ST. GEORGE'S CHOIR RENDERED CAROLS

At Sunday Evening Service—Community Singing in Sydenham Street Church.

The Christmas music was repeated, with some additions, in St. George's cathedral on Sunday. At the eleven o'clock service the anthem, "Christians Awake, Salute the Happy Morn" (Maudslayi) was splendidly sung. The Bishop of Ontario preached a remarkably fine sermon on the incarnation, from the text "God So Loved the World, that He Gave His Only Begotten Son."

Community Choral Service. A community choral service was held in Sydenham-street church after the Sunday evening service. Many old familiar carols were sung heartily by the gathering. The singing was led by Mr. Harry Hill, organist.

At St. James Church. At the Sunday evening service, in St. James church, a large number of old Christmas carols were sung by the congregation, led by the choir. There was a large congregation, and they joined heartily in the service.

At First Baptist Church. At the First Baptist church on Sunday, special Christmas music was again greatly enjoyed by large congregations at the morning and evening services, the musical arrangements being under the direction of the organist and choir leader, S. A. Salebury.

At the evening service, the anthem, "Arise, Shine" was sung, Mr. I. Edwards singing the solo part. A solo, "Birthday of the King" given by Mr. James Marshall, and a carol was also rendered by Master Stewart Salebury.

In the morning, the choir, assisted by Judge Lavell, rendered, "Spirit Immortal," by Verdi. A soprano solo was very ably rendered by Mrs. J. Crawford. In the evening the anthem was, "The Hallelujah Chorus," from Messiah, and the offertory was, "Like Silver Lamps," by Barnaby.

PHONE LINES BREAK UNDER THE COLD SPELL

Long Distance Lines Suffered as Result of the Severe Weather on Sunday.

The cold weather of Sunday was responsible for many breaks in the long distance telephone lines between Kingston, Ottawa, Montreal and Hamilton. There were no breaks in the lines in the city, and little or no inconvenience was caused to those who wished to use the long distance lines. There were in all about six breaks and three gangs of linemen were kept busy all day Sunday and so far all the repairs have not been completed. One wire, when broken, will put ten or twelve lines out of commission, and it is this that causes most of the trouble.
