM AT CAPITOL.
Ramon Novarro Film at Capitol Last Time Today.
Whenever Novarro is in a picture, you may be sure that he will introduce something new in the way of motion picture heroes.

Now it is a midshipman of the Naval Academy, Annapolis in "The Midshipman," which closes today at the Capitol Theatre.

Though the deeds involved in the story are very modern in their heroism and perhaps not as glamorous as those of the Navy's Paul Joneses, Novarro makes the entertainment of "The Midshipman" just as enthralling as any fierce battle at sea.

THE ROLL OF HONOR.
It is a fact worthy of note that since the abandonment of the old challenge system and the inauguration of championship series in 1892, the Dominion rugby title has remained in Ontario ever year but one, 1907, when Montreal, Interprovincial Union winners, carried off the honors.

Toronto University holds the record of the greatest number of Dominion championships since 1892. They have been acclaimed champions six times. Ottawa (Rough Riders), Ottawa University and Queen's University, are tied for second place on the honor roll with four championships apiece.

The roll of honor follows:
Toronto University, 1895, 1905, 1909, 1910, 1911, 1920.
Ottawa University, 1894, 1896, 1897, 1901.
Ottawa, 1898, 1900, 1902, 1925.
Hamilton Tigers, 1906, 1908, 1913, 1915.
Argonauts, 1914, 1921.
Osgoode Hall, 1892.
Hamilton Alerts, 1912.
Montreal, 1907.

Late Joseph Ahern.
Joseph Ahern, aged seventy-eight years, a retired farmer, who resided with a brother, Daniel, at 35 Main street, passed away very suddenly Monday night, his death being due to heart failure. The deceased formerly owned farms near Inverary and Cataract, and was well known there. He is survived by his two brothers, Daniel of Kingston, and William of Cusheald. Deceased was a Roman Catholic in religion.

The funeral will take place Wednesday morning to St. Mary's cathedral, where a solemn requiem mass will be sung for the repose of his soul. Funeral arrangements are in charge of M. P. Keyes.

CANDIDATES QUALIFY BY NINE O'CLOCK
Three Candidates for Utilities Commission Will Remain in the Contest.

The candidates nominated for civic honors have until 9 o'clock tonight, to qualify, and as usual, there will be lively "doings" in the office of the city clerk, where the candidates are called upon to sign their papers.

With three in the field for mayor, three in the contest for the Public Utilities Commission, and a grist of aldermanic candidates, it looks as if Kingston will have one of the liveliest contests in many a day. James Halliday stated on Tuesday forenoon that he had decided to remain in the contest, so H. W. Newman and James Harris, the present members, who are seeking re-election, will have opposition.

Owing to the fact that six school trustees were re-elected by acclamation, the contest for the Board of Education will be a very quiet one. Dr. Harry Stewart and Prof. Charles E. Walker have been nominated for Victoria ward.

Late Mrs. Orval Boyd.
At the Western Hospital, Toronto, Flora May Fralick, wife of Orval Boyd, and second daughter of Mr. George C. Fralick, of this city, passed away on Friday, November 27th, after a serious operation. The deceased had lived in this city for years and was well known and highly respected as a lady of kindly disposition and pleasing personality. Her death came as a great shock to her many friends in this city, and their sympathy is extended to the family in their bereavement. She is survived by her husband and two sisters, Mrs. G. Cherry, Kingston, and Mrs. H. Boyd, Ottawa. The funeral took place in Toronto and interment was made at the Glenwood cemetery, Picton. The following is the list of floral tributes:

Husband, cross; Mr. and Mrs. G. Cherry, Flora and Billy, spray; Mr. and Mrs. Harry Boyd, basket; Mr. and Mrs. C. North, spray; Mr. and Mrs. E. Fralick, pillow; Mrs. Hattie Boyd, wreath; Mr. and Mrs. Cleave and family, wreath; Mr. and Mrs. Keith Light, spray; Mr. and Mrs. R. Smith, spray; Mr. and Mrs. H. Langan, basket; Mr. and Mrs. A. ACTION TO BE TAKEN TO DEPORT SIMPSON
Member of the "Red" Ryan Gang is Held at New York.

