## ALD. JOSEPH NASH OUTLINED PLATFORM

At a Meeting Held on Thursday Night in the Ontario Hall.

Ald. Joseph Nash, candidate for Mayor, outlined his platform to an audience numbering about seventy-five people in Ontario Hall, on Thursday night, and in summing up stated that there was not one item on his programme that could not receive the warm support of every man elected to serve in the council.

The speaker spoke at some length on the question of a new hotel for Kingston, and declared that Mayor Angrove, in his nomination address, had made an unfair statement regarding him. He said that no person had ever found him guilty of telling an untruth, and that they never would.

Ald. Nash said that he was convinced that with strict economy, the tax rate of the city could be reduced from 35 mills to 30 mills, within three years. Referring to the assessment, he said the present assessment in the city was unfair, and stated that the only fair way of assessing property would be to have an assessment made for three years, by the assessor, a contractor and a real estate man. The garbage tax could be reduced from one mill to one-half mill.

Other things advocated by Ald. Nash included a flushing system for the streets, better police protection, and a motor bus service in the north and west parts of the city.

"Use your influence to defeat the fair ground bill," said Ald. Nash. "Until we get a definite plan as to what is to be done, do not vote for it."

## NAPANEE'S POULTRY FAIR BEST YET HELD

Receipts in Two Days Amount- ed to \$68,000—Death of a Selby Lad.

Napanee, Dec. 4.—Napanee's Poultry Fair on Wednesday and Thursday was one of the best ever held here. On Wednesday the banks paid out \$49,000, and on Thursday the amount paid in the two days amounted to \$68,000. There were 136 tons of poultry shipped from Napanee in the two days. The amount of poultry at the 1924 fair was seventy-five tons. The prices ranged: for turkeys 35 cents; chickens 25 cents; fowl 21 cents; ducks, 20 cents; geese 18 to 20 cents.

The sudden death occurred in the Kingston General Hospital on Tuesday, December 1st, of Vernon Ross Windover, only son of Mr. and Mrs. Melville Windover of Selby. Deceased was ill but a few days, having been taken to the hospital suffering from blood poisoning, following an ulcerated tooth. He was but seventeen years of age.

**THE CATARAQUI Y.P.L.**  
Is To Hold a Banquet on Monday Evening Next.  
Cataraqui, Dec. 3.—The Young People's League continues to make splendid progress. On Nov. 23rd the topic was "Humor," the address being given by Miss M. McMillwright. On the 30th, Miss L. Carman gave the address on "The Poetry of Bliss Carman." Both addresses were much appreciated. The league voted a substantial contribution to the Maintenance and Extension Fund and hopes to help along other lines. On Monday evening next, a grand banquet will be held. Mr. John Saunders presiding, and Mr. E. Parkhouse, of Kingston, being the guest of honor.

Preparations are being made for a Christmas concert under the auspices of the Sunday school, to be held Dec. 23rd.

**Married Fifty-Seven Years.**  
Mr. and Mrs. George Munro Clarke, two of the oldest residents of Brighton Township, celebrated recently the fifty-seventh anniversary of their marriage. They are both of United Empire Loyalist stock. Mrs. Clarke, nee Mary Carrick, Ameliasburg, has been an active member of the Methodist, and now the United Church, for over seventy years, and although in her eighty-seventh year, is able to do her own housework. Mr. Clarke is in his eighty-sixth year. Both have normal use of all their faculties, and are able to drive out to visit friends. They still live in the home that was constructed when, as bride and bridegroom so many years ago, they settled in the forest and began to clear a farm for themselves.

**Told Truth, Anyhow.**  
The Cobden Sun tells this epic of the duck-hunting grounds: Two local Nimrods fired shots at the same time from the same side of the canoe and the result was that they both landed in the lake at the same time. They waded ashore. On being asked what they got the reply was "two ducks."

## SALTS FINE FOR ACHING KIDNEYS

When Back Hurts Flush Your Kidneys as You Clean Your Bowels

Most folks forget that the kidneys, like the bowels, sometimes get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean and the moment you feel an ache or pain in the kidney region begin drinking lots of water. Also get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is intended to flush clogged kidneys and help stimulate them to activity. It also helps neutralize the acids in the urine so they no longer irritate, thus helping to relieve bladder disorders.

Jad Salts is inexpensive; makes a delightful effervescent lithia water drink which everybody should take now and then to help keep their kidneys clean.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in trying to correct kidney trouble while it is only trouble.

## LEATHERLAND IS FOUND GUILTY

(Continued from Page 1)  
When the matter of the interest due on the 1921 and 1922 tax rolls had been brought to his attention he had paid it. He admitted that the non-payment of Herbert Lawson's taxes was an omission on his part. He also volunteered the information that there were two other items of \$30 each in taxes which he still owed the township.

Offered Graham \$1,000.  
Cross-examined by the Crown Attorney, Smith contradicted Leatherland's evidence on several points. He said he had asked Leatherland more than once for a receipt for the \$2,000. He admitted having offered C. J. Graham \$1,000 to settle up the shortage.

Mrs. Julia Smith, the wife of the accused, gave testimony as to having counted out the \$2,000 and having made out the deposit slip on December 29th, 1923. The money was handed over to Mr. Leatherland, she said. It was not the first time that Mr. Leatherland had taken money to the bank for deposit.

Rev. Canon T. Austin Smith gave evidence as to the character of the accused. He said that Smith was well known to him having been one of his parishioners for a time and he knew him to be a man of good behavior and character.

## GANANOQUE

Gananoque, Dec. 4.—The two-day sale under the auspices of the A.Y. P.A. opened in the parish house yesterday afternoon. The ladies of the Anglican Church are to be commended for their system of conducting these affairs, and no sooner is one sale over than they immediately start in to plan for the next year. The supper was par excellence, and altogether it deserves to prove their biggest financial success. The crowd yesterday would seem to suggest it. It will close this evening with a jitney dance, which is being eagerly anticipated by the young folks, particularly.

D. Ford Jones and C. S. MacKenzie motored to Toronto to-day.

The game in Toronto on Saturday, for the intermediate championship of the Dominion between Sarina and Canadian Nationals of Montreal, holds more than ordinary interest for friends of Andy Marnell, the central Commodore of the C.C.A., who happens to be manager of the C.N.R.'s. Only once has his team gone down to defeat this season, and if they come through on top Saturday he can be sure that his friends in sport in Gananoque are rejoicing with him.

The condition of W. B. Carroll has been slightly improved the past couple of days, which is good news to his many friends.

Out of respect for the late Nell McCorney, the business places closed here during the hour of his funeral this morning.

Rev. T. J. Scott, Ballycrao, and Father Feeney, Brockville, were in town to-day for the funeral of the late N. McCorney.

**Stole A Buggy.**  
Boys will be boys. They will have their fun, but when it comes to stealing a buggy, and doing damage to it, the law must stop in. This is what happened in the case of fifteen lads near Napanee, who purloined a buggy and during their pranks did considerable damage. They will be arraigned before the court on Dec. 9th.

**Bought Bathurst Farm.**  
Roy Radford has bought the Hughes farm of 190 acres on the 3rd line of Bathurst. He had this farm leased for the past six years. The farm was once well known for the production of hops.