It was learned to-day that action has been initiated by the Justice Department for the extradition of Gordon Simpson, the escaped convict, who is now in New York. In ordinary extradition it is necessary to make out a prima facie case, but in view of the fact that Simpson is a convict it is presumed the United States authorities will deport him and hand him over to Canadian officers at the border.

Simpson, who was one of the "Red" Ryan gang which escaped from Portsmouth Penitentiary on Sept. 10th, 1923, was arrested at New York whither he had returned from Germany on the S.S. America, on Nov. 20th. Simpson was serving a five-year term for shopbreaking when he made his escape.

HAS A SUBSTITUTE FOR THE SUN'S RAY
Electric Lights Used by Local Gardener in Raising Plants.

That electric lights can be used as a substitute for the sun's rays, in the raising of plants, has been demonstrated successfully by Mr. George Stockbridge, gardener at the C. P. R. station. Mr. Stockbridge has found that a 300-candle power light is the right intensity for the ordinary plant. Some will stand more candle power, but others, when subjected to the same amount of light, will wilt. During these dull days, Mr. Stockbridge has two 300-candle power lights burning in his conservatory over the station. He states that the plants reach out for the rays of the electric light just the same as they do for the rays of the sun. The plants are not at all weak, and appear to be as sturdy, as any plant grown in the middle of summer. He has found that in the raising of tropical plants of which he makes a specialty, that the electric light provides the required amount of light for the winter growth, which the tropical plants must undergo.

KEEP YOUR HAIR!
Your hair on! My preparation will help you. DANDRUFF and FALLING HAIR cured after the first few applications. Baldness, of not exceeding 5 years' duration, can be cured. A vast improvement in the condition of the hair may confidently be expected irrespective of the duration of the trouble. Perhaps you are skeptical—

YOUR HAIR
skepticism is justifiable. My own experience taught me that many so-called "cures" are worthless. Recently I called on the proprietors of several well-advertised remedies—and found them, without exception, to be suffering from the complaints they professed to cure! Many

locations, according to the British Medical Association, contain about 95% water, the remaining 5% consists of ingredients which can have very little stimulating effect on the hair—in other words, they rely on massage. Pleasant plattitudes and pleasing perfumes sell gallons of what ardent optimists imagine to be "hair" lotion! My preparation contains 100% curative ingredients.

A FINE TRIBUTE

"SENATOR" JACK POWELL
W. P. Hughes, coach of Queen's University rugby team and hockey team, paid a glowing tribute to "Senator" Jack Powell, Queen's trainer, at the meeting of the Kingston Hockey Club on Monday night. Mr. Hughes declared that in all his years' experience in sport he had never come across as efficient a trainer as Mr. Powell. He spoke very highly of Mr. Powell's capabilities as a trainer and general principles and highly praised his work at Queen's this year. "Senator" was appointed trainer of the Kingston team.

TO COACH TIGERS.
George Awrey To Give Westerners a Few Tips.
Hamilton, Dec. 1.—With "Lis" Marriott and George Awrey as assisting coaches, the Winnipeg Tigers will practice at the H.A.A.A. field this week in preparation for their game against Ottawa at the Capital on Saturday next for the Dominion honors.

Johnny Laing, a former member of the Tiger team, and now a backfield star with the Western squad, is authority for the statement that the "Teg" team is the best that ever came out of the West, and he figures that, with Marriott and Awrey to hand them a few points on the Eastern style of play, they will make a strong bid for honors next Saturday against the Senators.

The workouts this week will be held behind closed gates.

JOHN LETT STILL ON MISSING LIST
Man Who Made Sensational Escape Still at Large.

Where is John Lett, who on Nov. 12th, made a sensational escape from the local police, while he was being removed from the police station to the county jail?

The police have received no clue as to the whereabouts of the missing man, but as a description of Lett has been broadcasted all over Canada and the United States, it is believed that in time he will be located and brought back to Kingston. There is a general feeling that Lett is in hiding in the province of Quebec.
